6. **Installation of System: Delay of Installation; Interruption of Service:** Client authorizes and empowers Company to install or cease to be installed the protective system summarized on the Schedule of Protection. Client agrees that the work of installation shall be performed on weekdays only between the hours of 9:00 a.m. and 5:00 p.m., unless the Client hereby agrees to pay Company any reworking increased cost for installation. Should Company be forced to subcontract any portion of the installation due to any trade union jurisdiction dispute, the additional cost created by such subcontracting shall be paid by the Client. Client authorizes use of electrical outlets required and necessary current through his meters, at his expense. Client shall, at his own expense, make any necessary repairs or changes to Client's premises, as requested by Company, and agrees to facilitate the installation and operation of the system. Any error or omission in the construction or installation of the system must be notified to the attention of the Company, in writing, within thirty (30) days after completion of installation. Otherwise, the installation shall be deemed totally satisfactory to and accepted by Client. Company assumes no liability for delay in the installation of the equipment, or for interruption of service due to strike, riot, flood, freeze, earthquake, fire, power failure, insurrection, interruption or unavailability of telephone service to Client while interruption of service due to any such cause may continue.

7A. **Service Interruptions: Cost of Restoring:** Client authorizes and empowers Company to maintain and service the aforesaid system to make any necessary inspections, tests and repairs as required. In the case of fire alarm protection, Client will notify Company in writing of any change in its fire rating bureau or agency. If maintenance service has been contracted for, repairs necessitated by ordinary wear and tear shall be at Company's expense excluding battery changes, damages caused by the Client or third party, or damages caused by Acts of God (lightning, power surge, water damage or similar non-equipment failure), which shall be separately billed, and shall be performed as soon as reasonably possible after receipt of notice by Company from Client. Client shall be responsible for testing systems monthly and informing Company of any needed repairs. If time and material service has been requested, any necessary repairs shall be charged to Client at the Company's then prevailing labor and material rates. All necessary inspections, tests, or service calls which may be required on the part of the Company shall be performed between the hours of 9:00 a.m. and 5:00 p.m. on normal business days. Client acknowledges the Company's obligation hereunder relates solely to the maintenance or repair of the specified system and that Company is in no way obligated to insure the operation of the system or to maintain or service Client's property or the property of others to which Company's system is connected. Client is responsible for paying all local, municipal and governmental false alarm fines. Trip charges may be applicable for both maintenance and non-maintenance clients.

7B. **Limited Warranty (System Package):** Company warrants the System to be delivered hereunder to be free from defects in material and/or workmanship for a period of ninety (90) days from the date of original installation. Upon expiration of such warranty period, or in the event such goods are subjected to misuse, negligence, alteration, improper repair, or are operated contrary to printed instructions, all warranty and liability of Company shall immediately cease. If within the period of such warranty, the Client promptly notifies the Company of any claimed defect and it appears to Company that such part or parts are defective, Company will at its option repair such defective part or parts or replace the same with like or similar part or parts. The Company shall be responsible for all transportation and labor charges relating to installation of any replacement part or removal of a defective part. It is expressly understood that the replacement of such defective part or parts by Company shall constitute the sole remedy of Client and the sole liability of Company, whether on warranty, contract, or negligence, and that Company shall not be liable for any other expense, injury, loss or damage, whether direct, incidental or consequential.

No representative of Company has any authority to waive, alter, vary, or add to the terms hereof without prior approval in writing accepted by an authorized representative of Company. All implied warranties including implied warranties of merchantability or fitness for a particular purpose, shall not extend in any way to the system or any part of the system.

SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH MAY VARY FROM STATE TO STATE.

8. **Response to Alarm Signals: Telephone Line Requirements and System Test:**

(a) **Central Station Alarm:** If Company has installed a central station alarm, Client or its designee, shall, without warranty, make every reasonable effort to do the following: (1) Upon receipt of a burglar alarm signal, transmit the alarm to headquarters of the local police authority and notify the Client or his designated representative by calling the telephone number supplied to Company in writing by Client; (2) Upon receipt of holding alarm signal, transmit the alarm to headquarters of the local police authority; (3) Upon receipt of manual, water flow, smoke or automatic fire alarm signal, transmit the alarm to local fire authority and notify Client or his designated representative by calling the telephone number supplied to Company in writing by Client; (4) Upon receipt of a monitoring signal, notify Client or his designated representative by calling the telephone number supplied to Company in writing by Client; (5) Upon receipt of an audio signal indicating an unauthorized entry into Client's premises, Company's operator will make every reasonable effort to identify the source, while warranting treatment notice of said signal to the local police authority and notify the Client or his designated representative by calling the telephone number supplied in writing by Client. In some cases the order or sequence or number of calls made to the Client or Client's designee may be subject to the requirements of local or state jurisdiction governing the Client's site, or the Company.

(b) **Police and Fire Department Connected Alarm:** Client acknowledges that if the signals transmitted from Client premises will be monitored in municipal police and/or fire departments or other locations, that the personnel of such municipal police and/or fire department or other location that are not agents of Company, the Company shall not assume any responsibility for the manner in which signals are monitored or the response, if any to such signals.

(c) **Standard Telephone Line/Signal Interruption:** Client acknowledges that if the system is designed to operate over a standard "Analog" (POTS) telephone line, and in the event the Client's telephone service is out of order, disconnected, transferred to any form of VoIP or other digital, fiber optics or other "non-standard" telephone service or in any other way interrupted, signals from the Client's system may not be received by the Company, and this interruption will not be known by the Company, who shall not be responsible for failure to receive such signals. Client bears responsibility for providing a standard Analog phone line in working order or to notify the Company in the event of transferring phone service to any other non-standard Analog service. Client acknowledges that if a non-standard Analog phone service is established thereby requiring additional monitoring equipment and enhanced communication service, additional installation and monthly monitoring charges will apply in order to modify the Client's system.

(d) **System Testing:** It is recommended that the Client test the operation of their system which includes transmitting a test signal to the central station at a minimum of every thirty (30) days. Failure to do so could result in the Company being unaware of a phone line interruption which could result in alarm signals not being received at the central station. This monthly test is not a substitute for a specifically designed phone line backup system, but is recommended ensuring a long-term phone line outage or system malfunction does not occur.

(e) **Cellular/Radio/GSM/Wireless Signal Transmission:** Client acknowledges that if Wireless Signal Transmission is utilized as the primary, secondary or exclusive signal transmission, and the Cellular/Radio service is in anyway disrupted, no signal transmission will be received from the Client's site. Additionally, unless "Opening/Closing" services are selected by the Client, the Client's system is designed to only transmit signals in the event of an emergency (alarm) event. Without the enabling of Opening/Closing services, neither the Company nor the Client can validate if the Client's system is in the armed (on) state. The Company shall not be responsible for the failure to receive an emergency (alarm) signal event from the Client's site address.

9. **Increase in Monthly Charge:** Company shall have the right, at any time, to apply a monthly administrative billing fee (for non auto-payment Clients) and/or increase the monthly charges provided herein to reflect increases in federal, state and local taxes, utility charges including telephone company charges, and municipal fees and charges, which hereinafter are imposed on Company and which relate to the services provided under this Agreement; and Client agrees to pay such increased monthly charges.

9.1. In addition to the increases set forth above, but no more often than once during any twelve month period, Company shall also have the right to increase the monthly charges called for during the term of this agreement by a percentage equal to 1.1 times the percentage increase in the Department of Labor Consumer Price Index, (all items), since the effective date of this Agreement or since the date of the last such increase pursuant to this sub-paragraph (9.1), whichever date is later; and Client agrees to pay such increased monthly charges.

9.2. As an alternative to sub-paragraph (9.1), but not more than once during any twelve month period, the Company shall have the option to increase the monthly charges provided herein by a percentage not to exceed 20% per year since the date of the last such increase pursuant to this paragraph (9.2). Said 20% per year increase shall be in lieu of all other increases in this year (including an administration fee) provided for in sub-paragraph (9.1). If Client objects to an writing within thirty (30) days from the effective date of the increase being imposed pursuant to this sub-paragraph (9.2), the Company shall have forty-five (45) days to respond following receipt of such written objection. If Company fails to respond to the Client within forty-five (45) days from the Client's written objection, the increase pursuant to this sub-paragraph (9.2) shall be rescinded. If the Client refuses to accept the proposed increase, the Company may choose to reduce the increase in accordance with sub-paragraph (9.1), which Client agrees to pay. Client's failure to object in writing within the said thirty (30) days from the increase pursuant to this sub-paragraph (9.2) shall constitute the Client's acceptance of the increase.

10. **Authorized Personnel: Opening & Closing Schedules:** Client agrees to furnish forthwith a written list of the names, titles, residences and cellular telephone numbers of all persons authorized to arrange an unattended entry and/or sub-entry to enter or remain on the premises periodically scheduled the regularly scheduled alarm period, and/or notified in the event of an alarm. Client agrees to keep such call list current. If Opening and Closing Schedules are included in this Client's service, the Client shall furnish the Company with a written daily/weekly and holiday Opening and Closing Schedules. All changes, revisions and modifications to the above shall be supplied to Company in writing. Failure by the Client to provide the Company with Opening and Closing Schedules shall remove the Client from this service and the only obligation of the Company shall be a refund of the specific charges for this service for up to six (6) months.

11. **Title to Equipment: Removal of System (Company Owned System):** Client acknowledges and agrees that this Agreement is for the providing of service and that except as hereinafter provided, the major components installed herein, including but not limited to transmitters, detection services, bell boxes and controls shall at all times remain the sole property of Company. Upon the expiration of this Agreement or upon any default as herein set forth, Company is authorized to enter upon premises Client and to remove all of the Company owned equipment. Removal of Company owned equipment shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof. Client shall, in such event, return the said Company owned equipment, reasonable wear and tear excepted. If the Client removes or disposes of any Company owned equipment, the Client shall be liable to Company for the replacement value of such equipment. If Client removes the Company owned equipment, the Client acknowledges there will be a charge applied (equipment charge) equal to the current market value for all major components, and the Client agrees to these charges.

Upon completion of the installation, title to all of the non-recoverable equipment, materials, supplies including but not limited to, wire, cable, foil, conduit, screens and the labor for the installation of the system shall vest in the Client. Notwithstanding the foregoing, during the term of this Agreement, the Client agrees to not damage, encumber, tamper with or dispose of any portion of this system or permit the system to be damaged, encumbered, taken from the premises, tampered with or repaired by anyone who is not an authorized agent of Company. In the event of loss or damage to any portion of this system, whether owned by the Company or Client, Client agrees to pay Company the reasonable value for the replacement or repair of the Company owned equipment or the installation on the Client's premises. Client agrees that the installation of the Company owned equipment does not create a fixture to Client's premises as to that equipment. The Client acknowledges that a Company Owned System does not include maintenance/repair services if available for an additional monthly charge.

12. **Suspension or Cancellation of this System/Service:** This Agreement may be suspended or canceled, without notice at the option of Company, if Company's or Client's premises or equipment is destroyed by fire or other catastrophe, or is substantially damaged that it is impractical to continue service, or in the event Company is unable to render service as a result of any action by any governmental agency.

13. **Delinquency & Remedial Charges: Interest Charges:** In the event the payment due hereunder is more than ten (10) days delinquent, Company may impose and collect a delinquency charge of 1.50% per month (18% per annum), or the highest amount under law, whichever is less, of the amount of the delinquency. Client acknowledges and agrees that the delinquent payment or nonpayment of the amounts due hereunder may be deemed by the Company to be a material breach of contract on the part of Client, and, at Company's option, in addition to all other legal remedies available, shall excuse it from further performance under this Agreement, upon the giving of ten (10) days written notice to Client. Company's excuse from performance shall not affect its right to recover all amounts owing pursuant to this Agreement including damages from Client or to recover Company owned equipment from Client's premises. If the system is deactivated because of Client's past due balance, and if Client desires to have system reactivated, Client agrees to pay in advance to Company a reactivation charge to be fixed by Company in reasonable amount.

14. **Change in Ownership of Client's Premises:** Client acknowledges that the sale or transfer of Client's premises shall not relieve Client of his duties and obligations under this Agreement. Client may not assign this Agreement or permit anyone to take subject to this Agreement without written consent of the Company.

15. **Assignment/Subcontracting of Contract:** Company shall have the right to assign this Agreement to any other person, firm or corporation without notice to Client and shall have the further right to subcontract any installation and/or services, including monitoring, which it may perform. Client acknowledges that this Agreement, and particularly these paragraphs relating to Company's disclaimer of warranties, maximum liability, limitation of liability, and third party indemnification, inure to the benefit of and are applicable to any assignees and/or subcontractors, and they bind Client with respect to said assignees and/or subcontractors with the same force and effect as they bind Client to Company.

16. **Default by Client:** If the Client fails to make any payment to agreed herein, or becomes insolvent, or makes an assignment for the benefit of creditors, or a petition is filed by or against the Client under the Bankruptcy Act or any amendment thereto, including a petition for reorganization, arrangement or composition, or if any representation, warranty or financial information made or submitted by Client shall be untrue or unperformed in any material respect, or if Client defaults hereunder in any other respect, the entire amount due under this Agreement for the balance of the Agreement period shall become immediately due and payable.

In the case of a Company Owned System, the Client hereby consents, in the event of default or non-renewal of this Agreement, to the Company immediately entering the aforesaid premises or any other premises where the property of said Company is to be located for the purpose of removing the equipment belonging to the Company. Upon the expiration of this Agreement or any other contingency set forth herein, the Company may immediately enter said premises and remove the equipment of the Client without liability for damage to person or property arising out of such entry or taking of possession. Removal of the equipment by the Company shall not be considered to constitute a waiver of any of the rights under the terms of this Agreement, nor shall the Company be liable for any actual damage caused to the premises by installation or removal of its equipment. Client acknowledges and agrees that the equipment of which the system is composed is totally interchangeable with Company's inventory, and therefore the Company has no obligation to place or use said equipment in any other system before using any of its other inventory, nor any obligation to account for or credit Client with the value of use of any such removed equipment. Company shall not be responsible for damages caused to Client's premises by reason of the removal of the system from Client's premises.

17. **Company is Not an Insurer: Limitation of Liability:** It is understood and agreed that Company is not an insurer, but that insurance, if any, shall be obtained by Client; that the payments provided for herein are based on the value of the service as set forth herein and are unrelated to the value of the Client's property or the property of others located on the Client's premises, that Company makes no warranty or warranty, including any implied warranty of merchantability or fitness that the equipment or services supplied will avert or prevent occurrence or the occurrence of them from which the system or service is designed to detect or avert. Client acknowledges that it is impractical and extremely difficult to fix the actual damages, if any, which may be proximately caused by a failure to perform any of the obligations herein, including, but not limited to installation, service, maintenance or monitoring or the failure of the system to properly operate with resulting loss to Client because of, among other things: (a) The inherent amount of or value of the Client's property or the property of others located on the premises which may be lost, stolen, destroyed, damaged or otherwise affected by occurrences which the system or service is designed to detect or avert; (b) The uncertainty of the response time of any police or fire departments should the police or fire departments be dispatched as a result of a signal being received or an audible device sounding; (c) The inability to ascertain what portion, if any, of any loss would be proximately caused by Company's failure to perform or by its equipment to properly operate; (d) The nature of the service to be performed by Company.

Client understands and agrees that if Company should be found liable for personal injury or property loss or damage from failure of Company to perform any of Company's obligations herein, including, but not limited to, installation, maintenance, monitoring, service or the failure or malfunction of the system or equipment in any respect whatsoever, Company's liability shall be limited to a sum equal to the total of six (6) monthly payments or Two Hundred Fifty (\$250.00) Dollars, whichever is lesser, and this liability shall be exclusive, and that the provisions of this Section shall apply if loss or damage, irrespective of cause or origin, results directly or indirectly to persons or property from performance or nonperformance of any obligation imposed by this contract or from negligence, active or otherwise of Company, its agents, servants, assigns or employees.

18. **Third Party Indemnification:** In the event any person, not a party to this Agreement, shall make any claim, or file any lawsuit against Company for any reason relating to Company's duties and obligations pursuant to this Agreement, including but not limited to the design, installation, maintenance, operation or non-operation of the system, Client agrees to indemnify, defend and hold Company harmless from any and all claims and lawsuits, including the payment of all damages, expenses, costs and attorney's fees, whether those claims be based upon alleged intentional conduct, active or passive negligence, express or implied contract or warranty, contribution or indemnification, or strict or product liability on the part of Company, its agents, servants, assigns or employees.

This Agreement by Client to indemnify Company against third party claims as hereinafter set forth shall not apply to losses, damages and liability resulting in injury or death to third persons or injury to property of third person, which losses, damages and liability occur while an employee of Company is on Client's premises and which losses, damages and liability are solely and directly caused by the acts of said employee.

19. **Hazardous Activities:** You have the affirmative duty to inform us, prior to beginning installation, of every location in the premises where we should not (because of concealed obstructions or hazards such as pipes, wires or subvocal) enter, wires or drill holes. Unless so notified, we will determine where to drill holes and place equipment. We will take reasonable precautions to avoid concealed obstructions, but have no means of determining with certainty if they exist. If asbestos or other health hazardous material is encountered during installation, we will cease work until you have, at your sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to our personnel. In no case shall we be liable for discovery or exposure of hidden asbestos or other hazardous material.

20. **Client's Purchase Order:** Client acknowledges that if there is any conflict between the Agreement and Client's purchase order or any other document, this Agreement will govern, whether such purchase order or other document is prior or subsequent to this Agreement.

21. **Attorney's Fees:** In the event it shall become necessary for Company to institute legal proceedings to collect the cost of installation or the monthly service charge as set forth herein, then in such proceeding the unsuccessful party shall pay to the successful party reasonable attorney's fees where permitted by law.

22. **Invalid Provisions:** In the event any of the terms or provisions of this Agreement shall be declared to be invalid or unenforceable, all of the remaining terms and provisions shall remain in full force and effect.

23. **Notice:** All notices to be given hereunder shall be in writing and may be served, either personally or by mail, postage prepaid.

24. **Gender:** Whenever the context requires in this Agreement, the masculine gender herein used shall include the feminine and the singular shall include the plural.

25. **Paraphrase Herein:** The paragraph titles used herein are for the convenience of the parties only and shall not be considered in construing the provisions of this Agreement.

26. **Prior Agreements:** Client warrants and represents that the Client is not under any enforceable agreement with any other party concerning systems of any kind and described installed at the premises and furthermore Client agrees to indemnify and save harmless Company against all claims, demands, suits, expenses and damages by judgment or otherwise, which may now and hereafter be incurred as a result of or arising out of any agreement that Client may have entered into with any party concerning any such systems of every kind and description. Client will pay all sums, including reasonable attorney's fees, for the defense of such claim or suit and reasonable attorney's fees incurred in the enforcement of this indemnity provision.

27. **Entire Integrated Agreement: Modification: Alteration: Waiver:** This writing is intended by the parties as a final expression of their Agreement and as a complete and exclusive statement of the terms thereof. This signed Agreement supersedes all prior representations, understandings or agreements of the parties both written and verbal and the parties rely only upon the contents of this Agreement in executing it.
