Moises,

Can you get with Vero on this so she can provide the options we have. Thanks.

This is an EXTERNAL email. STOP. THINK before you CLICK links or OPEN attachments.

Good Morning Mr. Anzaldua,

Please accept this email as a request to clarify some issues so we can proceed on this project:

I have a copy of the fully executed AEP Texas Central Company "Contribution-In-Aid-Of-Construction Agreement For Electric Distribution Service" for Work Request # 51978702 based off the Pro Forma document in the amount of \$19,564.17. As per our meeting on Friday, September 19, 2014, we discussed that the county would be abandoning Holmes Road, therefore, the utility run was going to be modified to get utility services to the lift station. Also, we are currently getting a survey, metes and bounds as AEP will require an exclusive 15 foot easement as the property owners will be dedicating the easement. Can you please forward the modified sketch as soon as possible so I can get it to our planning director, surveyor and civil engineers. Also, I need to know if the amount quoted in the pro forma will remain the same if there are any modifications so I can begin to process payment. Please contact me with any questions or concerns regarding this matter at (956) 648-1245. Your expedited time and consideration into this matter is greatly appreciated. Thanks.

Good Morning Mr. Anzaldua,

As we get closer to completing the CRC/Sunflower Park, I thought I would touch base to see how you were coming along with the new sketch for the work on Holmes Road and Mile 17 located in San Carlos, Texas. Can you please forward new sketch when ready and provide a time frame as to when it will be completed. Please review and advise. Thanks for all of your help regarding this matter.

Good Afternoon Mr. Anzaldua,

Just touching base as a result of our on site meeting on Mile 17 and Holmes Road on Friday, September 19, 2014 regarding the work on Holmes Road. As discussed with our planning director, Raul Sesin and our contracted civil engineers, you were going to provide a new sketch for the work on Holmes Road and Mile 17 located in the San Carlos, Texas area. Can you please provide a time frame as to when we will get the new sketch. Your time and attention regarding this matter is greatly appreciated. Please contact me with any questions or concerns regarding this matter at (956) 648-1245. Thanks.
