Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of April 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of April 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of April 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of April 2014 were $95,060.04. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 24 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 14 of 20 Close-Out Reports prepared during the month of April 2014 were not submitted to the County Treasurer's Office on a daily basis made. The Close-Out Reports were submitted from 2 to 9 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted on a daily basis; however, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:

Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:

We noted during our review that 14 of 21 online credit card transactions received during the month of April 2014 were not promptly receipted. The online credit card transactions were receipted 2 to 6 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:

Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Please provide written management responses to the observations noted above by July 7, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

NOTE: It appears that 160 Overweight Violation cases collected on in the month of April were assessed the incorrect fine. Please refer to Transportation Code 621.506 for the fine amount that should be collected. In addition, keep in mind that a repeat violation involving a single axle, tandem axle, or gross weight that occurs within the same year carries a double fine.

Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of June 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of June 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of June 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of June 2014 were $69,423.35. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 8 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A); however, one adjustment is pending to be completed by the department.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that the pending adjustment is immediately entered into *AbleTerm*. In addition, management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 15 of 21 Close-Out Reports prepared during the month of June 2014 were not submitted to the County Treasurer's Office on a daily basis made. The Close-Out Reports were submitted from 2 to 6 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted on a daily basis; however, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted during our review that 4 of 6 online credit card transactions received during the month of June 2014 were not promptly receipted. The online credit card transactions were receipted 4 to 6 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 4:
A copy of the June 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" has not been filed with the County Auditor's Office, as of today. Furthermore, incorrect copies of the May 2012, June 2012, July 2012, December 2012, and May 2014 OCA's "Official JP Monthly Reports" were filed with the County Auditor's Office. According to staff, they have not had time to generate the OCA's "Official JP Monthly Reports" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that correct copies of the May 2012, June 2012, July 2012, December 2012, May 2014, and June 2014 OCA's "Official JP Monthly Reports" are submitted to the County Auditor's Office by August 22, 2014.

Please provide written management responses to the observations noted above by August 22, 2014. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of February 2014

Dear Judge Espinoza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of February 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of February 2014. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of February 2014 were $164,316.60. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued during the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 112 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made.

According to staff, attempts to check the fines, fees, and court costs prior to taking in a payment are being made and will continue to be made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, & court costs.
- Staff should review the allocation of fines, fees, & court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
A mail log was not utilized to record mail-in payments. According to staff, since the mail is received and opened by the Justice of the Peace, staff does not have the ability to create a mail log. The Justice of the Peace subsequently distributes the mail-in payments to staff for receipting purposes.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to ensure mail-in payments are recorded on a mail log may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are recorded on a mail log.

Observation No. 3:
Copies of the Office of Court Administration's (OCA) "Official JP Monthly Report" for the months of November 2012, December 2012, and September 2013 through February 2014 have not been filed with the County Auditor's Office. According to staff, the reports are incorrect due to a programming error. The Justice of the Peace is in current contact with Tyler Technologies to try to remedy the programming error.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Notice of the programming errors should be immediately made to Tyler Technologies for prompt resolution. Copies of the Office of Court Administration's "Official JP Monthly Report" for the months of November 2012, December 2012, and September 2013 through February 2014 should be filed with the County Auditor's Office by May 16, 2014.

Observation No. 4:
We noted during our review that 3 cash bonds posted by the defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th workday following the date of their release from jail. As of today, the bonds have not been forfeited. The bonds were received May 3, 2013, May 28, 2013, and May 31, 2013 (see exhibit B). According to Justice of the Peace staff, the Justice of the Peace and the defendant have not setup a pre-trial hearing for the pending cases. In addition, the other case has been appealed and is awaiting trial.

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Failure to ensure that pre-trial hearings are set in a timely manner for cases in which a cash bond was posted may result in the improper accounting of cash bonds.

Recommendation:
Management should ensure that pre-trial hearings are set up in a timely manner for cases in which a cash bond was posted.

Observation No. 5:
We noted during our review that 13 of 19 Close-Out Reports prepared during the month of February 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted 2 to14 days after the bank deposit was made. According to staff, it is sometimes difficult to keep up with the daily activities due to a heavy workload and limited staff. In addition, on occasion they have problems with the transmission of the fax to the County Treasurer's Office; therefore, at times they utilize a Chief Deputy Constable to deliver the Close-Out Reports to the County Treasurer's Office.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis may result in the improper accounting of County funds.

Recommendation:
Management should ensure that adequate time is allotted for submitting the Close-Out Report to the County Treasurer's Office on a daily basis. In addition, a copy of the Close-Out Report should be emailed to the County Treasurer's Office when difficulties in transmitting a fax copy of the Close-Out Report occur.

Please provide written management responses to the observations noted above by May 16, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Note 1: Please ensure that the Scofflaw fee is assessed properly pursuant to Transportation Code Sec. 502.010 (f)

Note 2: It appears that 14 out of 14 Overweight Violations cases collected on in the month of February were assessed the incorrect fine or the weight limit was not specified in the case. Please refer to Transportation Code 621.506 for the fine amount that should be collected. In addition, keep in mind that a repeat violation involving a single axle, tande, axle or gross weight that occurs within the same year carries a double fine. Please inform personnel at the point of entry of the fine amounts that are to be assessed and be more specific in the weight.

The Honorable Charlie Espinoza
Hidalgo County Justice of the Peace Pct. 4, Pl. 1
212 N. 12th Avenue
Edinburg, Texas 78541

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of April 2014

Dear Judge Espinoza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of April 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of April 2014. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of April 2014 were $115,295.20. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued during the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 62 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made. According to staff, attempts to check the fines, fees, and court costs prior to taking in a payment are being made and will continue to be made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, & court costs.
- Staff should review the allocation of fines, fees, & court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
A mail log was not utilized to record mail-in payments. According to staff, since the mail is received and opened by the Justice of the Peace, staff does not have the ability to create a mail log. The Justice of the Peace subsequently distributes the mail-in payments to staff for receipting purposes.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to ensure mail-in payments are recorded on a mail log may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are recorded on a mail log.

Observation No. 3:
Copies of the Office of Court Administration's (OCA) "Official JP Monthly Report" for the months of November 2012, December 2012, and September 2013 through April 2014 have not been filed with the

County Auditor's Office. According to staff, the reports are incorrect due to a programming error. The Justice of the Peace is in current contact with Tyler Technologies to try to remedy the programming error.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Notice of the programming errors should be immediately made to Tyler Technologies for prompt resolution. Copies of the Office of Court Administration's "Official JP Monthly Report" for the months of November 2012, December 2012, and September 2013 through April 2014 should be filed with the County Auditor's Office by May 16, 2014.

Observation No. 4:
We noted during our review that a cash bond posted by a defendant who failed to appear before the Justice of the Peace was not forfeited (liquidated) by the 10th workday following the date of his release from jail. The bond was received on May 3, 2013 (docket number E12-09-880). According to Justice of the Peace staff, the case is pending a pre-trial hearing to be setup.

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Failure to ensure that pre-trial hearings are set in a timely manner for cases in which a cash bond was posted may result in the improper accounting of cash bonds.

Recommendation:
Management should ensure that pre-trial hearings are set up in a timely manner for cases in which a cash bond was posted.

Please provide written management responses to the observations noted above by July 7, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Re: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Report* and all supporting documentation for the month of September 2014 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of September 2014 were $168.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012, the park entrance fee from Monday through Saturday is waived. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:
Commissioners Court approval to waive the park entrance fee should be obtained.

Please provide a written management response to the observation noted above by November 20, 2014.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Report* and all supporting documentation for the month of September 2014 in accordance with Local Government Code §115.002(a) and §115.002(b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of September 2014. The review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. - Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of September 2014 were $608.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. A review of the County's financial records indicated that the fee has been collected since at least 1992. Commissioners Court approved increase of the park entrance fee from $2.00 to $4.00 on March 23, 1993. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted has not been provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on Saturdays and Sundays. The park entrance fee is also waived from vehicles entering the park after the Daily Close-Out Report and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fee may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that that park entrance fees are properly collected. At a minimum, evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained.

Please provide a written management response to the observation noted above by November 20, 2014.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Ms. Chapa:

We have conducted a limited scope review of the *Monthly Fees Report* and all supporting documentation for the month of September 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittances/Close-Out Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance/Close-Out Forms,* and *Monthly Fees Report* to verify proper completion.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Mr. Olivarez:

We have conducted a limited scope review of the Environmental Health Division *Monthly Fee Report* for the month of September 2014 pursuant to Local Government Code (LGC) §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the Environmental Health Division *Monthly Fee Report* for the month of September 2014. Our review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fee Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to LGC §114.001(b).
- Verified the signature on the *Monthly Fee Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fee Report* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if fees were collected and reported in the proper amounts.
- Verified that procedures for voided receipts were properly followed.
- Verified the sequence of receipts per the *Monthly Fee Report* agreed to the receipts issued. In addition, verified that receipts followed sequential order.
- Reviewed receipts, *Daily Remittance/Close-Out Reports,* and the *Monthly Fee Report*, among other supporting documentation, to verify proper completion.
- Reviewed *Daily Remittance/Close-Out Reports* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fee Report* agreed to total receipts issued and the deposits made with the County Treasurer.

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

Conclusion:
Total collections for the month of September 2014 were $46,605.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, improvements could be made to the system of internal controls as noted in the following observation.

Observation:
Commissioners Court approved a change fund in the amount of $25.00 for the Mission OSSF substation and $25.00 for the Weslaco OSSF substation. According to the Health Department staff, the Weslaco and Mission substations will no longer serve as collection points; therefore, the change funds were transferred to the Edinburg Health Department instead of being deposited with the County Treasurer's Office.

The County Auditor's Office requires that departments deposit with the County Treasurer change funds for collection points that are closed.

Failure to deposit the change fund with the County Treasurer may result in the loss of County funds.

Recommendation:
The change funds approved for the Mission and Weslaco OSSF substations must be deposited with the County Treasurer. A copy of the County Treasurer's official County receipt must be provided to the County Auditor's Office.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct 1 *Monthly Fees Report* and all supporting documentation for the month of September 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

Mission, TX 78573

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of September 2014

Dear Constable Gallardo:

We have conducted a limited scope review of the Constable Precinct 3 *Monthly Fees Report* and all supporting documentation for the month of September 2014 pursuant to Local Government Code § 115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of September 2014 were $8,980.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

If you should have any questions, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by the Constable Precinct 4 Office on the *Monthly Fees Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of September 2014 were $610.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

Report No. 2014-22

Dear Mr. Villarreal:

We conducted a limited scope review of collections for the City of Pharr Tax Increment Reinvestment Zone No. 1 (TIRZ). The objective of the review was to determine whether TIRZ collection reports prepared by the Tax Office included collections received for all tax accounts located within the TIRZ.

The scope of the review was limited to tax accounts located within the TIRZ for tax roll 2013. The review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Pharr, TIRZ collections reports, and list of accounts coded THPR1 by the Hidalgo County Appraisal District (HCAD).

The results of the review revealed that 7 real property tax accounts (536692, 840315, 840314, 840313, 641780, 816347 and 203370) located within the TIRZ boundaries were not coded by the HCAD; therefore, the tax accounts were not included on the collections reports provided by the Tax Office. A letter was sent to the HCAD notifying them of the discrepancy.

We recommend that the tax accounts be added to the TIRZ collections reports once the required revisions are made by the HCAD. In addition, copies of the revised TIRZ collections reports should be submitted to the County Auditor's Office.

Report No. 2014-22

Dear Mr. Garza:

Property located within the City of Pharr Tax Increment Reinvestment Zone No. 1 (TIRZ) are coded THPR1 by the Hidalgo County Appraisal District (HCAD). We conducted a limited scope review of the list of accounts coded THPR1 (list) by the HCAD and the Hidalgo County Tax Office TIRZ collection reports. The objective of the review was to determine whether the list only included real property accounts located with the TIRZ boundaries.

The scope of our review was limited to randomly selected property accounts on that were coded THPR1 by the HCAD as of March 24, 2014 and TIRZ Collection reports provided by the Hidalgo County Tax Office as of January 31, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Pharr, the list of property accounts coded THPR1 by the HCAD and Hidalgo County Tax Office TIRZ collection reports.

The results of the review revealed the following:

- 1 personal property account was coded THPR1, in error. The THPR1 should only be utilized on real property accounts located within the TIRZ boundaries. The THPR1 code should be removed from property account number N2060-99-000-0004-09
- 7 real property account numbers, located within the TIRZ boundaries, were not included on the HCAD list. According to the HCAD staff, the property account numbers were not coded THPR1, in error. The following real property accounts should be coded THPR1: (1) K2400-00-000-0351-01; (2) K2400-00-000-0399-05; (3) K2400-00-000-0398-12; (4) J5700-70-000-0003-05; (5) J5700-70-000-0001-20; (6) J5700-70-000-0004-05; and (7) K2400-00-000-0351-00.

Please make the necessary corrections and submit the revised list to the offices of the Hidalgo County Auditor and Tax Assessor/Collector's at your earlier convenience.

Re: Tax Increment Reinvestment Zone No. 1, Pharr, Texas
Report No. 2014-22

Dear Mr. Sandoval:

We conducted a limited scope review of the interlocal agreement between the City of Pharr, Texas, Hidalgo County, Texas and the Reinvestment Zone (TIRZ) Number 1, City of Pharr, Texas. The objectives of the review were to determine the accuracy of the Pharr TIRZ 2013-2014 (collections from February 1, 2013 through January 31, 2014) payment amount and compliance with Section IV (B)(2), Section VII (J) of the interlocal agreement; Tax Code § 311.016 regarding completion of the Pharr TIRZ Number 1 annual report; and Tax Code § 311.0101 (c) regarding the report of contracts awarded to disadvantaged businesses.

The scope of our review was limited to the Pharr TIRZ tax accounts for tax roll 2013 and prior tax rolls, if applicable. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.
The results of our review revealed the following:

1. The County Auditor's Office determined that the amount due to the Pharr TIRZ for tax years 2013 and prior is $35,850.83 (see Exhibit A).
2. The annual report, fact sheet, and annual financial review were submitted in compliance with Section IV (B)(2), Section VIII (J) of the interlocal agreement and Tax Code §311.016 . The City of Pharr TIRZ did not provide a report of contracts awarded to disadvantaged businesses pursuant to Tax Code § 311.0101 (c) and section VII (J) of the interlocal agreement; however, a report was not required. According to the TIRZ, the TIRZ did not enter into any contracts with disadvantaged businesses.

Dear Mr. Garza:

Properties located within the City of Alamo Tax Increment Reinvestment Zone No. 1 (TIRZ) are coded THCAO by the Hidalgo County Appraisal District (HCAD). We conducted a limited scope review of the list of accounts coded THCAO (list) by the HCAD and the Hidalgo County Tax Office TIRZ collection reports. The objective of the review was to determine whether the list and collection reports only included real property accounts located with the TIRZ boundaries.

The scope of our review was limited to randomly selected property accounts that were coded THCAO by the HCAD as of March 24, 2014 and TIRZ Collection reports provided by the Hidalgo County Tax Office as of January 31, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Alamo, the list of property accounts coded THCAO by the HCAD and the Hidalgo County Tax Office TIRZ collection reports.

The results of the review revealed that 1 personal property account was coded THCAO by the HCAD, in error. The THCAO code should only be utilized on real property accounts; therefore, the THCAO code should be removed from personal property account number A1800-99-038-0008-21.

Report No. 2014-62

Dear Mr. Villarreal:

We have completed a limited scope review of the September 2014 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Perdue, Brandon, Fielder, Collins, and Mott, LLP ("Perdue") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended September 30, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request submitted by your office was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of September 2014 collections."
- Reviewed the "Hidalgo County Tax Office Prior Collection Report", "Hidalgo County Tax Office Current Collection Report", "Hidalgo County Texas Contractor Report of Delinquent Collections", and the "Final Distribution Totals September 2014 Perdue, Brandon, Fielder, Collins and Mott LLP" report to determine if the amount on the payment request was accurate.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the list of tax accounts with tax deferrals provided by your office along with the September 2014 DTA payment request to verify whether accounts with delinquent tax attorney fees that were not collected at 15% rate specified in the contract were related to accounts with tax deferrals.
- Reviewed the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" that reflected a negative amount and verified on *ACT*, the tax collection application system, whether delinquent tax attorney fees netted out from the payment request to Perdue were collected between January 1, 2007 through June 30, 2007 and previously paid to Linebarger Goggan Blair & Sampson, LLP ("LGBS").

The results of our review revealed that the payment request was generally accurate and properly authorized. Although delinquent tax attorney fees for 176 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals and rounding (see Exhibit A).

We will proceed to process the September 2014 DTA payment request for payment in the amount of $180,175.17.

Re: Audit of Jail Commissary Account
For the year ended December 31, 2013
Audit No. 2014-01

Dear Sheriff Guerra:

We have completed an audit of the Jail Commissary Account for the year ended December 31, 2013 in accordance with Local Government Code §351.0415 and our annual audit plan. The objectives of the audit were to determine whether:

1. Purchases made from the Jail Commissary Account were in compliance with Local Government Code §351.0415;
2. Collections and disbursements from the Jail Commissary Account were properly accounted and safeguarded; and
3. Assets (merchandise inventory, minor assets, and capital assets) were properly accounted and safeguarded.

The scope of the audit was limited to randomly selected transactions and the Jail Commissary merchandise and asset inventory listings as of December 31, 2013. Our audit was not designed nor intended to be a detailed study of every relevant internal control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that purchases, collections and disbursements from the Jail Commissary Account are properly accounted and safeguarded.

Based on the results of the audit, we have concluded that procedures were in place for ensuring that purchases from the Jail Commissary Account were made in compliance with Local Government Code §351.0415 (c), prices paid for merchandise inventory items were equal to or lower than the specified contract price. In addition, procedures were in place to ensure that daily sales were deposited to the Jail Commissary bank account in a timely manner. Furthermore, procedures were in place for properly voiding transactions and for properly accounting for and safeguarding minor and capital assets. However, improvements could be made to the procedures in place for the accounting and safeguarding of merchandise inventory.

In our opinion, these improvements could be easily achieved by implementing formal policies and procedures that will ensure an effective financial accounting and reporting system.

This report consists of an executive summary; a background; a list of findings, recommendations, and management responses; the audit objectives, scope, and methodology; and exhibits.

EXECUTIVE SUMMARY

We have completed an audit of the Jail Commissary Account for the year ended December 31, 2013 in accordance with Local Government Code §351.0415 and our annual audit plan. The objectives of the audit were to determine whether:

1. Purchases made from the Jail Commissary Account were in compliance with Local Government Code §351.0415;
2. Collections and disbursements from the Jail Commissary Account were properly accounted and safeguarded; and
3. Assets (merchandise inventory, minor assets, and capital assets) were properly accounted and safeguarded.

The scope of the audit was limited to randomly selected transactions and the Jail Commissary merchandise and asset inventory listings as of December 31, 2013. Our audit was not designed nor intended to be a detailed study of every relevant internal control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

In planning and performing our audit, we conducted interviews with Jail Commissary staff and reviewed applicable statutes, regulations, contracts, rules, policies, and procedures. The following procedures were performed:

- Reviewed randomly selected invoices to determine if purchases were made in compliance with Local Government Code §351.0415 (c).
- Reviewed randomly selected paid invoices to determine if the prices paid for merchandise inventory items were equal to or lower than the specified contract prices.
- Reviewed randomly selected merchandise inventory items to determine if the items were added to the *AbleTerm* inventory.
- Reviewed randomly selected daily "Commissary Sales" reports and validated deposit slips to determine if the sales amount on the reports were deposited to the Jail Commissary bank account in a timely manner.
- Reviewed the Jail Commissary asset listing and selected all assets for physical identification in order to verify the accuracy and completeness of the inventory listing and to determine whether the assets were properly tagged.
- Conducted a physical count of randomly selected Jail Commissary merchandise inventory categories to determine if the inventory quantities per *AbleTerm* agreed to the quantities on hand.
- Reviewed voided transactions contained in randomly selected daily "Commissary Sales" reports to determine if procedures for voiding transactions were properly followed.
- Reviewed judgmentally selected voided transactions to determine if the merchandise inventory items were added to the *AbleTerm* inventory system on the same day the transaction was voided.
- Reviewed the "Jail Commissary Inventory Adjustments Control Form Damage/Losses" and the "Jail Commissary Inventory Adjustments Control Form Over/Short" for the year ended December 31, 2013 to determine if the inventory adjustments were made in *AbleTerm* and if the adjustments were approved by a supervisor.

Overall Conclusion

Based on the results of the audit, we have concluded that procedures were in place for ensuring that purchases from the Jail Commissary Account were made in compliance with Local Government Code §351.0415 (c), prices paid for merchandise inventory items were equal to or lower than the specified contract price. In addition, procedures were in place to ensure that daily sales were deposited to the Jail Commissary bank account in a timely manner. Furthermore, procedures were in place for properly voiding transactions and for properly accounting for and safeguarding minor and capital assets. However, improvements could be made to the procedures in place for the accounting and safeguarding of merchandise inventory.

In our opinion, these improvements could be easily achieved by implementing formal policies and procedures that will ensure an effective financial accounting and reporting system.

EXECUTIVE SUMMARY

Summary of Findings:

1. Procedures were in place to ensure that purchases from the Jail Commissary Account were made in compliance with Local Government Code §351.0415 (c).
2. Procedures were in place to ensure that prices paid for merchandise inventory items were equal to or lower than the specified contract price and purchases of merchandise inventory items were added to the *AbleTerm* inventory system.
3. Procedures were in place to ensure that daily sales were deposited to the Jail Commissary bank account in a timely manner.
4. Procedures were in place for the proper accounting and safeguarding of minor and capital assets.
5. Improvements could be made to some of the procedures in place for the accounting and safeguarding of merchandise inventory.

Summary of Recommendations:

1. Continue with established procedures to ensure that Jail Commissary Account purchases are made in compliance with LGC §351.0415 (c).
2. Continue with established procedures to ensure that merchandise inventory items are purchased exclusively from the contracted vendors at a price equal to or lower than the specified contract prices and that merchandise inventory items purchased are added to the *AbleTerm* inventory system.
3. Continue with established procedures to ensure that daily sales are deposited to the Jail Commissary bank account in a timely manner.
4. Continue with established procedures to ensure that minor and capital assets are properly accounted and safeguarded.
5. Develop and implement formal monitoring procedures to ensure the inventory items are properly accounted and safeguarded.

BACKGROUND

Local Government Code §351.0415 authorizes the Sheriff to operate a jail commissary for the use of the inmates committed to the County jail. The jail commissary must be operated in accordance with rules adopted by the Commission on Jail Standards. Commissioners Court may not use jail commissary proceeds to fund the budgetary operating expenses of the County jail. The Sheriff has exclusive control of the jail commissary funds and must use commissary proceeds only to:

1. Fund, staff, and equip a program addressing the social needs of the inmates, including an educational or recreational program and religious or rehabilitative counseling;
2. Supply inmates with clothing, writing materials, and hygiene supplies;
3. Establish, staff, and equip the commissary operation and fund the salaries of staff responsible for managing the inmates' commissary accounts;
4. Fund, staff, and equip both an educational and a law library for the educational use of inmates; or
5. Fund physical plant improvements, technology, equipment, programs, services, and activities that provide for the well-being, health, safety, and security of the inmates and the facility.

Organizational Structure

The Jail Commissary has 11 positions: 1 Jail Commissary Supervisor, 8 Jail Commissary Clerks, 1 Inmate Interventionist Specialists, and 1 Accountant. The following is a summary of their duties:

- The Jail Commissary Supervisor is responsible for the general supervision of the Jail Commissary.
- The Jail Commissary Clerks are responsible for taking and delivering merchandise orders to the inmates and the storage, control, and count of merchandise inventory. The Jail Commissary Clerks also assist the general public with questions regarding the Jail Commissary system.
- The Inmate Interventionist Specialist is responsible for planning, coordinating, and overseeing the daily activities of programs and services for the inmates.
- The Accountant is responsible for the reconciliation of the Jail Commissary and Inmate Trust Fund bank accounts and the preparation of the related financial statements.

Jail Commissary Bank Account

Pursuant to Local Government Code § 351.0415 (b) (2), the Sheriff must maintain commissary accounts showing the amount of proceeds from the commissary operation and the amount and purpose of disbursements made from the proceeds. The Sheriff accomplishes this responsibility by maintaining the Jail Commissary bank account and preparing financial statements (e.g., Statement of Net Assets and Statement of Revenues, Expenses, and Changes in Fund Net Assets). The Sheriff is required to submit these financial statements to the County Auditor's Office, on a monthly basis, along with subsidiary ledgers and other supporting documentation. As of December 31, 2013, the Jail Commissary bank account had cash on deposit totaling $2,533,414.15. The Jail Commissary generated revenues totaling $1,335,593.95 and incurred expenses totaling $976,074.36, resulting in net income of $359,519.59 for the year ended December 31, 2013.

Operating Procedures

The Jail Commissary operates weekdays including holidays. The Jail Commissary offers 155 categories of merchandise items for sale to the inmates. Categories include: personal care (hygiene for hands and body), hair care, snacks, beverages, candy, food items, stationery supplies, greeting cards, phone cards, underclothes, and medication. Inmates may purchase items from the Jail Commissary by completing a pre-printed order form. The Jail Commissary staff reviews the request against the inmate's account balance in *AbleTerm* to determine if sufficient funds are available to fulfill the inmate's order request. If the inmate does not have sufficient funds, the inmate's order is fulfilled up to their available balance, their balance is reduced by the items purchased and they are notified of their new balance and that their entire order was not fulfilled.

At the end of each workday, the Jail Commissary Supervisor submits the daily "Commissary Sales" report and a daily "Transactions during the period" report to the releasing officer who issues a check from the Inmate Trust Fund bank account to the Jail Commissary bank account for the total daily sales on the "Commissary Sales" report. The Jail Commissary Supervisor prepares the deposit and forwards the deposit to the Jail's Administrative Assistant I. The Jail's Administrative Assistant I forwards a copy of the check, validated deposit slip, and the daily "Commissary Sales" report to the Jail Commissary Supervisor.

The Jail Commissary Supervisor checks the *AbleTerm* inventory system every two weeks and orders merchandise as needed. Before placing an order, the Jail Commissary Supervisor prepares a requisition in

Microsoft Excel and submits the requisition to the Captain for approval. When merchandise is received, the Jail Commissary Clerks compare the items received to the invoice. If any discrepancies are found, the discrepancies are noted on the packing slip and the Jail Commissary Clerks notify the Jail Commissary Supervisor. The Jail Commissary Supervisor verifies that the discrepancies exist and notifies the Vendor and a credit is recorded. The Jail Commissary Accountant will only pay for the number of items actually received. Once all the merchandise is verified, the Jail Commissary Supervisor updates the inventory in *AbleTerm* to reflect the new inventory count and approves the invoice for payment. Invoices are entered into *QuickBooks* by the Jail Commissary Supervisor. The original invoice is provided to the Jail Commissary Accountant. The Jail Commissary Accountant prints the check from *QuickBooks* and obtains the Captain or Commander's signature of approval. Once the check has been approved by the Captain or Commander, the check is forwarded to the Jail Commissary Supervisor to submit to Vendor.

A physical inventory count of merchandise items is conducted on a monthly basis. The Jail Commissary staff prepares a "Hidalgo County Sheriff's Jail Commissary Inventory Adjustments Control Form Damage/Losses" for damaged items (e.g., open or stale dated packages) and an "Hidalgo County Sheriff's Jail Commissary Inventory Adjustments Control Form Over/Short" for any variances found between the physical inventory count and *AbleTerm*. Inventory adjustments are made in *AbleTerm* by the Jail Commissary Supervisor and subsequently approved by the Commander. The inventory items reported as damaged/lost are verified by the Supervisor.

Sales transactions are voided when an inmate is released prior to receiving the commissary items ordered or when an inmate is issued the incorrect commissary item. The Jail Commissary Supervisor signs and dates the voided receipt. The voided receipt is marked "VOID" and the reason for the void is written on the receipt. After the voided receipt is approved by the Jail Commissary Supervisor, the Supervisor enters the voided items into the *AbleTerm* inventory system and a copy of the voided receipt is attached to the daily "Commissary Sales Report". If the inmate was released prior to receiving the commissary order, the Administration Sergeant is notified. The Administration Sergeant ensures that a check for the balance due is either picked up or mailed to the inmate.

Contracted Vendors

On August 16, 2011, Commissioners Court approved one-year contracts, effective August 19, 2011, for the purchase of commissary supplies (merchandise inventory items) with Keefe Supply Company and R&R Distributing. The contracts included a renewal option for an additional two one-year terms under the same rates, terms, and conditions. On August 14, 2012 and August 13, 2013, Commissioners Court approved a one-year extension as provided in the contracts with Keefe Supply Company and R&R Distributing. The contracts stipulate that the County agrees to pay the vendor the amounts specified in the contracts for the purchase of merchandise inventory items. In addition, the contracts stipulate that if the vendor's costs are reduced due to stabilization in the market, the prices for items on contract will be reduced, accordingly.

On September 6, 2011, Commissioners Court approved a two-year contract with Value Added Communications, Inc. (VAC), for the purchase of ten dollar pre-paid calling cards. The contract was effective from September 6, 2011 to September 5, 2013. The contract included a renewal option for an additional three year term. On August 27, 2013, Commissioners Court approved a three-year extension.

Capital Asset Guide

Pursuant to generally accepted accounting principles (GAAP), adequate controls must be maintained over capital and minor assets. In addition, the *GASB 34 Manual for Texas Cities and Counties* Chapter 12 states, "a government should maintain its capital asset records in its capital asset software module. This information should include asset identification numbers, equipment category codes, asset tag numbers, dates of acquisition, assigned departments, purchase costs and descriptions of each asset."

Assets (i.e., vehicles, land, buildings, machinery, equipment, computer systems) with a useful life greater than one year and an acquisition cost of $1,000 or more are capitalized and subject to inventory control pursuant to the Capital Asset Guide (the Guide) approved by Commissioners Court on October 23, 2001. Assets with an inventory cost of $300.00 to $999.99 are also subject to inventory control. The fair market value, instead of the acquisition cost, is used to capitalize and/or inventory donated and court-awarded assets.

Finding No. 1: **Procedures were in place to ensure that purchases from the Jail Commissary Account were made in compliance with Local Government Code §351.0415 (c).**

Condition:
We randomly selected 58 of 134 (43%) invoices paid during the year ended December 31, 2013 to determine if purchases were made in compliance with Local Government Code §351.0415 (c).

The 58 invoices totaled $216,346.44 and included purchases for LED televisions, books, office supplies, and merchandise inventory items (i.e., indigent hygiene kits, personal care items, hair care, snacks, beverages, candy, food items, stationary supplies, postal stamps, underclothes, telephone cards and medication).

The results of our review revealed that all 58 (100%) invoices were for items purchased in compliance with Local Government Code §351.0415.

Criteria:
Local Government Code §351.0415 (c) states that the Sheriff or the Sheriff's designee may use commissary proceeds only to:

1. Fund, staff, and equip a program addressing the social needs of the inmates, including an educational or recreational program and religious or rehabilitative counseling;
2. Supply inmates with clothing, writing materials, and hygiene supplies;
3. Establish, staff, and equip the commissary operation and fund the salaries of staff responsible for managing the inmates' commissary accounts;
4. Fund, staff, and equip both an educational and a law library for the educational use of inmates or;
5. Fund physical plant improvements, technology, equipment, program services, and activities that provide for the well-being, health, safety, and security of inmates and the facility.

Local Government Code §351.0415 (g) further states commissary proceeds may only be used for the purposes described in Subsection (c). A commissioners court may not use commissary proceeds to fund the budgetary operating expenses of a county jail.

Cause:
Procedures were in place to ensure that purchases from the Jail Commissary Account were made in compliance with Local Government Code §351.0415 (c).

Effect:
Funds were available for the operations of the Jail Commissary and other activities that benefit inmates.

Recommendation:
Continue with established procedures to ensure that Jail Commissary Account purchases are made in compliance with LGC §351.0415 (c).

Finding No. 2: **Procedures were in place to ensure that prices paid for merchandise inventory items were equal to or lower than the specified contract price and purchases of merchandise inventory items were added to the *AbleTerm* inventory system.**

Condition:
We reviewed 58 of 134 (43%) randomly selected paid invoices to determine if the prices paid for merchandise inventory items were equal to or lower than the specified contract prices. The 58 invoices included the purchase of 460 items. Of the 460 items, 396 items purchased were under contract.

The results of our review revealed that of the 396 items:

- 384 (97%) items were purchased at the contract price.
- 12 (3%) items were purchased at a price lower than the contracted price. The per unit price difference ranged from $0.08 to $0.25 for a total savings of $283.56.

In addition, we reviewed 20 of 396 (5%) randomly selected merchandise inventory items listed on the invoices to determine if the purchased items were added to the *AbleTerm* inventory. The results of our review revealed that all items were added to the *AbleTerm* inventory.

Criteria:
On August 16, 2011, Commissioners Court approved one-year contracts, effective August 19, 2011, for the purchase of commissary supplies (merchandise inventory items) with Keefe Supply Company and R&R Distributing. The contracts included a renewal option for an additional two one-year terms under the same rates, terms, and conditions. On August 14, 2012 and August 13, 2013, Commissioners Court approved a one-year extension as provided in the contracts with Keefe Supply Company and R&R Distributing. The contracts stipulate that the County agrees to pay the vendor the amounts specified in the contracts for the purchase of merchandise inventory items. In addition, the contracts stipulate that if the vendor's costs are reduced due to stabilization in the market, the prices for items on contract will be reduced, accordingly.

On September 6, 2011, Commissioners Court approved a two-year contract with Value Added Communications, Inc. (VAC), for the purchase of ten dollar pre-paid calling cards. The contract was effective from September 6, 2011 to September 5, 2013. The contract included a renewal option for an additional three year term. On August 27, 2013, Commissioners Court approved a three-year extension.

Proper accounting procedures require that the value and count of inventory items on hand agree to the value and count of inventory items per accounting records. In addition, purchases and returns of merchandise inventory items should be added to inventory while sales and damaged merchandise inventory items should be reduced from inventory.

Cause:
Procedures were implemented to ensure that merchandise inventory items were purchased exclusively from the contracted vendors at a price equal to or lower than the specified contract prices. In addition, procedures were in place to ensure that purchases of merchandise inventory items were added to the *AbleTerm* inventory system.

Effect:
Ensuring that merchandise inventory items are purchased exclusively from the contracted vendors at a price equal to or lower than the specified contract prices results in more funds being available for Jail Commissary operations. In addition, adding purchases of merchandise inventory items to the *AbleTerm* inventory system helps ensure that the merchandise inventory is properly updated.

Recommendation:
Continue with established procedures to ensure that merchandise inventory items are purchased exclusively from the contracted vendors at a price equal to or lower than the specified contract prices and that merchandise inventory items purchased are added to the *AbleTerm* inventory system.

Finding No. 3: **Procedures were in place to ensure that daily sales were deposited to the Jail Commissary bank account in a timely manner.**

Condition:
We randomly selected 48 of 329 (15%) daily "Commissary Sales" reports and compared the total daily sales amounts on the "Commissary Sales" reports to the validated deposit slips to determine if the sales amount listed on the "Commissary Sales" reports were deposited to the Jail Commissary bank account in a timely manner. The results of our review revealed the following:

In all 33 instances, the sales amount listed on the "Commissary Sales" reports was deposited to the Jail Commissary bank account in a timely manner.

Criteria:
The "Commissary Sales" report is generated on a daily basis and contains the amount of total daily sales to be deposited to the Jail Commissary bank account on a daily basis except on weekends as required by the Jail Commissary operating procedures.

The Hidalgo County Cash Handling Guidelines and Procedures are the minimum requirements necessary for ensuring adequate internal controls and the safeguarding of public funds. The guidelines and procedures also require that cash receipts be deposited intact on a daily basis, unless the amount collected is less than $100.00.

Cause:
Procedures were in place to ensure that the sales amounts on the "Commissary Sales" reports were deposited to the Jail Commissary bank account in a timely manner.

Effect:
Timely deposit of daily sales into the Jail Commissary bank account will minimize the risk of misuse or loss of funds.

Recommendation:
Continue with established procedures to ensure that daily sales are deposited to the Jail Commissary bank account in a timely manner.

Finding No. 4: **Procedures were in place for the proper accounting and safeguarding of minor and capital assets.**

Condition:
We reviewed the Jail Commissary asset listing as of December 26, 2013, consisting of 95 assets (machinery and equipment), and selected all assets for physical identification in order to verify the accuracy and completeness of the inventory listings and to determine whether the assets were properly tagged.

The results of our review revealed the following:

- 86 (91%) assets were physically located and contained asset tags.
- 6 (6%) assets (computers) were physically located; however, they did not contain the original asset tag, instead, they contained a tag that had the asset tag number written on it.
- 3 (3%) assets (televisions) were visually located; however, we were unable to confirm asset tags or serial numbers due to the assets being mounted on the walls inside of an inmate cell.

Criteria:
Pursuant to generally accepted accounting principles (GAAP), adequate controls must be maintained over capital and minor assets. In addition, the *GASB 34 Manual for Texas Cities and Counties* Chapter 12 states, "a government should maintain its capital asset records in its capital asset software module. This information should include asset identification numbers, equipment category codes, asset tag numbers, dates of acquisition, assigned departments, purchase costs and descriptions of each asset."

Assets (i.e., vehicles, land, buildings, machinery, equipment, computer systems) with a useful life greater than one year and an acquisition cost of $1,000 or more are capitalized and subject to inventory control pursuant to the Capital Asset Guide (the Guide) approved by Commissioners Court on October 23, 2001. Assets with an inventory cost of $300.00 to $999.99 are also subject to inventory control. The fair market value, instead of the acquisition cost, is used to capitalize and/or inventory donated and court-awarded assets.

Cause:
Procedures were generally implemented for the proper accounting and safeguarding of assets.

Effect:
Properly safeguarding assets decreases the risk of theft or loss.

Recommendation:
Continue with established procedures to ensure that assets are properly accounted and safeguarded. In addition, request asset tags from the Purchasing Department's Fixed Assets Division for the computers and ensure the 3 televisions are properly tagged.

Finding No. 5: **Improvements could be made to some of the procedures in place for the accounting and safeguarding of merchandise inventory.**

Condition:
The Jail Commissary offers 155 categories of merchandise items for sale to the inmates. We conducted a physical count of 78 (50%) randomly selected inventory categories to determine if the inventory quantities per *AbleTerm* agreed to the quantities on hand.

The results of the review revealed the following:

- For 72 (92%) categories, the inventory on hand agreed with the inventory quantities in *AbleTerm.*
- For 6 (8%) categories, the inventory on hand did not agree with the inventory quantities in *AbleTerm.*

- For 4 categories, the physical count was higher than the quantity in *AbleTerm* resulting in a net gain of $14.19.
- For 2 categories, the physical count was lower than the quantity in *AbleTerm* resulting in a net loss of $23.78.

We randomly selected 33 of 329 (10%) daily "Commissary Sales" reports which contained 62 voided transactions to determine if procedures for voiding transactions were properly followed.

The results of our review revealed that for all 62 (100%) voided transactions, procedures for voiding transactions were properly followed.

In addition, we judgmentally selected 25 of the 62 (40%) voided transactions to determine if the merchandise inventory items were added to the *AbleTerm* inventory system on the same day the transaction was voided. The results of our review revealed the following:

- All 25 merchandise inventory items were added back to the *AbleTerm* inventory system.
  - 23 of 25 (92%) merchandise inventory items were added to the *AbleTerm* inventory system on the same day the transaction was voided.
  - 2 of 25 (8%) merchandise inventory items were added to the *AbleTerm* inventory system 1 day after the transaction was voided.

We reviewed 12 "Jail Commissary Inventory Adjustments Control Form Damage/Losses" and 12 "Jail Commissary Inventory Adjustments Control Form Over/Short" for the year ended December 31, 2013 to determine if the inventory adjustments were made in *AbleTerm* and if the adjustments were approved by a supervisor.

The forms (12 Damage/Losses forms and 12 Over/Short forms) included inventory adjustments for 3,676 items. The results of our review revealed the following:

- All 3,676 (100%) items were adjusted in the *AbleTerm* system.
- All forms were approved by a supervisor.

The 3,676 items were adjusted due to the following:

- 734 items were damaged, resulting in a net loss of $520.03. According to the "Jail Commissary Inventory Adjustments Control Form Damage/Losses," some of the items were open, broken, and expired.
- 1,041 items on hand were less than the amount noted in the inventory quantities in *AbleTerm* resulting in a net loss of $656.53.
- 1,901 items on hand were more than the amount noted on the inventory quantities in *AbleTerm* resulting in a net gain of $1,427.41.

The amount of adjustments (3,676) made to the inventory quantities in *AbleTerm* was excessive. It appears that due diligence was not exercised when taking inventory of the merchandise items.

Criteria:
Proper accounting procedures require that the value and count of inventory items on hand agree to the value and count of inventory items per accounting records. In addition, purchases and returns of merchandise inventory items should be added to inventory while sales and damaged merchandise inventory items should be reduced from inventory.

Sales transactions are voided when an inmate is released prior to receiving the commissary items ordered or when an inmate is issued the incorrect merchandise item.

Pursuant to "Hidalgo County Cash Handling Guidelines and Procedures," approval to void a sales transaction must be obtained from the Supervisor. The Supervisor must approve each voided sales transaction by signing and dating the voided receipt to document the responsibility for verifying that the receipt is marked "VOID" on the face of the receipt, contains an explanation for the void, and contains the date the receipt was voided. If a new receipt is issued, the voided receipt number and the new receipt number should be cross-referenced. In addition, computer access controls to void receipts should be limited to supervisors.

Merchandise inventory items on voided transactions should be added to the *AbleTerm* inventory system on the same day that the transaction was voided.

A physical inventory count of merchandise items is conducted on a monthly basis. The Jail Commissary staff prepares a "Hidalgo County Sheriff's Jail Commissary Inventory Adjustments Control Form Damage/Losses" for damaged items (i.e., open and stale dated packages) and an "Hidalgo County Sheriff's Jail Commissary Inventory Adjustments Control Form Over/Short" for any variances found between the physical inventory count and *AbleTerm*. Inventory adjustments are made in *AbleTerm* by the Jail Commissary Supervisor and are subsequently approved by the Commander. The inventory items reported as damaged/lost are verified by the Accountant.

Cause:
Formal monitoring procedures for the proper accounting and safeguarding of merchandise inventory items have not been implemented. More specifically, due diligence was not exercised when taking inventory of merchandise items. In addition, inventory adjustments were made in *AbleTerm* by the Jail Commissary Supervisor prior to obtaining approval by the Commander.

Effect:
Failure to properly account and safeguard merchandise inventory items may result in errors and irregularities going undetected and loss of revenues.

Recommendation:
Formal monitoring procedures should be developed and implemented to ensure that merchandise inventory items are properly accounted and safeguarded. At a minimum, procedures implemented should require that:

- Merchandise inventory items are accounted for when received from the vendor.
- Merchandise inventory items are examined when received from the vendor to ensure that the items are not expired, open, broken, etc. Any damaged merchandise items should be immediately returned to the vendor for credit.
- Staff exercises due diligence while conducting physical inventories;
- Merchandise inventory items are sold in the order of their expiration date;
- Merchandise inventory items are handled with care in order to prevent damage;
- Merchandise inventory purchases and sales entered into *AbleTerm* are verified for accuracy;
- Merchandise inventory items from cancelled sales are added back to inventory;
- A physical inventory count of all merchandise inventory items is conducted and reconciled to inventory reports generated from *AbleTerm* on a monthly basis;
- Formal approval from management be obtained prior to making adjustments to the *AbleTerm* inventory system in order to reconcile the physical inventory count to the *AbleTerm* inventory system; and
- Management continuously monitor all shortages to determine if there is a pattern meriting further investigation, modification of procedures, retraining of personnel, or disciplinary action.

Management Response:
One of the most important aspects of the commissary department is keeping a correct inventory of all merchandise. We currently do not have a system in place that allows for a correct day to day inventory of all merchandise. A computerized scanning/inventory system would be a great asset to the commissary department. This type of system in return would greatly reduce or cease any shortages or overages in the inventory. This system would also diminish any human error which also accounts for most of the shortages and overages.

A request for hand held scanners and two-ply receipt printers have been requested from Tyler Technologies. Tyler Technologies is scheduled to implement upgraded software in August of 2015.

Effective immediately, the Jail Commissary Supervisor will obtain approval before any end of the month inventory adjustments are made in *AbleTerm*. Approval must be obtained by the Jail Commander or Captain.

Effective immediately, the Jail Commissary Accountant will provide the Jail Commissary Supervisor with a monthly report showing a month to month comparison of adjustments made to inventory. This will provide for a continuous monitoring of shortages and overages.

Target Date of Remedial Action:
Immediately

OBJECTIVES, SCOPE AND METHODOLOGY

Objective:
We have completed an audit of the Jail Commissary account for the year ended December 31, 2013 in accordance with Local Government Code §351.0415 and our annual audit plan. The objectives of the audit were to determine whether:

1. Purchases made from the Jail Commissary Account were in compliance with Local Government Code §351.0415;
2. Collections and disbursements from the Jail Commissary Account were properly accounted and safeguarded; and
3. Assets (merchandise inventory, minor assets, and capital assets) were properly accounted and safeguarded.

Scope:
The scope of the audit was limited to randomly selected transactions and the Jail Commissary merchandise and asset inventory listings as of December 31, 2013. Our audit was not designed nor intended to be a detailed study of every relevant internal control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

Methodology:
In planning and performing our audit, we conducted interviews with Jail Commissary staff and reviewed applicable statutes, regulations, contracts, rules, policies, and procedures. The following procedures were performed:

- Reviewed randomly selected invoices to determine if purchases were made in compliance with Local Government Code §351.0415 (c).
- Reviewed randomly selected paid invoices to determine if the prices paid for merchandise inventory items were equal to or lower than the specified contract prices.
- Reviewed randomly selected merchandise inventory items to determine if the items were added to the *AbleTerm* inventory.
- Reviewed randomly selected daily "Commissary Sales" reports and validated deposit slips to determine if the sales amount on the reports were deposited to the Jail Commissary bank account in a timely manner.
- Reviewed the Jail Commissary asset listing and selected all assets for physical identification in order to verify the accuracy and completeness of the inventory listing and to determine whether the assets were properly tagged.
- Conducted a physical count of randomly selected Jail Commissary merchandise inventory categories to determine if the inventory quantities per *AbleTerm* agreed to the quantities on hand.
- Reviewed voided transactions contained in randomly selected daily "Commissary Sales" reports to determine if procedures for voiding transactions were properly followed.
- Reviewed judgmentally selected voided transactions to determine if the merchandise inventory items were added to the *AbleTerm* inventory system on the same day the transaction was voided.
- Reviewed the "Jail Commissary Inventory Adjustments Control Form Damage/Losses" and the "Jail Commissary Inventory Adjustments Control Form Over/Short" for the year ended December 31, 2013 to determine if the inventory adjustments were made in *AbleTerm* and if the adjustments were approved by a supervisor.

Re: Review of Sheriff's Inmate Trust Balance Sheet
For the Months of January 2014 through May 2014

Dear Sheriff Guerra:

We conducted a limited scope review of the statement of net assets (balance sheet) of the Inmate Trust Fund Account for the months of January 2014 through May 2014 pursuant to Local Government Code §115.001. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the balance sheet.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets and applicable supporting documentation. However, we noted that the system of internal controls for the accounting of inmate trust funds requires improvement as noted below:

Accounts Receivable
As of May 31, 2014, the "Accounts Receivable" account had a balance of $1,685.97. The balance consisted of overpayments made to 88 inmates between December 2003 and May 2014, in error.

We recommend that management seek payment from the inmates who received an overpayment. If all collection efforts have been exhausted, an indemnification request should be submitted to Commissioners Court for approval pursuant to Local Government Code (LGC) §157.903. Copies of any documentation that supports the claim for indemnification should be attached to the agenda item. Supporting documentation may include: investigative reports, letters sent by the Department attempting collection, phone call log of call attempts, etc.

Due to Others – Overage
As of May 31, 2014, the "Due to Other – Overage" account had a balance of $178.49 due to unidentified net overages. The overages occurred between March 2007 and December 2013.

We recommend that the $178.49 net overage be transferred to the County Treasurer's office by December 5, 2014 and credited to the miscellaneous revenue account.

Held in Trust
As of May 31, 2014, the "Held in Trust" account had a cash balance of $62,176.70 and consisted of funds received from inmates and/ or the inmates' family members. However, the balance on the "Prior Account Balance Report", a report generated from *Ableterm* (the County's law enforcement system) that lists the names of the inmates and the amount of funds held in trust for each inmate, was only $55,868.85 resulting in

an unidentified variance of $6,307.85. The names of the inmates who are owed the remaining $6,307.85 remain unidentified. The unidentified variance has existed for at least over 19 years.

We recommend that research be conducted to identify the owners of the $, 6,307.85. If all efforts to identify the owners are exhausted, the funds should be escheated to the County Treasurer's Office or the State Comptroller's Office, as applicable, pursuant to the escheat laws.

Re: Review of Sheriff's Fee Balance Sheet
As of July 31, 2014 and August 31, 2014

Dear Sheriff Guerra:

We conducted a limited scope review of the statement of net assets (balance sheets) of the Fee Trust Account as of July 31, 2014 and August 31, 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the balance sheets.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets and applicable supporting documentation. However, we noted that the system of internal controls for the collection of accounts receivable requires improvement as noted below:

Due from Federal Government – Boarding of Prisoners

The Due from Federal Government balance as of August 31, 2014 was $57,390.34 and consisted of the following:

- "Due from Army" totaling $1,664.00 and consisting of billings for the months of April 2011 ($468.00), September, 2011 ($260.00), November 2011 ($520.00), May 2013 ($156.00), and August 2013 ($260.00).
- "Due from Border Patrol" totaling $286.81 and consisting of billings for the months of June 2002 ($64.00), August 2003 ($159.15), and January 2004 ($63.66).
- "Due from Bureau of Prisons" totaling $53,860.63 and consisting of billings for the months of September 2004 ($3,056.63), July 2014 ($27,040.00) and August 2014 ($23,764.00).
- "Due from DHS/ICE" totaling $732.09 and consisting of billings for the months of August 2007 ($381.96), May 2008 ($31.83), and September 2008 ($318.30).
- "Due from ICE" totaling $127.32 and consisting of billing for the month of February 2005.
- "Due from INS" totaling $95.49 and consisting of a billing for the month of May 2003 ($95.49).
- "Due from US Marshalls" totaling $624.00 and consisted of a billing for the month of August 2014.

According to staff, research is being conducted to determine the reason the billings have not been paid. In addition, payment is being sought from the Federal Government.

Re: Review of the H.B. 65 Balance Sheet
For the months of January 31, 2014 through August 2014

Dear Mr. Guerra:

We conducted a limited scope review of the statement of net assets (balance sheet) and applicable supporting documentation of the H.B. 65 account for the months of January 2014 through August 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the financial statements.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets (balance sheet) and applicable supporting documentation. However, we noted that the system of internal controls for the accounting of funds requires improvement as noted below:

1. Client Trust Liability

As of August 31, 2014, the "Client Trust Liability" account had a balance of $8,107,444.67 consisting of 93 certificates of deposit (CDs). Of the 93 CDs, cases related to 45 CDs totaling $7,576,155.41 had not been disposed as of August 31, 2014. Of the remaining 48 CDs totaling $531,289.23:

- 9 CD's totaling $399,592.62 were related to cases that had been disposed as early as June 12, 2014 (i.e., an order for non-suit or judgment had been rendered); however, the funds had not been distributed (see Exhibit A).
- 39 CD's totaling $131,696.61 were related to cases in which sufficient information to properly account for the CD's was not provided (e.g., cause number, seizing agency, date of seizure, date CD was opened, original amount of CD, current status of case) (see Exhibit B). Due to the lack of this information, we could not determine whether the funds were pending to be distributed to the proper parties.

We recommend that funds listed in Exhibit A be distributed to the proper parties by November 30, 2014. In addition, information to properly account for the CD's listed in Exhibit B should be submitted to the County Auditor's Office by November 30, 2014 (e.g., cause number, seizing agency, date of seizure, date CD was opened, original amount of CD, current status of case, etc.). If a final judgment or order of non-suit was rendered, funds should be distributed to the proper parties by November 30, 2014. If the parties cannot be located, the funds should be escheated to the State Comptroller or the County Treasurer, as applicable, by November 30, 2014. Please visit the following State Comptroller's website for assistance regarding the escheating of unclaimed property: http://www.window.state.tx.us/up/reporting.html.

2. Due to Others

As of August 31, 2014, the "Due to Others" account had a balance of $31,031.48; however, a subsidiary ledger detailing to whom the funds are owed was not maintained. The balance has been carried forward since at least December 2003. According to the District Attorney's Office Accountant, the balance may possibly represent interest earnings from prior years.

We recommend that research be conducted to determine if the funds are interest earning or the funds are owed to various individuals and/or organizations. If the District Attorney's Office determines that funds consist of interest earnings belonging to the District Attorney, the funds should be remitted to the County Treasurer's Office for deposit into the District Attorney Chapter 59 Fund. If the funds are owed to various individuals/organizations, the funds should be distributed to the applicable parties by November 30, 2014. A detailed listing of the individuals and/or organizations to which the funds are owed should be submitted to the County Auditor's Office. If the individuals cannot be located, the funds should be escheated to the State Comptroller and/or County Treasurer, as applicable, by November 30, 2014.

Please provide a management response to the findings noted above by November 30, 2014.

Your prompt attention to this matter is greatly appreciated. If you should have any questions, do not hesitate to contact Carlos Ramirez, MSA, Internal Auditor II, at 318-2511 ext. 4654, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Respectfully,

Re: Review of the HIDTA H.B. 65 Financials for the months of January 2014 through August 2014

Dear Mr. Guerra:

We conducted a limited scope review of the statement of net assets (balance sheet) and applicable supporting documentation of the HIDTA H.B. 65 account for the months of January 2014 through August 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the financial statements.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets (balance sheet) and applicable supporting documentation. However, we noted that the system of internal controls for the accounting of funds requires improvement as noted below:

A. Certificates of Deposit (CD)

1. CD Number 45210838 (Lone Star National Bank)

As of August 31, 2014, CD number 45210838 totaled $1.77. The certificate of deposit was originally opened on July 25, 2011. Per the certificate of deposit copy, the funds represent funds seized related to HIDTA case number 2010-00-032 on July 14, 2011.

We recommend that the status of the case be provided (i.e., case number assigned by the District Clerk's Office, case disposition, etc.) If the case was declined for prosecution or has been disposed, the funds should be distributed to the proper parties. Furthermore, if the individual to whom the funds are owed cannot be located, the funds should be escheated to the County Treasurer by November 30, 2014.

2. CD Number 45210852 and 45210850

As of August 31, 2014, CD number 15087735 and 15087743 totaled $1,202.64 and $972.13, respectively. Per the certificate of deposit copies, the funds represent funds seized related to HIDTA case number 2012-0132 on July 27, 2012 and HIDTA case number 2010-09-001 on September 7, 2010.

We recommend that the status of the cases be provided (i.e., case numbers assigned by the District Clerk's Office, case disposition, etc.) If the case was declined for prosecution or has been disposed, the funds should be distributed to the proper parties. Furthermore, if the individuals to whom the funds are owed cannot be located, the funds should be escheated to the State Comptroller or County Treasurer, as applicable by November 30, 2014.

Please provide management responses to items A1and A2 noted above by November 30, 2014.

If you should have any questions or concerns, please contact Carlos Ramirez, Internal Auditor II, at 318-2511 ext. 4652, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, or Arcy B. Duran, CPA, Director Audit, at ext. 4645.

Re: Cash Count
Report No. 2014-548

Dear Mr. Olivarez:

We conducted a surprise cash count of the cash held at the Weslaco Health Clinic on October 29, 2014, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. Based on the results of our review, we have concluded that total cash on hand did reconcile to the approved change fund of $25.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
We noted that security cameras were not utilized where cash is receipted and safeguarded. According to management, security cameras have not been installed due to budgetary constraints.

The County Auditor's Office recommends that security alarms and security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice

stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are installed and utilized where cash is receipted and safeguarded. Management should contact the Department of Budget and Management to request funding assistance to purchase the security cameras.

Please provide written management responses to the observation noted above by December 2, 2014.

In addition, information regarding the items listed below was previously provided to our office. Please provide any updated procedures, if applicable, by December 2, 2014. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you have any questions regarding this cash count or would like to schedule a meeting to discuss this cash count, please contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext.4604.

October 21, 2014

Honorable Gilberto Saenz
Hidalgo County Justice of the Peace Pct. 1, Pl. 1
1902 Joe Stephens, Suite 301
Weslaco, Texas 78596

Re: Cash Count
Report No. 2014-554

Dear Judge Saenz:

We conducted a surprise cash count of the cash held at your office on September 22, 2014, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. In addition, we evaluated the procedures in place related to 1.) the collections process; 2.) accounting of citations and civil cases filed with the court; and 3.) documenting the authorization of dismissed criminal cases for the period of October 1, 2013 through October 31, 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, segregation of duties, filing of citations and civil cases, and documenting the authorization of dismissed cases.

Conclusion:
Total cash on hand at the time of the cash count was $450.00. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted during our review that collections were not maintained in a locked cash drawer. Instead, collections were maintained in an unlocked cash bag in an unlocked drawer. According to staff, they were not aware that collections needed to be maintained in a locked cash drawer; however, locked cash bags were requested from the County Treasurer and received on September 24, 2014.

The County Auditor's Office requires that cash be safeguarded under lock and key by using a cash drawer, safe, or other secure place until it is deposited. Furthermore, to establish individual responsibility for cash receipts, each cashier must be assigned to a separate cash drawer which only that cashier may access while on duty and must be locked during the cashier's absence.

Failure to properly secure cash may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that all cash placed in locked cash bags is safeguarded under lock and key by using a cash drawer, safe, or other secure place until it is deposited.

Observation No. 2:
We noted during our review that segregation of duties over the handling of cash requires improvement. The Court Coordinator performs the following incompatible duties:

- Custody: Receives money, issues receipts, opens and lists mail receipts, balances copies of receipts against cash bag, maintains cash bag, prepares deposits, and has access to the inventory of unused receipts
- Recording: Accounts for numerical sequence of cash receipts, records disbursements in cash disbursement log, prepare billings and follows up on delinquencies, has the ability to write off dismissed cases, and prepares monthly report.
- Approval: Compares listed mail receipts to recorded cash receipts and verifies that voided original receipts are kept and reviewed

According to staff, all employees share responsibility for accepting cash receipts and the daily cash reconciliation. In addition, segregation of duties is difficult to implement due to limited staff and a heavy work load.

The responsibility of sound internal controls rests with management. Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of assets, recording transactions, and authorization. The individual responsible for receiving money, issuing receipts, opening and listing mail receipts, balancing copies of receipts issued against the cash bag, maintaining the cash bag, preparing deposits, and having access to the inventory of unused receipts should be different from the individual responsible for accounting for the numerical sequence of cash receipts, recording disbursements in cash disbursement log, preparing billings and following up on delinquencies, having the ability to write off dismissed cases, and preparing the monthly report. In addition, the individuals previously noted should be different from the individual responsible for comparing listed mail receipts to recorded cash receipts and verifying that voided original receipts are kept and reviewed.

Maintaining segregation of duties is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations. Adequate and timely supervision is especially important in small departments, where limited personnel may inhibit a thorough segregation of duties.

Failure to have adequate segregation of duties increases the risk of loss or misuse of County revenues.

Recommendation:
Management should implement formal procedures to ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented.

Observation No. 3:
Passwords to gain access to *AbleTerm,* the County's justice information system, are not changed at least every 90 days. In addition, passwords are shared among staff. According to staff, *AbleTerm* has not been programmed to prompt and require users to change passwords. The IT Department informed the Justice of the Peace staff that in order to update a password in *AbleTerm*, a written request to update the password must be

submitted to the IT Department. In addition, according to staff, passwords are shared in order to expedite the processing of work (i.e., issuing receipts and entering case information on a difference case at the same time).

The Information Technology (IT) Securities Policy requires that passwords not be shared and changed at least every 90 days.

Sharing passwords and failure to change passwords may increase the risk of unauthorized access to *AbleTerm*.

Recommendation:
Management should submit a written request to the Information Technology Department requesting that passwords be updated at least every 90 days. In addition, management should ensure that passwords to gain access to *AbleTerm* are not shared.

Observation No. 4:
Procedures for the accounting of citations received from law enforcement agencies and civil cases filed with the court require improvement as follows:

1. Citations received from law enforcement agencies were recorded on a log, however, required information was not recorded on the log (i.e., citation number, name of violator/plaintiff, date of entry into *AbleTerm/ Odyssey* and docket number assigned to the citation).
2. A reconciliation of citations and civil cases filed at the court to those recorded on *AbleTerm/Odyssey* was not conducted and formally documented; and
3. Duties related to citations and civil cases are not properly segregated. Individuals responsible for issuing receipts (custody responsibility) are also responsible for entering citations and civil cases into *AbleTerm/ Odyssey* (reporting responsibility).

According to staff, procedures for the accounting of citations and civil case filings have not been improved due to a heavy case load and limited staff.

The County Auditor's Office requires that a reconciliation of citations and civil cases (cases) filed at the court be conducted and formally documented. This reconciliation may be conducted and formally documented by completing a cases filed log (log). Cases should be entered into *AbleTerm/Odyssey* the same day they are received. Any exceptions should be brought to the attention of the Supervisor, placed in a locked area, and processed on the next business day. The following procedures should be followed when processing citations:

a. The person responsible for opening the mail and/or accepting the delivery of cases should immediately list the cases on the log before distribution to the person responsible for entering them on *Ableterm/Odyssey*. Since the person responsible for entering the cases on *Ableterm/Odyssey* has recording responsibilities, he/she should not be responsible for accepting payments.
b. The person responsible for opening the mail and/or accepting the delivery of cases should note, at a minimum, the following on the log: date received, citation number, name of violator/plaintiff, and name of officer who issued the citation, as applicable. The person responsible for noting this information should provide his/her signature on the "Prepared by" line of the log.
c. The person responsible for entering the cases on *Ableterm/Odyssey* should enter the date of entry and docket number assigned to the case and his/her signature on the log.
d. The "New Cases" and "Cases Filed" reports for the specified date should be generated from *Ableterm/ Odyssey* and reconciled to the log by a person other than the person responsible for entering the cases on *Ableterm/Odyssey*. Any variances should be noted on the log, with a detailed explanation, and immediately brought up to the attention of the Justice of the Peace. In addition, the person conducting this reconciliation should provide his/her signature on the log as acknowledgment of the reconciliation.
e. Citations should be placed in the applicable file.
f. The Justice of the Peace should request periodic reports regarding the cases filed with the courts from law enforcement agencies and reconcile the reports to the cases recorded in *Ableterm/Odyssey*.
g. Copies of the logs and periodic reports received from law enforcement agencies shall be maintained by the Justice of the Peace Office. This documentation shall be made available to the County Auditor's Office for review upon request.

Maintaining adequate internal controls over citations is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel,

management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations.

Failure to ensure that citations and civil cases are properly accounted and reconciled or that applicable compensating controls are implemented increases the risk of loss or misuse of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that citations and civil cases are properly accounted and reconciled. If these procedures cannot be implemented, management should ensure that compensating controls are implemented.

Observation No. 5:
We randomly selected 12 of 112 (10%) dismissed criminal cases for the month ended August 31, 2014 to determine if authorization for dismissal of the cases was properly documented. The results of the review revealed the following:

- 4 (33%) dismissals were properly documented. The dismissals contained a "Motion to Dismiss" submitted by the District Attorney's Office, "Order to Dismiss" signed by the Justice of the Peace, and reason(s) for the dismissal noted in the applicable docket book.
- 8 (67%) dismissals were not properly documented. Of the 8 case files, 7 lacked the "Motion to Dismiss" submitted by the District Attorney's Office and an "Order to Dismiss" signed by the Justice of the Peace. In addition, although the remaining case file contained copies of documents as proof of dismissal based on the judge's discretion, the case file lacked an "Order to Dismiss" signed by the Justice of the Peace. All 8 cases contained a reason for dismissal noted in the applicable docket in *AbleTerm*.

Pursuant to the Justices of the Peace Manual, Justices of the Peace may dismiss cases in criminal proceedings only when specifically authorized to do so by statute or when directed to do so by the prosecution (i.e. district attorney) in accordance with Code of Criminal Procedure Art. 32.02. All dismissals should be noted in the applicable docket book along with the reason(s) for dismissal.

A properly authorized dismissed criminal case should include in the case files and/or the docket book the following:

- "Motion to Dismiss" submitted by the District Attorney's Office, an "Order to Dismiss" signed by the Justice of the Peace, and reason(s) for the dismissal noted in the applicable docket; or
- "Order to Dismiss" and/or judgment signed by the Justice of the Peace, copies of documents as proof of dismissal based on the judge's discretion in accordance with state statutes (i.e. copies of a commercial vehicle service logs, motor vehicle registration, valid driver's license, etc.), and reason(s) for the dismissal noted in the applicable docket.

Failure to properly document dismissals may result in sanctions from the State Commission on Judicial Conduct and/or loss or misuse of County funds.

Recommendation:
Management should ensure the authorizations to dismiss cases are properly documented. At a minimum, the procedures noted above should be implemented.

Observation No. 6:
Cashiers are not prohibited from receipting payments from relatives or personal friends. According to staff, they were not aware that staff should be prohibited from receipting payments from relatives or personal friends.

The County Auditor's Office requires that cashiers not receipt payments from their relatives or personal friends. Cashiers must notify their supervisors so that the supervisor may assign the receipting of the payment to another cashier.

Failure to ensure that cashiers do not receipt payments from their relatives or personal friends may result in the loss of County funds.

Recommendation:
Management should inform cashiers to not receipt payments from their relatives or personal friends.

Observation No. 7:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds has not been

requested from the County Treasurer's Office. Since payments received by check are minimal, staff believes the possibility of accepting a hot check is decreased.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to maintain a hot check list may result in the loss of County funds.

Recommendation:
Management should request the "hot check" listing from the County Treasurer's Office.

Observation No. 8:
An online credit card transaction received on September 19, 2014 was not promptly receipted. The credit card transaction was subsequently receipted on October 15, 2014. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to the Court Coordinator, staff attempts to review and receipt online credit transactions on a daily basis; however, procedures are not consistently followed.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the arrest of the defendant, in error, respectively.

Recommendation:
Management should ensure that the Court Coordinator verifies that all credit card transactions are promptly receipted and case dispositions are entered in a timely manner.

Observation No. 9:
We noted during our review that mail is not opened on a daily basis. According to staff, all staff members are authorized to open the mail; however, if the Court Coordinator is out of the office, mail will only be opened upon her return.

The County Auditor's Office requires that mail should be opened on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to open mail on a daily basis may result in case dispositions not being recorded in *AbleTerm* in a timely manner.

Recommendation:
Management should ensure that a daily mail log is maintained to record payments received through the mail. Please refer to the mail log section of the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office for the minimum procedures to be implemented for processing mail-in payments.

Please provide written management responses to the observations noted above by November 7, 2014.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;

5. Bookkeeping system used, and how it is maintained; and
6. Computer hardware and software used;

f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due);
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide a copy of the written procedures by November 7, 2014.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you should have any questions, do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Internal Audit Supervisor, at ext. 4642, Arcy B. Re: Cash Count
Report No. 2014-556

Honorable Bobby Contreras:

We conducted a surprise cash count of the cash held at your office on September 4, 2014 as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope

The scope of our review was limited to a count of cash on hand as of the time of the cash count. In addition, we evaluated the procedures in place related to 1.) the collections process, 2.) accounting of citations and civil cases filed with the court, and 3.) documenting the authorization of dismissed criminal cases for the period of October 1, 2013 through October 31, 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, segregation of duties, filing of citations and civil cases, and documenting the authorization of dismissed cases.

Conclusion:

Total cash on hand at the time of the cash count was $2,498.35. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:

A schedule of authorized fines and fees was not posted in a conspicuous location for the public's view. According to staff, the office does not have a schedule of fines and fees available for posting.

The County Auditor's Office requires that a schedule of authorized fines and fees be posted in a conspicuous location for the public to see. The schedule sets forth those fines and fees to be charged by the Justice of the Peace pursuant to state statutes and Commissioners Court approval.

Failure to post a schedule of authorized fines and fees in a conspicuous location increases the risk of loss or misuse of County funds.

Recommendation:
Management should develop and post a schedule of authorized fines and fees in a conspicuous location for the public to see.

Observation No. 2:
We noted during our review that the "Cash Handling Guidelines and Procedures Receipt Acknowledgement" forms (acknowledgement receipts) for all employees responsible for handling cash, including the Justice of the Peace, were not maintained on file. According to staff, copies of the acknowledgement receipts had been maintained on file but had been placed in storage.

The County Auditor's Office requires that departments train all employees responsible for handling cash regarding proper cash handling procedures. The employees handling cash must read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be kept on file.

Failure to maintain the acknowledgement receipts as proof that employees, including the Justice of the Peace, were trained regarding proper cash handling procedures increases the risk of loss or misuse of County funds.

Recommendation:
Management should maintain the acknowledgement receipts on file as proof that employees, including the Justice of the Peace, were trained regarding proper cash handling procedures.

Observation No. 3:
Although security cameras are utilized, the security cameras are not utilized where cash is received and safeguarded. According to staff, security cameras have not been purchased due to the staff feeling that the cameras would invade their privacy.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that the security cameras are installed in areas where cash collections are received and safeguarded.

Observation No. 4:
A notice stating that an area is being monitored by a security camera was not posted in a conspicuous location for the public's view. According to staff, the notice was posted; however, during the maintenance and repair of the office, the notice was removed and not replaced.

The County Auditor's Office requires that a notice stating that an area is being monitored by a security camera be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating an area is being monitored by a security camera is posted in a conspicuous location for the public's view.

Observation No. 5:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds has not been requested from the County Treasurer's Office. According to staff, only checks received from businesses and/or attorneys are accepted. Since payments received by check are minimal and personal checks are not accepted, staff believes the possibility of accepting a hot check is decreased.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to maintain a hot check list may result in the loss of County funds.

Recommendation:
Management should request the "hot check" listing from the County Treasurer's Office.

Observation No. 6:
Passwords to gain access to *AbleTerm*, the County's justice information system, are not changed at least every 90 days. According to staff, *AbleTerm* has not been programmed to prompt and require users to change passwords at least every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *AbleTerm*.

Recommendation:
Management should contact the software provider to request that *AbleTerm* be programmed to prompt and require users to change passwords at least every 90 days. In addition, the Information Technology Department should be contacted to request their assistance regarding this recommendation. If this is not feasible, management should inform employees to change their passwords at least every 90 days.

Observation No. 7:
We noted during our review that separate locked cash drawers were not maintained by each employee responsible for handling collections. All cashiers were allowed access to the same cash drawer during a single shift.

The County Auditor's Office requires that separate locked cash drawers be assigned to each employee responsible for handling collections. Only one cashier should be allowed access to a specific cash drawer during a single shift. In addition, when cash is transferred from one person to another, it should be counted in the presence of both parties. The amount should be recorded on a receipt, and the receipt should be signed by the person accepting custody. This is necessary for the purposes of establishing responsibility relating to a shortage.

Failure to ensure that separate locked cash drawers are maintained by each employee responsible for handling collections may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a separate locked cash drawer is assigned to each employee responsible for handling collections. At a minimum, the procedures noted above should be implemented.

Please provide written management responses to the observations noted above by November 7, 2014.

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide our office with copies of the procedures by November 7, 2014.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you should have any questions or would like to schedule a meeting to discuss this cash count, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Cash Count
Report No. 2014-568

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the San Juan Motor Vehicle Substation on October 11, 2014, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $19,195.89. Based on the results of our review, we have concluded that generally total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $4,000.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
According to staff, when checks are accepted in excess of the amount due, a cash refund will be made if the refund does not exceed $5.00.

The County Auditor's Office requires that cashiers be prohibited from cashing personal checks or disbursing cash for checks or credit card transactions that are in excess of the payment due. Payers should be asked to make the check amount for the amount due. If this is not possible, refunds for checks accepted in excess of the payment due should be made by check.

HIDALGO COUNTY DISTRICT JUDGES

JAIME E. TIJERINA, JR. JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 139TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. PARTIDA JUDGE, 275TH D.C. | MARIO E. RAMIREZ, JR. JUDGE, 332ND D.C. | NOE GONZALEZ JUDGE, 370TH D.C. OVERSEER | LETICIA LOPEZ JUDGE, 389TH D.C. | AIDA SALINAS FLORES JUDGE, 398TH D.C. | ISRAEL RAMON, JR. JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

Failure to ensure that cashiers do not issue cash refunds when checks are accepted in excess of the amount due may result in the loss of funds.

Recommendation:
Management should ensure that cashiers do not issue cash refunds when checks are accepted in excess of the amount due. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
We noted during our review that a notice stating, "Make sure you receive an official County receipt when making payments at this office" was posted in a conspicuous location for the public's view; however, a copy of the official County receipt was not posted by the notice. According to staff, the copy of the official County receipt was posted; however, the copy may have fallen off.

The County Auditor's Office requires that a notice stating "Make sure you receive an official County receipt when making payments at this office" be posted in a conspicuous location for the public's view. A sample of each official County receipt issued by the department should be posted by the notice in order to indicate to the payee what he/she should expect to receive.

Failure to display a sample official County receipt increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a copy of the official County receipt is posted by the notice stating "Make sure you receive an official County receipt when making payments at this office."

Observation No. 3:
During the cash count, we were informed that the safe's combination, where the change fund and collections are safeguarded, was not changed when the previous Supervisor was transferred to another Tax Office Substation. According to staff, they were not aware that the safe's combination needed to be changed.

The County Auditor's Office requires that keys, access passwords, or safe combinations to restricted areas should be issued to as few employees as possible. Access passwords and safe combinations must be changed at lease every two years or when an employee with knowledge of the access password or safe combination is transferred or terminates employment. In addition, employees must be required to return keys prior to terminating employment or when a change in responsibilities occurs.

Failure to ensure that the safe's combination is changed when an employee with knowledge of the combination is transferred to another Tax Office Substation may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that the safe's combination is changed when an employee with knowledge of the combination is transferred or terminates employment. In addition, management should ensure that employees handling cash read section B.18 of the "Cash Handling Guidelines and Procedures" regarding the changing/updating of passwords.

Please provide a written management response to the observations noted above by December 2, 2014.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
b. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used; and
c. A schedule of how often deposits will be made.

In addition, since there has been a change in office personnel provide the following:

d. An office organizational chart;

e. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by December 2, 2014.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Re: Cash Count
Report No. 2014-574

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the San Juan Tax Office on October 17, 2014, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $6,362.83. Based on the results of our review, we have concluded that generally total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $300.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.
