Mr. Ashburn
 I have received comments from our legal counsel's review of Superior Alarms Commercial Alarm Monitoring Agreement including Terms & Conditions. The main issues are the following

1. Provision of Article-III- Automatic renewals need to be accompanied by a termination option by giving SA a thirty (30) day written notice
2. Provision of Article-IVB- Texas Constitution does not permit a County to indemnify any one
3. Provisions IV-D & IV-F- Refers to limiting damages- This is not something the County as written will accept

I strongly recommend that you provide these concerns with your legal counsel as I do not believe our legal will accept discussing legal issues and concerns with staff unless they happen to be an attorney representing SA. We are very committed and prepared to attempt to come to some amenable resolution so as to proceed to purchase the monitoring service needed by so many Hidalgo County departments.

Yours truly
 Marty S
