Mr. Salazar,

Thank you for your request for assistance. As a matter of clarification, there was No Action taken with regard to the agenda item you referenced; nor any court action with regard to an application process with TxDot. As such, our office would recommend that there be an agenda item creating the CERTZ, prior to, or in tandem with the creation and/or appointment of an Advisory Board, so that the Court can take appropriate action.

In the interim, we will research and review the proposed order. Do you have a deadline our office should be aware of.
