Jessica,

Here is a corrected second sheet. There is no Freight or Tax charge. The terms and conditions are there if a business/entity is deemed not to be financially stable and is in default and cannot pay its bills. We can demand payment in cash prior to the Net 30 days that we have with Hidalgo County if you are in financial default. I'm sure Hidalgo County is not in that bad of financial shape.

Thanks,

Dan

Mr. Dan,

On the 2nd page, it mentions "excluding applicable freight and taxes". Could you please confirm if freight will be charged? Also on the first page for the terms and conditions of sale under payment and taxes it states "Pro Tech Mechanical, Inc reserves the right to require cash payment or other alternative method of payment prior to completion of work if Pro Tech Mechanical, Inc determines, in its sole discretion, that Buyer or Buyer's assignee's financial condition at any time does not justify continuance of the net 30 days payment term". Could you please confirm if a check from the Hidalgo County will suffice once project has been completed? A cash payment cannot be made as specified in the terms and conditions. Please advise.

Thanks,
