RE: Change Order No. 1 (ONE) – Regal Estates Subdivision; CSJ: 3C1080606

Dear Ms. Sanchez/ Mr. Peralez:

Attached please find Change Order No.1 regarding the above referenced 3<sup>rd</sup> Call project for your review and concurrence. Change Order No.1 calls for the revision of roadway cross section from bar ditch to curb and gutter section along Thompson road. This will include drainage structures. The County installed a main drainage trunk along Bentsen Palm Road and we are proposing to connect to that line and outfall south of Thompson Road to a nearby drain ditch. With this change order the drainage flow along Thompson Road will be improved. There will be additional contract days required for the additional items. Please refer to the attached schedule of values for the additional drainage structures.

If the Change Order meets your approval, please provide a concurrence letter. If you need additional information please contact me at my office 956/787-1891.

Cordially,

Agapito Vargas Jr., Director  
Hidalgo County Colonias Access Program
