

Community Grant Guidelines

Overview

- Community Grants range from the minimum grant of \$250 to the maximum grant of \$2,500.
- Organizations must submit an online application to be considered for funding.
- The deadline to apply for 2014 funding is December 31, 2014.

Eligibility Checklist

1. Funds must benefit the facility's service area: potential grantees should be nonprofit organizations with programs that benefit communities within the service area of the Walmart store, Sam's Club or Logistics facility from which they are requesting funds.
2. Walmart and the Walmart Foundation have identified four core areas of giving: Hunger Relief & Healthy Eating, Sustainability, Women's Economic Empowerment or Career Opportunity. To ensure that your application has the best chance of being funded, the proposed use of the grant should fit within one of these areas of giving. Primary consideration for the Community Grant program is to support local organizations with programs that align with the Foundation's areas of giving. However, programs that do not align with these areas may also be given consideration. If you are applying for funding through a Sam's Club location, additional focus areas are considered. Learn more about the Sam's Club Giving Program.
3. Organizations must be described as one of the following:
 - An organization holding a current tax-exempt status under Section 501(c)(3), (4), (6) or (19) of the Internal Revenue Code;
 - A recognized government entity: state, county, or city agency, including law enforcement or fire departments, that are requesting funds exclusively for public purposes;
 - A K-12 public or private school, charter school, community/junior college, state/private college or university; or
 - A church or other faith-based organization with a proposed project that benefits the community at large.

Selection Process

- Management at the facility to which you are applying will review the application and make initial funding recommendations on all submitted requests.
- Each facility manager may set the frequency and process in which applications are reviewed; however, applications are typically reviewed within 90 days of the submission date.
- Organizations will be notified of any decision via e-mail. All funding decisions are final. If an organization is approved, grant checks will be mailed directly to the recipient organization at the address listed in the grant application. Please allow 2 to 4 weeks for delivery.
- In the event of being awarded a grant, organizations should contact their local facility from which funds were awarded to schedule a formal recognition event.
