Hello Juan,

As per our discussion on Monday, here is the updated quote request. We have provided 2 options for you. They are listed as 1 year, and 2 years, but both are prorated.

The 1yr quote actually expires on Jan 31st, 2015. So technically it is only about 3 ½ months. The 2yr quote is set to expire on Jan 31st, 2016. So about 15 ½ months.

We also removed the items that were marked in yellow, and items that were going EOS before the end of the year.

Please let me know if you have any more questions.

thanks
