MINITOR VI

TWO-TONE VOICE PAGER

Overview Specifications Accessories

Motorola XPR 2500 Mobile Two-Way Radio

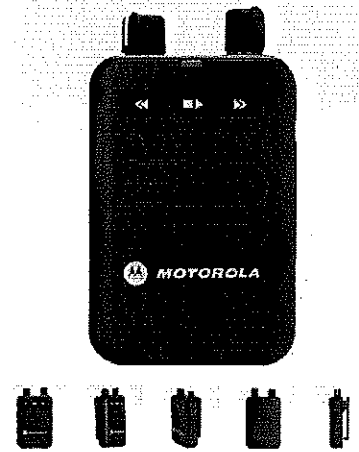

Voice | Basic Systems

Digital, Now Within Reach

The power of digital communications is now within reach. MOTOTRBO XPR 2000 Series mobile radios are compact and capable so workers can stay connected, whether they are picking up cargo or transporting passengers. As part of the MOTOTRBO family of radios, the XPR 2000 Series delivers the best in digital radio technology, with features like Integrated voice systems capability, twice the calling capacity, and clearer voice communications. With its Intelligent Audio feature, drivers don't need to adjust their radio volume to avoid missing a call, as the radio monitors background noise and automatically adjusts itself.

For those operating on analog, the XPR 2000 Series lets you upgrade to digital at your own pace and budget, with simple scalability to add functions and features. This radio is also compatible

The Motorola MINITOR VI™ two-tone voice pager is ideal for fire departments and other organizations that need to react quickly in times of emergency. With up to 16 minutes of voice recording, customizable call alerts and improved receiver design, the MINITOR VI is flexible, rugged and reliable. It's built for the realities of first responders.
