RE: Notice of termination of Association between Perdue, Brandon, Fielder, Collins & Mott, LLP
and The Law Offices of John David Franz

Dear Judge Garcia:

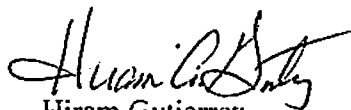

On February 17, 2014, the Law Offices of John David Franz ("Franz") notified Perdue, Brandon, Fielder, Collins & Mott, LLP ("Perdue Brandon") that it has elected to terminate its association with Perdue Brandon. Both firms, collaborating together, have enjoyed and appreciated the opportunity to represent you over the past 7 or 8 years.

While the association has existed, Perdue Brandon and Franz have diligently represented your interests in delinquent tax collection and related matters. Following Mr. Franz's termination of the association, both firms will be available to assist you as you may desire.

We anticipate that the association between Perdue Brandon and John David Franz will continue on an interim basis, while we work toward a resolution of our business relationship. At all times, your interests will be fully protected. Perdue Brandon and John David Franz will continue to provide the highest level of tax collection legal services without interruption as the association is dissolved.

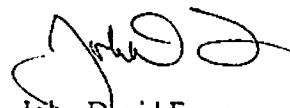

If you have any questions, you are welcome to contact us.

Very Truly Yours,

Hiram Gutierrez
