I am in the process of delivering to you the evaluation forms for the Workers' Compensation Excess Insurance. Originally it was assumed that we we had received 2 proposals for this project, RFP #13-155-11-20-YSI, from Montalvo Insurance Agency and The Klement Agency. After reviewing both proposals, it was determined that The Klement Agency was submitting a proposal to set up a network for the County's Workers' Comp. Program. This proposal was disqualified for not meeting the basic requirements of the RFP. Consequently, Montalvo Insurance Agency was the only proposal evaluated and scored. In addition to the evaluation forms I will also include the Quote that was selected.

Thank you.
