The member affirmatively represents that they have not violated the IAAI Constitution and By-Laws or Code of Ethics since they first applied. If the member believes they are in violation of the above then they must fully disclose in writing the circumstances of such violation to the IAAI Executive Director within 30 days of this notice. As a result of any such violations, the member's membership status may be jeopardized because the member's eligibility for membership has changed in a way that would have denied him/her initial membership.

I have read the above information and hereby represent that I have not been convicted of any crime nor have I violated any of the conditions listed above since my initial membership with the IAAI. [ ]
