MEMORANDUM

Re: Authorization to Clear Encroachment of County Right-of-Way

C: Raul Lozano, Chief Administrator, Pct. 1
Roy Gonzales, Right-of-Way Agent, Pct.1
T.J. Arredondo, Planning Supervisor

Attached, please find two different correspondences to the same property owner requesting that he relocate the encroaching fence line from the right-of-way in question. As of the date of this memo the fence has not been relocated, therefore, on behalf of the precinct we are requesting authorization from the Court to remove/relocate the fence through County resources.

In your package you will also find the authority to take such action evidenced by research conducted by Josephine Ramirez Solis, Assistant District Attorney. There is also a topographical map prepared by our office that shows the encroachment in question.

County staff recommends approval of the authorization to remove/relocate any obstructions along the right-of-way of this county road.

Thank You.
