News You Can Use

PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges such as your telephone line, and fees and surcharges MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$3267.20. Also, neglecting payment for other charges, such as long distance, voice mail, InLine®, wireless, and Internet may result in those services being interrupted.

LONG DIST. PROVIDERS

Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

CHANGES IN TERMS

Any proposed changes in rates or terms of basic network services are published in the Texas Register (www.sos.state.tx.us) through the office of the Secretary of State. Direct notice from AT&T Texas may be obtained by leaving your name, number and address in the voice mailbox at 1.800.577.7145.

800/900 SERVICES

Per-line or per-call blocking does not prevent transmission of your telephone number when you call a company using an 800, 888, another toll-free prefix, or a 900 number. Therefore, your number may be available to that company's service representative before your call is answered.

UNIVERSAL SVC FEE

The Federal Universal Service Fee increased on 1/1/2014. This fee supports telecommunication needs of low-income households, consumers living in high-cost areas, schools, libraries and rural hospitals. Your current bill reflects the change. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

Per-line or per-call blocking does not prevent transmission of your telephone number when you call a company using an 800, 888, another toll-free prefix, or a 900 number. Therefore, your number may be available to that company's service representative before your call is answered.

UNIVERSAL SVC FEE

The Federal Universal Service Fee increased on 1/1/2014. This fee supports telecommunication needs of low-income households, consumers living in high-cost areas, schools, libraries and rural hospitals. Your current bill reflects the change.
