WHEREAS, the County requires engineering services for the: "**Ground Water, Gas Monitoring and Groundwater Data Evaluation at Closed Landfill Site**" located within **Hidalgo County Precinct No. 4**", and

WHEREAS, the County of Hidalgo solicited Request for Qualifications (RFQ) for the development and establishment of a yearly pool for "Professional Engineering Services", and

WHEREAS, from which "Professional Engineer" has been selected from the "Pool" of pre-qualified Engineers from response to the Request for Qualifications (RFQ), and

WHEREAS, County has determined that the services of "Professional Engineer" are sometimes necessary to carry out the required engineering activities; and

WHEREAS, pursuant to Texas Government Code Section 2254.002, "The Professional Services Procurement Act," Government Code, the County requested proposals from professional engineers to assist the County by providing engineering services; and

WHEREAS, County has selected the Engineer to provide engineering services within Hidalgo County Precinct No. 4, in accordance to Exhibit "A-1", Request for Qualifications (RFQ) Procurement Packet and through its procured approved pool of Engineers.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, County and Engineer do mutually agree as follows:

1. **Scope of Services.** Engineer agrees to provide to County "engineering services" for the "Ground Water, Gas Monitoring and Groundwater Data Evaluation at Closed Landfill Site" located within **Hidalgo County Precinct No. 4** as shown in Exhibit "A" attached hereto and entitled "Services to be Provided by the Engineer". *In the event the Engineer does not provide the Scope of Services prior to the date specified on the purchase order, the Purchase Order will become NULL and VOID. If such Purchase Order becomes NULL and VOID and the Scope of Services is secured from another firm, Engineer will be responsible for any additional charges or expenses incurred by Hidalgo County.*

Further, in the event that it is demonstrated by Engineer that Hidalgo County has caused or delayed thus preventing the Engineer from meeting the specified agreed upon deadline to provided the Scopes of Services ordered, Engineer must advise in written notice to the Purchasing Department to authorize and to secure additional time to comply.

2. **Term.** This Agreement shall commence upon approval of this agreement for a term of **one (1) year** with the **County's option to extend/renew for an additional four (4) one (1) year terms** under the same rates, terms and conditions or unless sooner terminated as provided herein. The Engineer will not begin work or incur costs until authorized in writing by the County for each **Purchase Order**.

The County assumes no liability or obligation for payment to the Engineer for work performed or costs incurred by the Engineer prior to the date authorized by the County for the Engineer to begin work, during periods when work is suspended, or subsequent to the Termination Date.

3. **Non-Exclusive Services of Engineer** Hidalgo County reserves the right to request these services from other sources other than the engineer and shall not be in violation of any terms or conditions of this Agreement.

4. **Compensation.** As consideration for rendering the Services provided for in this Agreement, the County agrees to pay the Engineer the amounts specified in Exhibit "B" attached hereto payable against written invoice submitted by Engineer. The Engineer is authorized to submit periodic requests for payment within thirty days after completion of each work order. The request for payment shall be made using forms

acceptable to the County and shall show the total amount earned to the date of submission and the amount due and payable as of the date of the current billing. Upon receipt of said request for payment, County shall submit a requisition for payment of said services in the customary manner provided for payments utilized by Hidalgo County, Texas. Engineer agrees to separately account for the receipt and/or expenditure of funds received pursuant to this Agreement and to keep adequate books and records of all such receipts and/or expenditures. All payments to Engineer shall be mailed to the address shown in numbered paragraph 21, hereof.

5. Progress. Upon acceptance of a work order, the Engineer shall undertake and complete the authorized work. The County or the Engineer can request conferences to be provided at the Engineer's office, the office of the County, or at other agreed upon locations.

6. Inspection of Work. The County has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder and the premises in which it is being performed. If any inspection or evaluation is made on the premises of the Engineer, or a subcontractor, the Engineer shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

7. Amendments. If it becomes necessary at any time during the agreement period to change the scope of work, the agreement period, the maximum amount payable, the complexity, or the character of this agreement, an amendment must be prepared and executed within the agreement period. The County retains the right to reject any such amendment proposed by the Engineer unless the County finds the proposed amendment necessary to complete the work authorized herein. Any such amendments be made in writing agreed to by all parties hereto and duly executed before the end of the agreement period as specified.

If the County finds it necessary to require changes in completed work because of errors made by the Engineer, the County shall require the Engineer to correct the work at no cost to the County and without amendment to the agreement. If the changes are made at the request of the County and are not due to errors of the Engineer, the County will reimburse the Engineer for the additional work at the same rate of pay

established in Exhibit "B," "Basis for Payment." If payment for the additional work will cause the maximum amount payable to be exceeded, an amendment shall be executed in accordance with the terms of this provision.

8. Reporting. The Engineer shall promptly advise the County in writing of events which have a significant impact upon the agreement, including:

1. Problems, delays, or adverse conditions which will materially affect the ability to meet time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated, and any County or, if Federal funds are involved, Federal assistance needed to resolve the situation.
2. Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

9. Ownership of Documents. Upon completion or termination of this agreement, all documents prepared by the Engineer or furnished to the Engineer by the County shall be delivered to and become the property of the County. All sketches, photographs, calculations, and other data prepared under this agreement shall be made available, upon request, to the County without restriction or limitation on their further use. The Engineer may, at its own expense, have copies made of the documents or any other data furnished the County under this agreement.

Nothing in this Agreement shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this Agreement and any present or future law, ordinance or administrative, executive or judicial regulation, order or decree, or amendment thereof, contrary to which the parties have no legal right to agreement, the latter shall prevail, but in such event the affected provision or provisions of this Agreement shall be modified only to the extent necessary to bring them within the legal requirements and only during the time such conflict exists.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Social security number								
OR								
Employer identification number								

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification exceptions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding,
- or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

- 7. A foreign central bank of issue,
- 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
- 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
- 10. A real estate investment trust,
- 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
- 12. A common trust fund operated by a bank under section 584(a),
- 13. A financial institution,
- 14. A middleman known in the investment community as a nominee or custodian, or
- 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$500 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7

¹See Form 1099-MISC, Miscellaneous Income, and its instructions. However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 5045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

RE: Proposal for Groundwater/Gas Monitoring and Groundwater Data evaluation
Hidalgo County Precinct 4 Closed Landfill

Dear Ms. Saenz,

Please find below the the scope and cost proposal for the referenced project. Insurance documents are attached.

Task 1 - Groundwater and Landfill Gas Monitoring

The monitoring project will include the sampling of nine (9) groundwater monitoring wells and the monitoring of six (6) gas probes. An annual groundwater monitoring report will be generated that will include: a groundwater surface contour plots, completed TCEQ Forms 0312, a summary of analytical data, and a comparison of the analytical data to the established statistical prediction limits for each well. Any Statistically Significant Increases (SSI's) indicated by the comparison will also be identified. The report distribution will include: one original and one copy to TCEQ-Austin, one copy to TCEQ Region 15, one copy to Hidalgo County Precinct 4. This reporting procedure (changed by TCEQ) eliminates semi-annual reports and requires a combined annual report. The landfill gas report will include a table of all monitoring results and will be distributed only to the County unless results indicate that the permitted limits are exceeded and then the TCEQ must be notified.

The rate will be \$8,000 for each semi-annual groundwater/gas monitoring event. All expenses, including those for an additional quarterly gas monitoring event, are included. The total annual monitoring cost will be \$16,000. The laboratory analytical cost will be \$ 3,900 per groundwater monitoring event, with the total annual cost being \$7,800 per year. The cost for the annual report will be \$4,000. The total annual cost will be \$27,800. The invoice for the first semi-annual event will be for \$11,900 and will follow submission of a copy of analytical and gas data for the event. The invoice for the second semi-annual event will be for \$15,900, and will follow submission of the annual groundwater monitoring report described above and the gas data.

Work beyond this scope, if required, may necessitate additional charges. Examples would include responding to TCEQ/Permit requirements regarding groundwater statistical exceedances or for gas detection above the Lower Explosive Limit (LEL) and required re-sampling. No out-of-scope work will be initiated without authorization.

Task 2 - Evaluation of Historical Groundwater Data

The data evaluation will include the assembly and evaluation of available historical groundwater data. Data from the sampling events that I have conducted (May and October 2009) indicate levels of some constituents that are above the established statistical prediction limits. It is possible that the cause of the statistical exceedances can be attributed to something other than landfill impact. If so, and an Alternate Source Demonstration (ASD) acceptable to TCEQ can be made, then no further immediate

Modern Technology-Modern Environment

evaluation of the data is necessary to determine an environmentally sound and cost-effective course. During the 2009 sampling cycle, and again recently, I communicated with Mr. John Carrillo of the TCEQ in Austin regarding the need to assemble the data to help guide future actions. Once the data is assembled, it can be easily updated.

I will obtain archived data from the laboratory, as I have not been able to obtain the data from your previous consultant. The historical data, when organized, should help arrive at the best solution. Once the data is assembled (tabulated, graphed, etc.), I will review any findings and recommendations with Precinct 4 representatives before having discussions with TCEQ. I will also provide a copy of the assembled data. I believe this work can be accomplished within a budget of \$16,500.

Summary of Data Evaluation Scope

- Assemble and review data.
- Meet or correspond with Precinct 4 and then, TCEQ-Austin as appropriate.
- Determine whether an Alternate Source Demonstration can be made. If so, do so.
 - If not, propose Assessment Monitoring or other course of action aligned with TCEQ's recommendation.

Invoicing will be on an hourly-rate plus expenses basis. A rate schedule is included as Appendix I. The budget will not be exceeded without authorization, and is not a lump-sum or fixed-price. Invoices for the task will be submitted no more frequently than once per month.

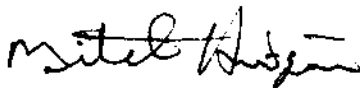

In summary, the proposed tasks, include:

- 1) Groundwater and Landfill Gas Monitoring – \$27,800, fixed price.
- 2) Evaluation of Historical Groundwater Data - \$16,500, not to exceed.

The required ACORD insurance form and endorsements are attached.

I look forward to working with you on this project.

Respectfully submitted,

The cost for the annual report will be \$4,000. The total annual cost will be \$27,800. The invoice for the first semi-annual event will be for \$11,900 and will follow submission of a copy of analytical and gas data for the event. The invoice for the second semi-annual event will be for \$15,900, and will follow submission of the annual groundwater monitoring report described above and the gas data.

Work beyond this scope, if required, may necessitate additional charges. Examples would include responding to TCEQ/Permit requirements regarding groundwater statistical exceedances or for gas detection above the Lower Explosive Limit (LEL) and required re-sampling. No out-of-scope work will be initiated without authorization.

Task 2 - Evaluation of Historical Groundwater Data

The data evaluation will include the assembly and evaluation of available historical groundwater data. Data from the sampling events that I have conducted (May and October 2009) indicate levels of some constituents that are above the established statistical prediction limits. It is possible that the cause of the statistical exceedances can be attributed to something other than landfill impact. If so, and an Alternate Source Demonstration (ASD) acceptable to TCEQ can be made, then no further immediate

Modern Technology-Modern Environment

evaluation of the data is necessary to determine an environmentally sound and cost-effective course. During the 2009 sampling cycle, and again recently, I communicated with Mr. John Carrillo of the TCEQ in Austin regarding the need to assemble the data to help guide future actions. Once the data is assembled, it can be easily updated.

I will obtain archived data from the laboratory, as I have not been able to obtain the data from your previous consultant. The historical data, when organized, should help arrive at the best solution. Once the data is assembled (tabulated, graphed, etc.), I will review any findings and recommendations with Precinct 4 representatives before having discussions with TCEQ. I will also provide a copy of the assembled data. I believe this work can be accomplished within a budget of \$16,500.

Summary of Data Evaluation Scope

- Assemble and review data.
- Meet or correspond with Precinct 4 and then, TCEQ-Austin as appropriate.
- Determine whether an Alternate Source Demonstration can be made. If so, do so.
 - If not, propose Assessment Monitoring or other course of action aligned with TCEQ's recommendation.

Invoicing will be on an hourly-rate plus expenses basis. A rate schedule is included as Appendix I. The budget will not be exceeded without authorization, and is not a lump-sum or fixed-price. Invoices for the task will be submitted no more frequently than once per month.

In summary, the proposed tasks, include:

- 1) Groundwater and Landfill Gas Monitoring – \$27,800, fixed price.
- 2) Evaluation of Historical Groundwater Data - \$16,500, not to exceed.

The required ACORD insurance form and endorsements are attached.

I look forward to working with you on this project.

Respectfully submitted,
Modern Technology – Modern Environment
