Dear Sir/Madam,

In acquiring property for the Drainage system of the County of Hidalgo (the "County") in conjunction with Disaster Recovery Entitlement Grant follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Daniel G. Rios, a portion of your property located to the rear of your land, as described in the enclosed property description, is to be acquired for the construction or improvements of the above-referenced Drainage project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the Hidalgo County Commissioners' Court has authorized me to make an offer to you in the amount of \$69,657.00 for your property, which includes \$60,669.00 for the property to be purchased and \$8,988.00 for damages/improvements to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the County to permit owners who convey voluntarily to the County to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

<u>Improvement</u>	<u>Total Amount</u>
Agricultural File Drainage (\$1,500.00/acre x 5.992 Acres)	\$8,988.00

If you wish to accept the offer based upon this appraisal, please contact **Daniel G. Rios** as soon as possible, at (956) 630-9401, so that the process of issuing your payment may be started. **If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter.** Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department within the 30 day time deadline.

In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for the use by the County of Hidalgo. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the County's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "Relocation Assistance" which will inform you of eligibility requirements, payments and services which are available.

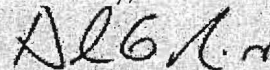

You have the right to discuss with others any offer or agreement regarding the County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply to the Department.

Attached is a copy of the Texas Department of Transportation brochure entitled "Right of Way Purchase" which we trust will give you a better understanding of the procedures followed by the County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact me at the telephone number provided above regarding any questions you may have.

Please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclosed copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the Department, including the appraisal on which this offer is based.

Sincerely,

Daniel G. Rios, President

Dear Sir/Madam,

As you know, it is necessary for the County of Hidalgo (the "County"), to acquire property for the Drainage system which requires the purchase of the property referred to above. Inasmuch as negotiations to purchase this property have not been successful to date, a final offer is hereby submitted to you. According to authorization by the County, a total sum of **\$69,657.00** is offered for the required property rights, save and except oil, gas and sulphur rights with no right of exploration on the above described property, subject to clear title being secured.

If you desire to accept this offer, please contact Daniel G. Rios at (956) 630-9401 as soon as possible. If this offer is not accepted within fourteen (14) days from the date of delivery of this letter, it will be considered as having been rejected.

If you elect to reject this offer, eminent domain proceedings will be initiated by the County. Thereafter, the Court will appoint three disinterested real property owners who reside in the County to serve as Special Commissioners, a date will be set for a hearing and you will be notified of the time and place set for the hearing at which the Special Commissioners will hear the evidence presented and arrive at an award which will be filed with the Court. The County may then deposit the amount of the award with the Court, at which time the County will be entitled to take possession of the property involved. After the deposit is made, you may withdraw your share of the award. If the award exceeds the amount of any subsequent judgment, you are required to repay the County the excess amount and any excess amount not repaid to the County may be deducted from eligible payments, if any, due to you as the property owner under the County's Relocation Assistance Program. If either you or the County is dissatisfied with the amount of the Special Commissioners' award, objections may be filed within the time prescribed by law and the case subsequently tried before the Court as are other civil cases.

Sincerely,

A handwritten signature in dark ink, appearing to read "DGRios", is written over the typed name.
