Marty,

I know we discussed the protocol issue, but no sure we ever discussed approval on the attached contract. Nevertheless, I have reviewed the attached iplow agreement and approve as to the form of the agreement.

Thanks,

Ms. Josephine:

First of all, I'd like to establish some type of protocol with you. When requesting DA's Office assistance with procurement issues, would it be best to address them to you and in turn they will be assigned to the attorney you decide is best available?

As for this request. Back in 2011, the item attached was approved by CC (based on as caption states on quotes) and thereafter to be continued until either party terminates. However, at that time, HC did not as a matter of procedure have our consent item (small agreements) reviewed as to form by legal counsel. Although I am requesting that such agreement be not review and commented upon as to form, we find that the County Clerk did not provide the other two (required quotes as is noted in our HC Purchasing Policies & Procedures). PO have been issued, honored and paid for 2011 and 2012. Can we proceed to just get the agreement reviewed and since CC accepted and awarded original of 2011 do we need to acquire the quotes now? Let us know what you think?
