Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of January 2012

Dear Judge Contreras:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2012 were $82,763.45. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 5 receipts contained an error in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that a mail log is not utilized to record payments received through the mail.

The County Auditor's Office requires that mail-in payments be listed on a daily mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number.

Formal monitoring procedures were not in place to ensure that a daily mail log was maintained to record payments received through the mail. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that a daily mail log is maintained to record payments received through the mail.

Observation No. 3:
We noted during our review that a credit card transaction received on January 24, 2012 was not promptly receipted. The transaction was receipted until February 21, 2012.

The County Auditor's Office requires that all cash (i.e. cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts.

Formal procedures have not been developed and implemented to ensure that credit card transactions are promptly receipted. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that credit card transactions are promptly receipted.

Please provide written management response to the observations noted above by March 9, 2012.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Duran, MBA, Director of Audit, at ext. 4645 or me at ext. 4604.

Sincerely,

Ray Eufracio, CPA

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of February 2012

Dear Judge Ochoa:

We have conducted a limited scope review of the *Monthly Fines and Fees Reports* and supporting documentation for the month of February 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedures Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of February 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal date of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of February 2012 were $107,346.95. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the period in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 40 receipts for the month ended February 29, 2012, contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date; and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that procedures for processing mail receipts require improvement. Mail logs were not prepared on a daily basis.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day. An employee other than the cashier should verify that an official County receipt was issued for each mail-in payment. The employee conducting this verification must sign and date the mail log to document responsibility for the verification.

Formal monitoring procedures were not in place to ensure mail-in payments were properly processed. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that all mail-in payments are properly processed. At a minimum, procedures noted above should be implemented.

Observation No. 3:
We noted during our review that 4 cash bonds posted by defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th day following the date of their release from jail. The bonds were received between December 10, 2010 through July 13, 2011(see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th day following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th day following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th day following the date of their release from jail.

Please provide written management response to the observations noted above by March 7, 2012. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of February 2012

Dear Judge Jasso:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of February 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of February 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* and County Treasurer receipts to determine if fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within 5 days after the last day of each month.
- Reviewed receipts, Close-Out reports, *Schedule of Receipts and Deposits*, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of February 2012 were $23,368.80. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 5 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, & court costs are properly allocated & reported. The County may be held liable to the State for failure to properly allocate &report fines, fees, & court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 7 cash bonds posted by defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th day following the date of their release from jail. The bonds received were dated November 10, 2011 through January 10, 2012(see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th day following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th day following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th day following the date of their release from jail.

Observation No. 3:
We noted during our review that mail logs were not properly completed. The individuals responsible for preparing the mail log and verifying that an official County receipt was issued for each mail-in payment does not sign and date the mail log to document responsibility for the verification.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day. An employee other than the cashier should verify that an official County receipt was issued for each mail-in payment. The employee conducting this verification must sign and date the mail log to document responsibility for the verification.

Formal monitoring procedures were not in place to ensure mail-in payments were properly processed. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that all mail-in payments are properly processed. At a minimum, procedures noted above should be implemented.

Observation No. 4:
We noted during our review that a credit card transaction received on February 23, 2012 was not promptly receipted. The transaction was receipted until March 1, 2012.

The County Auditor's Office requires that all cash (i.e. cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts.

Formal procedures have not been developed and implemented to ensure that credit card transactions are promptly receipted. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that credit card transactions are promptly receipted.

Please provide written management response to the observations noted above by March 30, 2012. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, MBA, Director of Audit, at ext. 4645, or me at ext. 4604.

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of April 2012

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of April 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of April 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* and County Treasurer receipts to determine if fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of April 2012 were $18,504.12. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 11 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibits A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 3 cash bonds posted by defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th workday following the date of their release from jail. The bonds were received between November 10, 2011 through January 25, 2012(see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Please provide written management response to the observations noted above by June 8, 2012. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

The Honorable Homero A. Jasso

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of August 2012

Dear Judge Jasso:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of August 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of August 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* and County Treasurer receipts to determine if fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within 5 days after the last day of each month.
- Reviewed receipts, Close-Out reports, *Schedule of Receipts and Deposits*, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of August 2012 were $21,148.85. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 6 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, & court costs are properly allocated & reported. The County may be held liable to the State for failure to properly allocate &report fines, fees, & court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that, at times, mail logs did not contain the signature of the employee responsible for verifying that an official County receipt was issued for each incoming mail-in payment.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day. In addition, the employee responsible for verifying that an official County receipt was issued for each incoming mail-in payment must provide his/her signature on the mail log as acknowledgment of the verification.

Formal monitoring procedures were not in place to ensure mail-in payments were properly processed. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that mail-in payments are properly processed. Please refer to the mail log section of the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office for the minimum procedures to be implemented for processing mail-in payments.

Please provide written management responses to the observations noted above by October 5, 2012.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650,

Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of October 2012

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of October 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of October 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Reports* to verify proper completion.

Conclusion:
Total collections for the month of October 2012 were $33,455.10. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 8 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide written management response to the observation noted above by December 7, 2012.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of November 2012

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of November 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of November 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* and County Treasurer receipts to determine if fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of November 2012 were $30,243.96. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the

system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 16 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that the *Monthly Fines & Fees Report* was not submitted to the County Auditor's Office in a timely manner. The November 2012 *Monthly Fines & Fees Report* was submitted 7 days after the fifth workday following the end of the month.

Local Government Code § 114.001 (b) states, "A monthly report must be filed within five days after the last day of each month." Timely submittal of the *Monthly Fines & Fees Report* helps ensure the proper accounting and accurate projection of county revenues.

Formal monitoring procedures have not been developed and implemented to ensure the *Monthly Fines & Fees Report* is submitted in a timely manner. This may result in the improper accounting and inaccurate projection of County revenues.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure the *Monthly Fines & Fees Report* is submitted in a timely manner.

Observation No. 3:
We noted during our review that 1 cash bond posted by defendant who failed to appear before the Justice of the Peace was not forfeited (liquidated) by the 10th day following the date of their release from jail. The bond was received on October 26, 2012 (see Exhibit B).

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th day following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th day following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th day following the date of their release from jail.

Please provide written management response to the observations noted above by January 18, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of December 2012

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of December 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of December 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Reports* to verify proper completion.

Conclusion:
Total collections for the month of December 2012 were $22,003.15. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 11 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide written management response to the observation noted above by January 31, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Honorable Sheriff Guadalupe Trevino
Hidalgo County Sheriff
711 El Cibolo Rd.
Edinburg, Texas 78540

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month July 2013

Dear Sheriff Trevino:

We have conducted a limited scope review of the *Monthly Fees Report* and supporting documentation for the month July 2013 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of July 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fee schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001(b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fees were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fees Report* agreed to: 1.) total receipts issued, 2.) total deposits made with the County Treasurer, and 3.) total deposits posted to *alio's* various general ledger accounts.
- Reviewed direct deposits noted on the bank statement to ensure the direct deposits were timely remitted to the County Treasurer's Office.

- Verified the sequence of receipts per the *Monthly Fees Report* agreed to the receipts issued. In addition, verified that receipts followed sequential order.
- Reviewed the *Weekly Remittance Report* and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer's Office on a weekly basis.
- Reviewed receipts and the *Monthly Fees Report*, among other supporting documentation, to verify proper completion of the monthly report.

Conclusion:
Total collections for the month of July 2013 were $84,192.66. Based on the results of our review, we have concluded that fees were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fees requires improvement as noted in the following observation.

Observation No. 1:
We noted during our review that, at times, receipts were not properly completed. Receipts, at times, did not specify the form of payment received (e.g., cash, check, etc.).

The County Auditor's Office requires that official receipt forms contain sufficient information to create an adequate audit trail. At a minimum, the official receipt must include the date, payer name, form of payment (e.g., cash, check, or credit card), check number, amount, description/purpose of payment, and the initials or signature of the cashier.

Formal procedures have not been implemented to ensure that official receipt forms contain sufficient information to create an adequate audit trail. This may result in the loss or misuse of County funds.

Recommendation:
Management should implement formal procedures to ensure that official receipt forms contain sufficient information to create an adequate audit trail. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
We noted during our review that receipts were not properly voided. At times, void receipts did not contain an explanation for the void and the supervisor's signature of approval.

The County Auditor's Office requires that approval of a void receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisor should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all other copies of the voided receipt are securely attached together.

Formal monitoring procedures have not been implemented to ensure that receipts are properly voided. This may result in the loss of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

Please provide written a management response to the observations noted above by September 30, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Enfracio, CPA

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of August 2013

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of August2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of August 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total

deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the *Monthly Fines and Fees Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Fines and Fees Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:

Total collections for the month of August 2013 were $37,220.50. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:

We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 60 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:

Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:

We noted during our review that 10 of the 20 *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of August 2013 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted 2 to 6 days after the bank deposit was made.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated

deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis. Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Please provide written management responses to the observations noted above by November 22, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Ray Eufracio, CPA

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of June 2013

Dear Judge Saenz:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of June 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of June 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the *Monthly Fines and Fees Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Fines and Fees Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of June 2013 totaled $62,626.55. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 16 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs, in *AbleTerm,* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Please provide a written management response to the observations noted above by August 23, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of October 2013

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of October 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of October 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total

deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the Monthly Fines and Fees Report agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Fines and Fees Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of October 2013 were $38,244.77. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 34 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A). According to the Justice of the Peace staff, fees are assessed based on information provided by *AbleTerm.* Only 2 of 4 cashiers are able to recognize if fees were improperly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
A copy of the Office of Court Administration's "Official JP Monthly Report" (OCA Report) for the month of September 2013 has not been filed with the County Auditor's Office. In addition, a corrected copy of the October 2013 OCA Report needs to be filed. According to staff, they were not aware that corrections needed to be made; however, the required OCA Reports would be submitted to the County Auditor's Office.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the

revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Failure to ensure that properly completed OCA Reports are filed with the County Auditor's Office within five days after the last day of each month may result in the improper recognition of revenues.

Recommendation:
Management should ensure that properly completed OCA Reports are filed with the County Auditor's Office within five days after the last day of each month.

Observation No. 3:
The *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of October 2013 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 10 days after the bank deposit was made. According to staff, phone line issues caused difficulty in sending the Close-Out Reports to the County Treasurer's Office via fax. The Close-Out Reports are now being sent to the County Treasurer's Office via e-mail to improve management's control that Close-Out Reports are submitted timely.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). A cut-off time should be established for performing the daily close-out procedures and depositing the day's collections. The department should continue to receipt cash collected after the established cut-off time. Cash collected after the established cut-off time should be safeguarded until it is deposited the next business day. Once the daily balancing procedures have been completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to ensure that properly completed Close-Out Reports are submitted to the County Treasurer's Office on a daily basis may result in the improper accounting of County funds.

Recommendation:
Management should ensure that a properly completed Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Observation No. 4:
We noted during our review that the Close-Out Reports were not properly completed. Part III of the Close-Out Report did not contain the signature of the individual responsible for verifying that the deposit amount per the bank validated deposit slip agreed to the deposit amount noted on the Close-Out Report. According to Justice of the Peace staff, they were not aware that the signature was required; however, the signature would now be obtained.

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report). As part of the reconciliation procedures, the individual responsible for verifying that the deposit amount per the bank validated deposit slip agrees to the deposit amount noted on the Close-Out Report, must provide his/her signature on Part III of the Close-Out Report.

Failure to ensure that the signature of the individual responsible for verifying that the deposit amount per the bank validated deposit slip agrees to the deposit amount is noted on the Close-Out Report increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that the signature of the individual responsible for verifying that the deposit amount per the bank validated deposit slip agrees to the deposit amount is noted on the Close-Out Report.

Please provide written management responses to the observations noted above by January 24, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Gricelda Quintero, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of November 2013

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of November 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of November 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total

deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the Monthly Fines and Fees Report agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Fines and Fees Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of November 2013 were $21,890.24. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 19 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A). According to the Justice of the Peace staff, fees are assessed based on information provided by *AbleTerm.* Only 2 of 4 cashiers are able to recognize if fees are improperly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
A corrected copy of the November 2013 Office of Court Administration's "Official JP Monthly Report" (OCA Report) has not been filed with the County Auditor's Office. According to staff, they were not aware that corrections needed to be made; however, the required OCA Report will be submitted to the County Auditor's Office, as soon as possible.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the

revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that a properly completed November 2013 OCA Report is filed with the County Auditor's Office, as soon as possible.

Observation No. 3:
The *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of November 2013 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 12 days after the bank deposit was made. According to staff, phone line issues caused difficulty in sending the Close-Out Reports to the County Treasurer's Office via fax. Therefore, the Close-Out Reports will now be sent to the County Treasurer's Office via e-mail.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). A cut-off time should be established for performing the daily close-out procedures and depositing the day's collections. The department should continue to receipt cash collected after the established cut-off time. Cash collected after the established cut-off time should be safeguarded until it is deposited the next business day. Once the daily balancing procedures have been completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to ensure that Close-Out Reports are submitted to the County Treasurer's Office on a daily basis may result in the improper accounting of County funds.

Recommendation:
Management should ensure that a Close-Out Reports are submitted to the County Treasurer's Office on a daily basis.

Please provide written management responses to the observations noted above by January 31, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of January 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of January 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of January 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of January 2014 were $71,320.70. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 15 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A). All revisions have been made.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
We noted during our review that 7 of 16 *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of January 2014 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 15 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted on a daily basis, however, there are times when they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted that a copy of the January 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" has not been filed with the County Auditor's Office, as of today. According to staff, they have not had time to generate the OCA's "Official JP Monthly Report" due to a heavy workload.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report, Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that a copy of the January 2014 OCA's "Official JP Monthly Report" is submitted to the County Auditor's Office no later than April 11, 2014.

Observation No. 4:
A mail log was not maintained during the month of January 2014 to record mail-in payments. According to staff, no mail-in payments were received for the month in review thus, they believe that if no mail is received for that day, a mail log should not be prepared. However, the County Auditor's Office required that if no mail-in payments were received, the mail log should indicate that "no mail-in payments" were received.

The County Auditor's Office requires that mail-in payments be listed on a daily mail log. In addition, the individual responsible for issuing receipts should verify that an official County receipt was issued for each incoming mail-in payment. The person conducting this verification should provide his/her signature on the mail log as acknowledgment of the verification.

Failure to ensure that a mail log is prepared on a daily basis may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a mail log is prepared on a daily a basis. At a minimum, the procedures noted above should be implemented. Please refer to the mail log section of the "Cash Handling Policy, Guidelines, and Procedures" prescribed by the County Auditor's for the minimum procedures to be implemented in order to ensure adequate internal controls for the safeguarding of public funds.

Please provide written management responses to the observations noted above by April 11, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of January 2014

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total

deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the *Monthly Fines and Fees Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Fines and Fees Report,* among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of January 2014 were $42,603.60. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 42 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A). All revisions have been made.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of patrons. In addition, some adjustments are due to fee codes set up in error on their receipting system, *AbleTerm.*

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
We noted during our review that 6 of 21 *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of January 2014 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 3 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted late since they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). Once

the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
A copy of the January 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" has not been filed with the County Auditor's Office, as of today. In addition, an incorrect copy of the August 2013 OCA "Official JP Monthly Report" was filed with County Auditor's Office. According to the Justice of the Peace staff, the OCA reports are being prepared and will be submitted to the County Auditor's Office, as soon as possible.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that correct copies of the August 2013 and January 2014 OCA "Official JP Monthly Reports" are filed with the County Auditor's Office by April 16, 2014.

Please provide written management responses to the observations noted above by May 2, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of February 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of February 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of February 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of February 2014 were $82,577.90. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 32 receipts contained errors in the allocation of fees, fines, and court costs. According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
We noted during our review that 11 of 19 Close-Out Reports for the month of February 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 4 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted on a daily basis, however, there are times when they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
Copies of the January 2014 and February 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" have not been filed with the County Auditor's Office, as of today. According to staff, they have not had time to generate the OCA's "Official JP Monthly Report" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that copies of the January 2014 and February 2014 OCA's "Official JP Monthly Report" are submitted to the County Auditor's Office by April 17, 2014.

Observation No. 4:
We noted during our review that 11 of 20 Close-Out Reports were not properly completed. *Part III Acknowledgment and Approval* did not contain the signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report collections amount. According to the Court Coordinator, limited staff prevents them from obtaining and documenting the requested signature.

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report). As part of the reconciliation procedures, the signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report should be noted on *Part III Acknowledgment and Approval.*

Failure to ensure that the signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report collections amount is obtained and documented on the Close-Out Report increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report is obtained and documented on the Close-Out Report. Please refer to the *Cash Handling Guidelines and Procedures* for specific procedures to follow while completing the Close-Out Report.

Please provide written management responses to the observations noted above by April 30, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to Ableterm's Daily Balance Report to ensure all online credit card transactions were timely receipted by the JP and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the JP were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of March 2014 were $60,107.55. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 21 receipts contained errors in the allocation of fees, fines, and court costs. The JP staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made.

According to the JP staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 15 of 21 Close-Out Reports prepared during the month of March 2014 were not submitted to the County Treasurer's Office on a daily basis made. The Close-Out Reports were submitted from 2 to 14 days after the bank deposit was made. According to the JP staff, the Close-Out Reports are submitted on a daily basis; however, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted that copies of the January 2014 through March 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" have not been filed with the County Auditor's Office, as of today. Furthermore, incorrect copies of the May 2012, June 2012, July 2012, and December 2012 OCA's "Official JP Monthly Reports" have been filed with the County Auditor's Office. According to staff, they have not had time to generate the OCA's "Official JP Monthly Reports" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the JP Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that correct copies of the May 2012, June 2012, July 2012, December 2012, and January 2014 through March 2014 OCA's "Official JP Monthly Reports" are submitted to the County Auditor's Office by May 16, 2014.

Observation No. 4:
We noted during our review that 13 of 26 online credit card transactions received during the month of March 2014 were not promptly receipted. The online credit card transactions were receipted 2 to 10 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Please provide written management responses to the observations noted above by May 16, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of March 2014

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Report* and all supporting documentation for the month of March 2014 in accordance with Local Government Code §115.002(a) and §115.002(b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of March 2014. The review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing the review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2014 were $3,712.00. Based on our results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. A review of the County's financial records indicated that the fee has been collected since at least 1992. Commissioners Court approved increase of the park entrance fee from $2.00 to $4.00 on March 23, 1993. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted has not been provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on Saturdays and Sundays. The park entrance fee is also waived from vehicles entering the park after the Daily Close-Out Report and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas' staff, a waiver policy will be presented to Commissioners Court.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fee may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that that park entrance fees are properly collected. At a minimum, evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained.

Observation No. 2:
We noted during our review that some parking entrance tickets were not initialed or dated by the cashier responsible for issuing the park entrance ticket. According to staff, on occasion, they forget to initial and date the park entrance tickets.

In order to provide for an adequate audit trail, the County Auditor's Office requires that cashiers initial, sign and date each park entrance ticket issued by him/her.

Failure to ensure that park entrance tickets are initialed by the cashier responsible for issuing the park entrance ticket may result in the loss or misuse of County funds.

Recommendation:
Management should remind cashiers to ensure that park entrance tickets are initialed and dated by the cashier responsible for issuing the park entrance ticket.

Please provide a written management response to the observations noted above by May 16, 2014.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

The Honorable A.C. Cuellar, Jr.
Hidalgo County Commissioner Pct. No. 1
1902 Joe Stephens Suite 101
Weslaco, Texas 78596

RE: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation For the Month of March 2014

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of March 2014 were $630.00. Based on our results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012 the park entrance fees have been waived from Monday through Saturday. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:
Commissioners Court approval to waive the park entrance fee should be obtained.

Please provide a written management response to the observation noted above by May 21, 2014.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Mr. Juan Martinez
Hidalgo County Fire Marshal

Edinburg, Texas 78539

Ref: Review of *Monthly Report* and Supporting Documentation
For the month of March 2014

Dear Mr. Martinez:

We conducted a limited scope review of the *Monthly Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope and Methodology:
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance,* and *Monthly Report* to verify proper completion.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of March 2014

Dear Ms. Chapa:

We have conducted a limited scope review of the *Monthly Fees Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance/Close-Out Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance/Close-Out Forms,* and *Monthly Fees Report* to verify proper completion.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the Month of March 2014

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct 1 *Monthly Fees Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Weekly Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Weekly Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2014 were $1,595.00. Based on the results of our review, we have concluded that generally fees collected were properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No.1:
Odyssey, the County's justice/receipting information system, was installed and training regarding its use was provided to the Constable's staff. However, we noted that *Odyssey* was not utilized to receipt collections. Instead, manual official County receipts were issued. In addition, the manual receipts were not subsequently entered into *Odyssey*. According to staff, training has been requested from the Information Technology Department; however, training has not been provided.

The County Auditor's Office requires that a computerized receipting system be used, if available, to receipt collections. Manual receipts should only be utilized if the computerized receipting system is non-operational. If a department with a computerized receipting system uses manual receipts, those manual receipts must be entered into the computerized receipting system as soon as possible, but in no event later than the next business day after the computerized receipting system is operational. Each manual receipt and corresponding computer-generated receipt should be cross-referenced.

Failure to utilize Odyssey to receipt collections may result in the improper accounting and reporting of County revenues.

Recommendation:
Management should contact Information Technology Department and request that *Odyssey* training be provided to the applicable employees.

Please provide a written management response to the observation noted above by May 23, 2014.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

The Honorable Martin Cantu
Hidalgo County Constable, Precinct 2
300 W. Hall Acres, Ste. E
Pharr, TX 78577

Ref: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of March 2014

Dear Constable Cantu:

We have conducted a limited scope review of the Constable Precinct 2 *Monthly Fees Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Form,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2014 were $1,700.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of March 2014

Dear Constable Gaitan Jr.:

We have conducted a limited scope review of the Constable Precinct 4 *Monthly Fees Report* and all supporting documentation for the month of March 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by the Constable Precinct 4 Office on the *Monthly Fees Report* for the month of March 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Form,* and *Monthly Fees Report* to verify proper completion.

Conclusion:

Total collections for the month of March 2014 were $814.80. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Audit of the Chapter 59 Asset Forfeiture Audit Report by Law Enforcement Agency
For the Year Ended December 31, 2013
Audit No. 2014-03

Dear Ms. Muñoz:

We have completed an audit of the "Chapter 59 Asset Forfeiture Audit Report by Law Enforcement Agency" (Chapter 59 Asset Forfeiture Report) for the year ended December 31, 2013 pursuant to Code of Criminal Procedures §59.06 (g)(1), Local Government Code §115.001, Local Government Code §115.0035 and our annual audit plan. The objective of the audit was to determine whether Chapter 59 seizures, forfeitures, receipts, and expenditures were properly accounted and reported.

Background:
Code of Criminal Procedure (CCP) Chapter 59 "Forfeiture of Contraband" provides HIDTA with the authority to confiscate, forfeit, and dispose of contraband. Chapter 59 defines "contraband" as property of any nature (including real, personal, tangible, or intangible property) that is used or intended for use in the commission of certain enumerated felonies, Class A and Class B misdemeanors, or gained, acquired, and/or used to facilitate the commission of certain enumerated felonies and misdemeanors.

For the year ended December 31, 2013, HIDTA seized cash totaling $42,628.00; 27 motor vehicles; and 4 other properties (1 forklift, 1 pallet jack, 1 strapping machine, and 1 tow dolly). In addition, cash totaling $81,258.74; 22 motor vehicles; and 1 aircraft were forfeited (awarded) to HIDTA during the year ended December 31, 2013.

CCP §59.03 (c) states that "A peace officer who has custody of property shall provide the attorney representing the state with a sworn statement that contains a schedule of the property seized, an acknowledgment that the officer has seized the property, and a list of the officer's reasons for the seizure." In addition, "Not later than 72 hours after the seizure, the peace officer shall: (1) place the property under seal; (2) remove the property to a place ordered by the court; or (3) require a law enforcement agency of the state or a political subdivision to take custody of the property and move it to a proper location."

Pursuant to CCP §59.04 (a), the District Attorney must commence forfeiture proceedings by filing a notice of the seizure and intended forfeiture (petition) with the District Clerk's Office not later than the 30th day after the date of the seizure. Furthermore, pursuant to CCP §59.04 (g), if the seized property is real property, the District Attorney must file with the County Clerk in each county where the property is located a lis pendens notice describing the property. This notice must be filed not later than the third day after the date forfeiture proceedings are commenced.

Pursuant to CCP §59.05 (b), forfeiture proceedings are conducted in accordance with rules and principles governing civil cases. If the court finds that the state has proven by a preponderance of the evidence that all or part of the seized property is subject to forfeiture, the judge shall forfeit the property to the state. Pursuant to CCP §59.06 (e), a final judgment of forfeiture perfects the state's title to the forfeited property.

Pursuant to CCP §59.05 (f), on forfeiture to the state of an amount greater than $2,500, the clerk of the court in which the forfeiture proceeding was held is entitled to court costs in that proceeding as in other civil proceedings

unless the forfeiture violates federal requirements for multijurisdictional task force cases authorized under Chapter 362, Local Government Code.

CCP §59.06 (a) states that "...all forfeited property shall be administered by the attorney representing the state, acting as the agent of the state in accordance with accepted accounting practices and with the provisions of any local agreement entered into between the attorney representing the state and law enforcement agencies."

CCP §59.06 (b) states if a local agreement exists between the state and the law enforcement agency, the attorney representing the state may transfer the property to the law enforcement agency. Furthermore, CCP §59.06 (c) states, if a local agreement exists between the attorney representing the state and law enforcement agencies, all money, securities, negotiable instruments, stocks or bonds, or things of value, or proceeds from the sale of those items shall be deposited, after the deduction of court costs which a district court clerk is entitled, into one or more of the following funds: (1) a special fund in the county treasury for the benefit of the office of the attorney representing the state, to be used by the attorney solely for the official purposes of his office; or (2) a special fund in the county treasury if distributed to a county law enforcement agency, to be used solely for law enforcement purposes.

CCP§59.06 (d) states awarded proceeds may be spent by a law enforcement agency or District Attorney's Office after a detailed budget has been submitted to commissioners court. HIDTA's Chapter 59 budget for the year ended December 31, 2013 was $104,245.00 and expenditures totaled $105,469.13 (i.e., 11 employees' salaries).

CCP §59.06 (d-3) states that an expenditure of proceeds received under this chapter is considered to be for a law enforcement purpose if the expenditure is made for an activity of a law enforcement agency that relates to the criminal and civil enforcement of the laws of the State, including an expenditure made for: (1) equipment, including vehicles, computers, firearms, protective body armor, furniture, software, uniforms, and maintenance equipment; (2) supplies, including office supplies, mobile phone and data account fees for employees, and internet services; (3) investigative and training-related travel expenses, including payment for hotel rooms, airfare, meals, rental of and fuel for a motor vehicle, and parking; (4) conferences and training expenses, including fees and materials; (5) investigative costs, including payments to informants and lab expenses; (6) crime prevention and treatment programs; (7) facility costs, including building purchases, lease payments, remodeling and renovating, maintenance, and utilities; (8) witness-related costs, including travel and security; and (9) audit costs and fees, including audit preparation and professional fees.

Transportation Code §501.022 (a)(2) states "the owner of a motor vehicle registered in this state may not operate or permit the operation of the vehicle on a public highway until the owner obtains: (A) title and registration for the vehicle; or (B) a receipt evidencing title for registration purposes only under Section 501.029. Transportation Code § 501.022 (b) states "a person may not operate a motor vehicle registered in this state on a public highway if the person knows or has reason to believe that the owner has not obtained a title for the vehicle." Transportation Code § 501.022 (c) states "the owner of a motor vehicle that is required to be titled and registered in this state must obtain a title to the vehicle before selling or disposing of the vehicle."

Transportation Code §501.006 states that "on receipt of a verified request approved by the executive administrator of a law enforcement agency, the department may issue a title in the form requested by the executive administrator for a vehicle in an alias for the law enforcement agency's use in a covert criminal investigation."

Local Agreement Between District Attorney's Office and HIDTA

On August 17, 2010, the Hidalgo County District Attorney and HIDTA entered into a local agreement pursuant to CCP §59.06 (b). According to the local agreement, HIDTA is responsible for paying all court costs, attorney ad-litem fees, depositions, title searches, title policies, confidential informants, and all costs related to forfeitures of real estate and personal property.

Real Estate-Upon the sale of real estate, all costs are to be paid from the final sum received with the remaining amount to be paid 100% to HIDTA.

Personal Property (Vehicles, jewelry, phones, etc...)-All property is to be forfeited to HIDTA. If property is sold, proceeds from the sale of property are to be disbursed 100% to HIDTA, except passenger vehicles (i.e., pick-up trucks, sport utility vehicles, vans, tractor trailers, etc.) are to be used for law enforcement purposes. HIDTA is responsible for the use and upkeep of the vehicles and obtaining a certificate of title. All other seized vehicles, except those mentioned above and not used for law enforcement purposes are to be sold and proceeds disposed of in accordance with Chapter 59 of the Texas Code of Criminal Procedures.

All property seized, except for currency, bank accounts and negotiable instruments, shall be kept in the possession of HIDTA. HIDTA will account for all seized property in their possession until the property is disposed of by court order. Currency, bank accounts, and negotiable instruments shall be held and maintained by the District Attorney until a final disposition is ordered. All other personal property not suitable or desired for use shall be forfeited to the District Attorney and shall be sold at public auction. The proceeds after deduction of sale expenses shall be paid 100% to HIDTA. Proceeds from the sale of real, personal, tangible or intangible property shall be apportioned within thirty (30) days of sale.
Currency- Currency, bank accounts, and negotiable instruments are to be distributed 100% to HIDTA, after all costs have been paid.

HIDTA's Procedures

If possible, seized currency is counted by a HIDTA agent in the presence of a witness and the respondent and a receipt is issued; however, the receipt is not pre-numbered. If the funds cannot be counted in the presence of the respondent, the funds are placed in an evidence bag and transported to HIDTA by at least two agents where it is then counted by two agents. The count is recorded on an itemization form. Once the currency is counted, pursuant to CCP§59.08, the agent places seized currency in a certificate of deposit at the county depository, Lone Star National Bank, under the name of the District Attorney's Office pending final disposition. If currency cannot be immediately deposited, the currency is safeguarded in HIDTA's evidence room. In most cases, the currency is placed in a certificate of deposit within 72 hours.

Personal property is safeguarded by HIDTA until a final judgment is rendered by the court. Vehicles and some personal property (i.e., tiles) are maintained at Rob Robertson Auto Auctions; however, most personal property (i.e., jewelry, cell phones, guns etc.) is maintained at HIDTA's evidence room. According to HIDTA's Accountant III, only the Commander and the Assistant Commander have access to the evidence room. The evidence room is under lock and key; an alarm must be deactivated to access the evidence room; and the evidence room has 24 hour surveillance cameras inside and outside. If an item needs to be removed from the evidence room, the item is requested from one of the two employees with access to the evidence room. A log is not maintained to document when an asset is placed in the evidence room; however, according to HIDTA, documentation is prepared when evidence is removed from the evidence room. According to HIDTA's Commander, they currently have no seized personal property items safeguarded in the evidence room. We were not provided access to the evidence room; therefore, we were not able to verify whether all seized personal property was properly safeguarded.

When property is seized under CCP Chapter 59, the agent is required to complete a file consisting of an affidavit, offense report, defendant's criminal history, picture of the seized property, and vehicle registration information, if applicable. The agent places a copy of the file in a binder and provides the binder to HIDTA's Accountant III. The Accountant III creates a schedule of seized items based on the information provided by the agent. In addition, on a monthly basis, HIDTA's Accountant III receives a copy of the HIDTA HB65 bank statement and balance sheet from the District Attorney's Accountant IV. Once the case has been disposed, the District Attorney's Legal Assistant from the Asset Forfeiture and Expunction Section provides a copy of the judgment to HIDTA's Accountant III, who is responsible for the preparation of the Chapter 59 Asset Forfeiture Report.

If a vehicle is forfeited to HIDTA, the District Attorney and HIDTA's Commander determine whether the vehicle should be put in use for law enforcement purposes or auctioned. If the vehicle is retained for law enforcement purposes, HIDTA submits an application for certificate of title, along with a copy of the final judgment, to the Texas Department of Motor Vehicles. Upon receipt of the certificate of title, HIDTA maintains the original certificate of title. A copy of the certificate of title is not sent to Hidalgo County Purchasing Department. HIDTA requests an asset tag from the Hidalgo County Purchasing Department and insurance from Hidalgo County Safety Division. The Purchasing Department's Fixed Asset Division requires proof of insurance from the Hidalgo County Safety Division and a copy of the judgment in order to issue an asset tag for vehicles forfeited to HIDTA.

If the vehicle is not placed in use, a transfer form is prepared and the vehicle is declared surplus. Until the auction is conducted, the vehicle is safeguarded at Rob Robertson Auto Auctions. In addition, a certificate of title is not obtained.

The Purchasing Department is responsible for conducting the sale of assets. The Purchasing Department receives the proceeds from the sale of assets from Rob Robertson Auto Auctions and prepares a "Purchasing Department/Fixed Asset Division Auction Report" that details the manner in which the auction proceeds will be distributed. The proceeds are then deposited with the Hidalgo County Treasurer.

Agreement for Auctioneer Services

On April 24, 2012, the Hidalgo County Commissioners Court entered into an agreement with Rod Robertson Enterprise, Inc. On April 30, 2013, the Hidalgo County Commissioners Court approved a one year extension. The agreement with Rod Robertson Enterprise is to provide Hidalgo County with auctioneer and storage services.

Scope and Methodology:

The scope of our audit was limited to a review of all seized currency and personal property for which an agent's affidavit was made available to the County Auditor's Office for review and all forfeited currency and personal property for which a final judgment was rendered and recorded in *Odyssey*, the County's justice information system, for the period of January 1, 2013 through December 31, 2013.

Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

In planning and performing our review, we reviewed applicable statutes, policies and procedures, and applicable interlocal agreements. The following procedures were performed:

1. Generated "Cases filed" and "Cases disposed" reports for the period of January 1, 2013 to December 31, 2013 from *Odyssey* to determine if all seized, forfeited, and property returned to respondents was reported on HIDTA's Chapter 59 Asset Forfeiture Report;
2. Compared Chapter 59 revenue and expenditure reports generated from *alio,* the County's financial accounting system, and "Purchasing Department/Fixed Asset Division Auction Report," to HIDTA's Chapter 59 Asset Forfeiture Report to determine if all Chapter 59 revenues and expenditures were reported;
3. Reviewed expenditures from HIDTA's Chapter 59 Forfeiture Fund to determine if expenses were for law enforcement purposes pursuant to CCP§59.06 (c).
4. Reviewed the salary schedule adopted by Commissioners Court and compared it to HIDTA's Chapter 59 Forfeiture Fund "2013 Hourly Rate" report for the calendar year 2013 to verify whether actual salaries paid to employees did not exceed the budgeted salary amounts.
5. Selected all 44 Chapter 59 other property (35 vehicles and 9 other personal property) held by HIDTA as of December 31, 2013, including Chapter 59 seizures and forfeitures from prior years that were not auctioned for physical identification.
6. Requested a list from Rod Robertson Enterprise, Inc., of property held for HIDTA at Rod Robertson Enterprise, Inc., to determine if the list of property held at Rod Robertson Enterprise, Inc. agreed to the County Auditor's and HIDTA's records of property seized, forfeited, and not sold.
7. Reviewed the affidavit prepared by the seizing officer, certificate of deposit receipt, and a schedule of filed cases generated from O*dyssey* to determine if: 1.) a certificate of deposit was opened within 72 hours of seizure for the amount seized; and 2.) a petition was filed within 30 days after the date of seizure.
8. Reviewed the "District Attorney Investigation Funds Accounting Control Sheet" and supporting documentation to determine if court costs were only paid to the District Clerk for cases where forfeitures were greater than $2,500.00 and not those where funds forfeited were less than $2,500.00.
9. Requested copies of certificate of title from the Purchasing Department's Fixed Assets Division to determine if the 22 forfeited vehicles were titled to HIDTA.
10. Reviewed revenue reports generated from *alio* and the "Purchasing Department/Fixed Asset Division Auction Report" to determine if 100% of the auction proceeds were apportioned to HIDTA within 30 days of said sale pursuant to the local agreement;
11. Reviewed the procedures in place to determine if seizures were promptly recorded and controlled by using pre-numbered official receipt forms.

Conclusion:

Based on the results of our audit, we have determined that generally Chapter 59 seizures, forfeitures, receipts, and expenditures were properly accounted and reported. More specifically, the following was noted:

1. A review of the "Cases filed" and "Cases disposed" reports generated from *Odyssey* for the period of review revealed that HIDTA seized 27 motor vehicles, 4 other property (1 forklift, 1 pallet jack, 1 strapping machine, and 1 tow dolly), and cash totaling $42,628.00. In addition, 22 motor vehicles, 1 aircraft, and cash totaling $81,258.74 was forfeited to HIDTA, and no property was returned to respondents. The seizures and forfeitures were properly reported on HIDTA's Chapter 59 Asset Forfeiture Report.
2. All Chapter 59 revenues and expenditures recorded in *alio* and the "Purchasing Department/Fixed Asset Division Auction Report" were reported on HIDTA's Chapter 59 Asset Forfeiture Report.
3. All expenditures from HIDTA's Chapter 59 Forfeiture Fund were incurred for law enforcement purposes as required by CCP§59.06 (c).
4. Employees actual salaries paid from HIDTA's Chapter 59 Asset Forfeiture Fund did not exceed the budgeted salary amounts.
5. All 44 Chapter 59 other property (35 vehicles and 9 other personal property) were physically identified.
6. 52 items were on the list of property held for HIDTA at Rod Robertson Enterprises, Inc. as of February 6, 2014. Of the 52 items:
    a. 47 items were seized under Chapter 59 during the years 2010 through 2013; the seizures agreed to the County Auditor's and HIDTA's records of property seized;
    b. 2 vehicles were seized under Chapter 59 in 2014; therefore, the vehicles were not reported in the 2013 Chapter 59 Asset Forfeiture report;
    c. 3 vehicles, according to HIDTA were held under a statute other than Chapter 59. In addition, the County Auditor's Office found no evidence that the vehicles were seized under Chapter 59; therefore, the vehicles were not reported in the 2013 Chapter 59 Asset Forfeiture report.

    In addition, we noted that the list of property held for HIDTA at Rod Robertson Enterprise Inc. did not include 1 item (tile). The tile was physically identified at Rod Robertson Enterprises, Inc.
7. 4 cash seizures were made by HIDTA during the period of review. All 4 certificates of deposits were opened within 72 hours of seizure as required by CCP §59.03 (c). In addition, 22 petitions were filed with the District Clerk's Office. All 22 were filed on or before the 30th day after the date of the seizure as required by CCP §59.04 (a).
8. Court costs were only paid to the District Clerk for cases where forfeitures were greater than $2,500.00 as required by CCP §59.05 (f).
9. Of 22 vehicles forfeited to HIDTA in 2013, 6 were sold in auction. The remaining 16 vehicles were not titled to HIDTA as follows:
    - 15 vehicles will be sold through auction and will be titled when sold, according to HIDTA's Accountant.
    - 1 vehicle, forfeited in December 17, 2013, will be used for law enforcement purpose and pending a title change. The title change will be made as soon as the required documentation for the title change is received from the lien holder.

However, improvements could be made to the system of internal controls for the accounting and reporting of Chapter 59 seizures, forfeitures, receipts, and expenditures as follows:

10. There was an auction for the sale of forfeited assets on June, August, and November 2013. 100% of the auction proceeds were apportioned to HIDTA; however, the proceeds from the sale of assets were not apportioned to HIDTA's Chapter 59 Forfeiture Fund within thirty (30) days of sale in accordance to the interlocal agreement. June auction proceeds totaling $37,400.00 were apportioned 209 days late; August auction proceeds totaling $67,600.00 were apportioned 136 days late; and, November auction proceeds totaling $11,200.00 were apportioned 52 days late.
11. Seizures are not recorded and controlled by using pre-numbered official receipt forms. Instead, a form that is not pre-numbered is utilized to account for seizures. According to HIDA, the form, in triplicate form, is prepared and a copy provided to the respondent after it has been properly documented with the date, time, case number, description of items and signature of the seizing agent, witness, and respondent.

Recommendations:

In our opinion, the issues identified during our review could be addressed by developing and implementing formal policies and procedures for the proper accounting and reporting of Chapter 59 seizures, forfeitures, receipts, and expenditures. At a minimum, procedures should require HIDTA to:

1. Coordinate with Purchasing Department to ensure that the proceeds from the sale of forfeited assets are apportioned to HIDTA's Chapter 59 Forfeiture Fund within thirty (30) days of sale; and
2. Ensure seizures are recorded and controlled by using a pre-numbered form.

Please provide management responses to findings 10 and 11 noted in the conclusion section of the report by April 17, 2014. Your prompt response will be greatly appreciated.

Ref: Review of Delinquent Tax Attorney Payment Request-February 2014
Report No. 2014-37

Dear Mr. Villarreal:

We have completed a limited scope review of the February 2014 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Perdue, Brandon, Fielder, Collins, and Mott, LLP ("Perdue") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended February 28, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request submitted by your office was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of February 2014 collections".
- Reviewed the "Hidalgo County Tax Office Prior Collection Report", "Hidalgo County Tax Office Current Collection Report", "Hidalgo County Texas Contractor Report of Delinquent Collections", and the "Final Distribution Totals February 2014 Perdue, Brandon, Fielder, Collins and Mott LLP" report to determine if the amount on the payment request was accurate.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the list of tax accounts with tax deferrals provided by your office along with the February 2014 DTA payment request to verify whether accounts with delinquent tax attorney fees that were not collected at 15% rate specified in the contract were related to accounts with tax deferrals.
- Reviewed the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" that reflected a negative amount and verified on *ACT*, the tax collection application system, whether delinquent tax attorney fees netted out from the payment request to Perdue were collected between January 1, 2007 through June 30, 2007 and previously paid to Linebarger Goggan Blair & Sampson, LLP ("LGBS").

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 445TH D.C.

The results of our review revealed that the payment request was generally accurate and properly authorized. Although delinquent tax attorney fees for 298 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals and rounding (see Exhibit A).

We will proceed to process the February 2014 DTA payment request for payment in the amount of $186,269.98.
