### **SERVICE FEE**

By submission of a response to this Proposal Invitation, an awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of **\$400 per purchase order** generated from any contract awarded under this Proposal Invitation. Proposer agrees to pay this service fee and remit the fee to the Cooperative in Austin, Texas, promptly upon receipt of each fee invoice. Proposer agrees to provide the Cooperative with copies of all purchase orders generated from Proposer's contract(s) that Proposer receives directly from Cooperative members for the purpose of billing and collecting the service fee and for compiling required purchasing history. Proposer further agrees that the Cooperative shall have the right, upon reasonable written notice, to review its records pertaining to purchases under any awarded contract to verify the accuracy of service fees payable by Proposer.

### **CONFIDENTIAL INFORMATION**

Any information submitted by Proposer that Proposer considers to be confidential must be clearly marked as such by manually marking the information on each Proposal page.

### **ADDITIONAL INFORMATION:**

An awarded vendor must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposer's responding to this proposal invitation should submit an approval letter from each manufacturer. Manufacturer authorization letters must include the regions in which equipment may be sold.

In the event that a specified model has been discontinued by the manufacturer, vendors should propose the direct replacement models with their proposal submission.

### **AWARD AND EVALUATION**

This contract will be awarded based on the evaluation and award criteria set out in Section C.2 of the General Terms and Conditions to provide best value to Cooperative members.

Awarded proposals will not be active on the BuyBoard until price sheets or catalogs are submitted in the proper format to be posted to the BuyBoard.

### **TYPE OF CONTRACT**

This is a "sealed proposal" based on unit prices and discount off catalog price. All discount percentages shall remain firm for the duration of the contract. In the event of price decreases, such price decreases shall be allowed for all products. Catalog/pricelist must be submitted with the Proposal.

By signing this Proposal, the Proposer certifies that the proposing entity has obtained, and will continue to maintain during the entire term of this contract, all permits, approvals, or licenses, necessary for lawful performance of its obligations under this contract.

The scope of services in this Proposal Invitation does not include services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architectural and professional engineering services.

Individual Cooperative members may in certain circumstances request background checks on an awarded Vendor's employees who will have direct contact with students, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history information.

Maty, in my e-mail March 11, 2014 I told you the following:

2. Floor Plan Interest is not covered by the BuyBoard contract and vendor needs to remove it from the quote
3. Lot Insurance is not covered by the BuyBoard contract and vendor needs to remove it from the quote

In visiting this morning with Arturo Salinas, our procurement director, I found out that our contract covers the two fees stated above and we do allow the two fees stated above for those vehicles that are available from the dealers stock of vehicles sitting on their lot. I apologize for any inconvenience this has caused you. So you can move forward with your purchase with Caldwell Ford as it is quoted.

Please let me know if I can help further.

As per the vendor several items with order codes should be able to verify pricing under the Buy Board website, but I couldn't find none of the (published/unpublished) option items in the price sheet provided in the Buy Board site.

If you have any questions or concerns, please feel free to contact me.  
Your prompt and favorable consideration to this matter would be deeply appreciated.

Ms. McAfee

I noticed none of the documents provided identifies the following charges on the quote.

Floor Plan Interest (for in-stock and/or equipped vehicles)	\$220.00
Lot Insurance (for in-stock and/or equipped vehicles)	\$40.00
Additional Delivery Charge	\$360.00

Would you happen to have this fees in additional documents?  
Your assistance would be deeply appreciated.  
Thanks!

Maty, attached are the contracts you have requested. In the attached contracts you will find vehicle base prices and discounts off of the options. The documents do not include a pricelist for the optional equipment. There is a 25 page pricelist in the BuyBoard for Caldwell Country Chevrolet's optional equipment; however, we do not have a pricelist in the BuyBoard for Caldwell Country Ford. Please let me know if I can help further.
