Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of May 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of May 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of May 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of May 2014 were $96,583.80. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 8 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A); however, one adjustment is pending to be completed by the department.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 17 of 21 Close-Out Reports prepared during the month of May 2014 were not submitted to the County Treasurer's Office on a daily basis made. The Close-Out Reports were submitted from 2 to 7 days after the bank deposit was made. According to the Justice of the Peace staff, the Close-Out Reports are submitted on a daily basis; however, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted during our review that 9 of 13 online credit card transactions received during the month of May 2014 were not promptly receipted. The online credit card transactions were receipted 2 to 7 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 4:
We noted that copies of the April2014 and May 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" have not been filed with the County Auditor's Office, as of today. Furthermore, incorrect copies of the May 2012, June 2012, July 2012, and December 2012 OCA's "Official JP Monthly Reports" have been filed with the County Auditor's Office. According to staff, they have not had time to generate the OCA's "Official JP Monthly Reports" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that correct copies of the May 2012, June 2012, July 2012, December 2012, April 2014 and May 2014 OCA's "Official JP Monthly Reports" are submitted to the County Auditor's Office by July 17, 2014.

Please provide written management responses to the observations noted above by July 16, 2014. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of August 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of August 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of August 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of August 2014 were $52,273.65. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 27 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the revisions (see Exhibit A). Although all necessary adjustments were made, the adjustments were not completed until October 10, 2014.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval. In addition, the County Auditor's Office requires that adjustments are made within three days of receiving them

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.
- Staff should ensure that adjustments are entered into *AbleTerm* within three days of receiving them.

Observation No. 2:
We noted during our review that 12 of 21 Close-Out Reports prepared during the month of August 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 20 days after the bank deposit was made. According to the Justice of the Peace staff, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted during our review that 9 of 11 online credit card transactions received during the month of August 2014 were not promptly receipted. The online credit card transactions were receipted from 2 to 7 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 4:
Copies of the June 2014 and August 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" has not been filed with the County Auditor's Office, as of today. In addition, incorrect copies of the May 2012, June 2012, July 2012, December 2012, and May 2014 OCA's "Official JP Monthly Reports" were filed with the County Auditor's Office. According to staff, they have not had time to generate the OCA's "Official JP Monthly Reports" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed reports are filed with the County Auditor's Office within five days after the last day of each month. Correct copies of the May 2012, June 2012, July 2012, December 2012, May 2014, June 2014 and August 2014 OCA's "Official JP Monthly Reports" should be submitted to the County Auditor's Office by November 7, 2014.

Please provide written management responses to the observations noted above by November 7, 2014. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

The Honorable Rosa Treviño
Hidalgo County Justice of the Peace Pct. 2, Pl. 2
300 W. Hall Acres, St. B
Pharr, Texas 78577

Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of September 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of September 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of September 2014 were $37,366.05. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 11 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the revisions (see Exhibit A) and completed all necessary adjustments.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval. In addition, the County Auditor's Office requires that adjustments are made within three days of receiving them

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.
- Staff should ensure that adjustments are entered into *AbleTerm* within three days of receiving them.

Observation No. 2:
We noted during our review that 12 of 21 Close-Out Reports prepared during the month of September 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 8 days after the bank deposit was made. According to the Justice of the Peace staff, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted during our review that 3 of 14 online credit card transactions received during the month of September 2014 were not promptly receipted. The online credit card transactions were receipted from 4 to 5 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 4:
Copies of the June 2014, August 2014, and September 2014 Office of Court Administration's (OCA) "Official JP Monthly Report" has not been filed with the County Auditor's Office, as of today. In addition, incorrect copies of the May 2012, June 2012, July 2012, December 2012, and May 2014 OCA's "Official JP Monthly Reports" were filed with the County Auditor's Office. According to staff, they have not had time to generate the OCA's "Official JP Monthly Reports" due to a heavy workload and limited staff.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed reports are filed with the County Auditor's Office within five days after the last day of each month. Correct copies of the May 2012, June 2012, July 2012, December 2012, May 2014, June 2014, August 2014, and September 2014 OCA's "Official JP Monthly Reports" should be submitted to the County Auditor's Office by November 12, 2014.

Please provide written management responses to the observations noted above by November 12, 2014. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

The Honorable Rosa Treviño
Hidalgo County Justice of the Peace Pct. 2, Pl. 2
300 W. Hall Acres, St. B
Pharr, Texas 78577

Re: Review of *Monthly Fines and Fees Reports* and Supporting Documentation
For the month of October 2014

Dear Judge Treviño:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of October 2014 pursuant to Local Government Code §115.002(a), §115.002(b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of October 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.

- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed Cashier's Daily Close-Out Reports (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, Schedule of Receipts and Deposit form, mail logs, and the Monthly Report, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of October 2014 were $48,220.00. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 5 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the revisions (see Exhibit A) and completed all necessary adjustments.

According to the Justice of the Peace staff, staff does not always have the time to verify that fees, fines, and court costs are applied correctly to the case prior to taking in a payment due to a high volume of customers. In addition, it's mandatory from staff to recalculate the fees prior to receipting payment.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval. In addition, the County Auditor's Office requires that adjustments are made within three days of receiving them

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.
- Staff should ensure that adjustments are entered into *AbleTerm* within three days of receiving them.

Observation No. 2:
We noted during our review that 8 of 21 Close-Out Reports prepared during the month of October 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 35 days after the bank deposit was made. According to the Justice of the Peace staff, occasionally they lose track of which Close-Out Reports have been submitted to the County Treasurer's Office due to limited staff and a high volume of customers.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Observation No. 3:
We noted during our review that 4 of 10 online credit card transactions received during the month of October 2014 were not promptly receipted. The online credit card transactions were receipted from 4 to 5 days after payment was made. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they are receipted; however, occasionally they may forget to conduct this procedure.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the erroneous arrest of the defendant, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and case dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 4:
Copies of the September 2014 and October Office of Court Administration's (OCA) "Official JP Monthly Report" have not been filed with the County Auditor's Office, as of today. According to staff, the reports have been corrected and will be submitted to the County Auditor's Office.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report, Schedule of Receipts and Deposits*, copy of the Office of Court Administration's "Official JP Monthly Report", Cash Disbursement Journal, etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of the OCA Report helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed reports are filed with the County Auditor's Office within five days after the last day of each month. Copies of the September 2014 and October 2014 OCA's "Official JP Monthly Reports" should be submitted to the County Auditor's Office by December 15, 2014.

Please provide written management responses to the observations noted above by December 15, 2014. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. 212 N. 12th Avenue

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of June 2014

Dear Judge Espinoza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of June 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of June 2014. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*

- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of June 2014 were $101,386.00. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued during the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 20 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made. According to staff, attempts to check the fines, fees, and court costs prior to taking in a payment are being made and will continue to be made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, & court costs.
- Staff should review the allocation of fines, fees, & court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
A mail log was not utilized to record mail-in payments. According to staff, since the mail is received and opened by the Justice of the Peace, staff does not have the ability to create a mail log. The Justice of the Peace subsequently distributes the mail-in payments to staff for receipting purposes.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to ensure mail-in payments are recorded on a mail log may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are recorded on a mail log.

Observation No. 3:
Copies of the Office of Court Administration's (OCA) "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014, and April 2014 through June 2014 have not been filed with the County Auditor's Office, as of today. In addition, incorrect copies of the OCA Reports

for the months of October 2013 through January 2014 were filed with the County Auditor's Office. According to staff, the reports are incorrect due to a programming error. The Justice of the Peace is in current contact with Tyler Technologies to try to remedy the programming error.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Notice of the programming errors should be immediately made to Tyler Technologies for prompt resolution. Copies of the Office of Court Administration's "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014 and April 2014 through June 2014 should be filed with the County Auditor's Office by August 11, 2014. In addition, correct copies of the October 2013 through January 2014 should also be submitted to the County Auditor's Office.

Observation No. 4:
We noted during our review that a cash bond posted by a defendant who failed to appear before the Justice of the Peace was not forfeited (liquidated) by the 10th workday following the date of his release from jail. The bond was received on May 3, 2013 (docket number E12-09-880). According to Justice of the Peace staff, the case is pending a pre-trial hearing to be setup.

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Failure to ensure that pre-trial hearings are set in a timely manner for cases in which a cash bond was posted may result in the improper accounting of cash bonds.

Recommendation:
Management should ensure that pre-trial hearings are set up in a timely manner for cases in which a cash bond was posted.

Observation No. 5:
We noted during our review that 12 of 21 Close-Out Reports prepared during the month of June 2014 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to13 days after the bank deposit was made. According to staff, attempts are made by the court coordinator to submit the reports on a daily basis but time constraints cause delays on the submittals. .

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure the Close-Out Report is submitted to the County Treasurer's Office on a daily basis. Please provide written management responses to the observations noted above by August 22, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of July 2014

Dear Judge Espinoza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of July 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of July 2014. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of July 2014 were $103,524.10. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued during the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 30 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made. According to staff, attempts to check the fines, fees, and court costs prior to taking in a payment are being made and will continue to be made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, & court costs.
- Staff should review the allocation of fines, fees, & court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
A mail log was not utilized to record mail-in payments. According to staff, since the mail is received and opened by the Justice of the Peace, staff does not have the ability to create a mail log. The Justice of the Peace subsequently distributes the mail-in payments to staff for receipting purposes.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to ensure mail-in payments are recorded on a mail log may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are recorded on a mail log.

Observation No. 3:
Copies of the Office of Court Administration's (OCA) "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014, and April 2014 through July 2014 have not been filed with the County Auditor's Office, as of today. In addition, incorrect copies of the OCA Reports for

the months of October 2013 through January 2014 were filed with the County Auditor's Office. According to staff, the reports are incorrect due to a programming error. The Justice of the Peace is in current contact with Tyler Technologies to try to remedy the programming error.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Notice of the programming errors should be immediately made to Tyler Technologies for prompt resolution. Copies of the Office of Court Administration's "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014 and April 2014 through July 2014 should be filed with the County Auditor's Office by September 3, 2014. In addition, correct copies of the October 2013 through January 2014 should also be submitted to the County Auditor's Office.

Observation No. 4:
We noted during our review that a cash bond posted by a defendant who failed to appear before the Justice of the Peace was not forfeited (liquidated) by the 10th workday following the date of his release from jail. The bond was received on May 3, 2013 (docket number E12-09-880. See exhibit B). According to Justice of the Peace staff, the case is pending a pre-trial hearing to be setup.

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Failure to ensure that pre-trial hearings are set in a timely manner for cases in which a cash bond was posted may result in the improper accounting of cash bonds.

Recommendation:
Management should ensure that pre-trial hearings are set up in a timely manner for cases in which a cash bond was posted.

Observation No. 5:
We noted during our review that 7 of 21 Close-Out Reports prepared during the month of July 2014 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 6 days after the bank deposit was made. According to staff, attempts are made by the Court Coordinator to submit the reports on a daily basis; however, time constraints cause delays on the submittals.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure the Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Observation No. 6:
We noted that 9 of 32 in-house credit card transaction received during the month of July 2014 were not promptly receipted. The transactions were receipted 3 to 38 days after payment was received. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they were receipted; however, problems with the internet connection cause delays in the procedures.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the arrest of the defendant, in error, respectively.

Recommendation:
Management should ensure that credit card transactions are receipted upon receipt.

Please provide written management responses to the observations noted above by September 5, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of August 2014

Dear Judge Espinoza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of August 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of August 2014. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

- Verified the sequence of receipts per the *Monthly Report* agreed to *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, *Schedule of Receipts and Deposit* form, mail logs, and the *Monthly Report*, among other reports, to verify proper completion.
- Verified if cash bonds posted by the defendants who failed to appear before the Justice of the Peace were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of August 2014 were $77,611.20. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued during the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 41 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions (see Exhibit A) and all revisions were made. According to staff, attempts to check the fines, fees, and court costs prior to taking in a payment are being made and will continue to be made.

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, & court costs.
- Staff should review the allocation of fines, fees, & court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
A mail log was not utilized to record mail-in payments. According to staff, since the mail is received and opened by the Justice of the Peace, staff does not have the ability to create a mail log. The Justice of the Peace subsequently distributes the mail-in payments to staff for receipting purposes.

The County Auditor's Office requires that mail be opened and listed on a mail log on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day.

Failure to ensure mail-in payments are recorded on a mail log may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are recorded on a mail log.

Observation No. 3:
Copies of the Office of Court Administration's (OCA) "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014, and April 2014 through August 2014 have not been filed with the County Auditor's Office, as of today. In addition, incorrect copies of the OCA Reports

for the months of October 2013 through January 2014 were filed with the County Auditor's Office. According to staff, the reports are incorrect due to a programming error. The Justice of the Peace is in current contact with Tyler Technologies to try to remedy the programming error.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month. In addition, Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official JP Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Notice of the programming errors should be immediately made to Tyler Technologies for prompt resolution. Copies of the Office of Court Administration's "Official JP Monthly Report" for the months of November 2012, December 2012, September 2013, February 2014 and April 2014 through August 2014 should be filed with the County Auditor's Office by September 3, 2014. In addition, correct copies of the October 2013 through January 2014 should also be submitted to the County Auditor's Office.

Observation No. 4:
We noted during our review that a cash bond posted by a defendant who failed to appear before the Justice of the Peace was not forfeited (liquidated) by the 10th workday following the date of his release from jail. The bond was received on May 3, 2013 (docket number E12-09-880). According to Justice of the Peace staff, the case is pending a pre-trial hearing.

Code of Criminal Procedure Article 45.044 (a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Failure to ensure that pre-trial hearings are set in a timely manner for cases in which a cash bond was posted may result in the improper accounting of cash bonds.

Recommendation:
Management should ensure that pre-trial hearings are set up in a timely manner for cases in which a cash bond was posted.

Observation No. 5:
We noted during our review that 8 of 17 Close-Out Reports prepared during the month of August 2014 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 5 days after the bank deposit was made. According to staff, attempts are made by the Court Coordinator to submit the reports on a daily basis; however, time constraints cause delays on the submittals.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure the Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Observation No. 6:
We noted that 3 of 78 in-house credit card transaction received during the month of August 2014 were not promptly receipted. The transactions were receipted from 2 to 4 days after payment was received. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to staff, online credit card transactions are reviewed daily to ensure that they were receipted; however, problems with the Internet connection cause delays in the procedures.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner may result in the loss or misuse of County funds and the arrest of the defendant, in error, respectively.

Recommendation:
Management should ensure that credit card transactions are receipted upon receipt. In addition, management should contact the Information Technology Department and request assistance regarding the Internet connection issues.

Please provide written management responses to the observations noted above by October 17, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me at ext. 4604.

Respectfully,

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of June 2013

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of June 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of June 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total

deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.

- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report.*
- Verified the sequence of receipts per the Monthly Fines and Fees Report agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Fines and Fees Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of June 2013 were $26,909.71. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We noted that the *Monthly Fines and Fees Report* was filed with the County Auditor's Office on July 23, 2013. The report should have been filed with the County Auditor's Office by July 5, 2013.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month.

Formal procedures have not been implemented to ensure that the *Monthly Fines and Fees Report* is filed with the County Auditor's Office within 5 days after the last day of each month. Timely submittal of the *Monthly Fines and Fees Report* helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should develop and implement formal procedures to ensure that the *Monthly Fines and Fees Report* is filed with the County Auditor's Office within 5 days after the last day of each month.

Observation No. 2:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 5 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.

- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 3:

We noted during our review that the updated *Schedule of Receipts and Deposits* form prescribed by the County Auditor's Office was not utilized to account for funds collected and deposited. Although, online credit card collections were deposited with the County Treasurer's Office, they were not accounted for on the *Schedule of Receipts and Deposits* form currently being utilized.

Local Government Code Section 112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor prescribed the *Schedule of Receipts and Deposits* form, among others, for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Formal monitoring procedures have not been developed and implemented to ensure that the most updated *Schedule of Receipts and Deposits* form is utilized by the Justice of the Peace Office. Failure to utilize the updated *Schedule of Receipts and Deposits* form resulted in the improper accounting of online credit card collections and deposits made by the Justice of the Peace Office.

Recommendation:

Management should begin to utilize the updated *Schedule of Receipts and Deposits* form provided by the County Auditor's Office. Please contact the County Auditor's Office for any questions concerning the use of the updated *Schedule of Receipts and Deposits* form.

Observation No. 4:

We noted during our review that *Cashier's Daily Close-Out Reports* (Close-Out Reports) prepared during the month of June 2013 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 2 to 33 days after the bank deposit was made.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis. Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:

Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Please provide written management responses to the observations noted above by August 23, 2013. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of August 2013

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*)and supporting documentation for the month of August 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of August 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of August 2013 were $39,513.92. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 42 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that the updated *Schedule of Receipts and Deposits* (Schedule) form prescribed by the County Auditor's Office was not utilized to account for funds collected and deposited. Although, online credit card collections were deposited with the County Treasurer's Office, they were not properly accounted for on the Schedule form currently being utilized.

Local Government Code Section 112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor prescribed the *Schedule of Receipts and Deposits* form, among others, for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Formal monitoring procedures have not been developed and implemented to ensure that the most updated Schedule form is utilized by the Justice of the Peace Office. Failure to utilize the updated Schedule form resulted in the improper accounting of online credit card collections and deposits made by the Justice of the Peace Office.

Recommendation:
Management should begin to utilize the updated Schedule form provided by the County Auditor's Office. Please contact the County Auditor's Office for any questions concerning the use of the updated Schedule form.

Observation No. 3:
We noted during our review that Close-Out Reports prepared during the month of August 2013 were not submitted to the County Treasurer's Office on a daily basis after the bank deposit was made. The Close-Out Reports were submitted from 1 to 13 days after the bank deposit was made.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). A cut-off time should be established for performing the daily close-out procedures and depositing the day's collections. The department should continue to receipt cash collected after the established cut-off time. Cash collected after the established cut-off time should be safeguarded until it is deposited the next business day. Once the daily balancing procedures have been completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Formal monitoring procedures have not been developed and implemented to ensure that a properly completed Close-Out Report is submitted to the County Treasurer's Office on a daily basis. Failure to submit a properly completed Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that a properly completed Close-Out Report is submitted to the County Treasurer's Office on a daily basis.

Observation No. 4:
We noted during our review that jail time credit for defendants that served jail time to satisfy the payment of fines, fees, and court costs was entered in *AbleTerm's* docket book. However, the Sheriff's "Discharge" receipt number which provides the amount of jail time credit earned was not referenced in *AbleTerm*.

The County Auditor's Office also requires for audit trail purposes that the following information be entered in *AbleTerm* when recording "D" receipts issued by the Sheriff's Office: receipt number, incarceration date (commitment) date, release date, and jail credit amount.

Formal procedures have not been developed and implemented to ensure the "D" receipt numbers are referenced in *AbleTerm's* docket book when jail time credit is entered. This may result in the improper accounting of jail time credit.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that "D" receipt numbers are referenced in *AbleTerm's* docket book when jail time credit is entered.

Please provide written management responses to the observations noted above by November 22, 2013. If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Crystal A. Puente, MACC, Internal Auditor II, at 318-2511 ext. 4646, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of May 2014

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of May 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of May 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of May 2014 were $28,480.28. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 33 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize if fees are improperly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

In addition, management should ensure that the pending 41 adjustments are entered into *AbleTerm*.

Observation No. 2:
Incorrect copies of the Office of Court Administration's (OCA) "Official Justice of the Peace Monthly Report" for the months of October 2012, February 2013 through September 2013, December 2013, and January 2014, through May 2014 were filed with the County Auditor's Office. The Hidalgo County Auditor's Office has determined that the OCA Reports are incorrect since the jail time activity and several adjustments recommended by the County Auditor's Office are not included in the OCA Reports. The Justice of the Peace staff was made aware of the errors and agreed to make the applicable corrections.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and*

Deposits, a copy of the Office of Court Administration's "Official Justice of the Peace Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed OCA "Official Justice of the Peace Monthly Reports" for the months of October 2012, February 2013 through September 2013, December 2013, and January 2014 through May 2014 are filed with the County Auditor's Office by July 28, 2014.

Please provide written management responses to the observations noted above by August 22, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Gricelda Quintero, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of June 2014

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of June 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of June 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of June 2014 were $22,735.71. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 22 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize if fees are improperly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

In addition, management should ensure that the pending 41 adjustments are entered into *AbleTerm*.

Observation No. 2:
Incorrect copies of the Office of Court Administration's (OCA) "Official Justice of the Peace Monthly Report" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through June 2014 were filed with the County Auditor's Office. The County Auditor's Office has determined that the OCA Reports are incorrect since the jail time activity and several adjustments recommended by the County Auditor's Office are not included in the OCA Reports. The Justice of the Peace staff was made aware of the errors and agreed to make the applicable corrections.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and*

Deposits, a copy of the Office of Court Administration's "Official Justice of the Peace Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed OCA "Official Justice of the Peace Monthly Reports" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through June 2014 are filed with the County Auditor's Office by August 22, 2014.

Observation No. 3:
We noted during our review that 21 of 21 Close-Out Reports prepared during the month of June 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 14 days after the bank deposit was made. According to the Court Coordinator, submission of the Close-Out Reports is delayed due to time constraints in gathering the Close-Out Reports and applicable supporting documentation from staff members.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made. The Close-Out Report and applicable supporting documentation should be made readily available to the individual responsible for submitting the documentation to the County Treasurer's Office.

Please provide written management responses to the observations noted above by August 22, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Gricelda Quintero, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of July2014

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of July 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of July 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of July 2014 were $19,905.78. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 51 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize when fees are not properly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

In addition, management should ensure that the pending 41 adjustments are entered into *AbleTerm*.

Observation No. 2:
Incorrect copies of the Office of Court Administration's (OCA) "Official Justice of the Peace Monthly Report" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through July 2014 were filed with the County Auditor's Office. The County Auditor's Office has determined that the OCA Reports are incorrect since the jail time activity and several adjustments recommended by the County Auditor's Office are not included in the OCA Reports. The Justice of the Peace staff was made aware of the errors and agreed to make the applicable corrections.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and*

Deposits, a copy of the Office of Court Administration's "Official Justice of the Peace Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed OCA "Official Justice of the Peace Monthly Reports" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through July 2014 are filed with the County Auditor's Office by October 17, 2014.

Observation No. 3:
We noted during our review that all 21 Close-Out Reports prepared during the month of July 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 8 to 11 days after the bank deposit was made. According to the Court Coordinator, submission of the Close-Out Reports is delayed due to the office being shorthanded.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made. The Close-Out Report and applicable supporting documentation should be made readily available to the individual responsible for submitting the documentation to the County Treasurer's Office.

Please provide written management responses to the observations noted above by October 17, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of September 2014

Dear Judge Jackson:

We conducted a limited scope review of the *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of September 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of September 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of September 2014 were $24,341.26. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 16 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize when fees are not properly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts. It should be noted that adjustments were not completed until October 27, 2014

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

In addition, management should ensure that the pending 41 adjustments are entered into *AbleTerm*.

Observation No. 2:
Incorrect copies of the Office of Court Administration's (OCA) "Official Justice of the Peace Monthly Report" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through September 2014 were filed with the County Auditor's Office. The County Auditor's Office has determined that the OCA Reports are incorrect since the jail time activity and several adjustments recommended by the County Auditor's Office are not included in the OCA Reports. The Justice of the Peace staff was made aware of the errors and agreed to make the applicable corrections.

Pursuant to Local Government Code §112.002 (a) authorizes the county auditor to prescribe the system of accounting for the county. In addition, Local Government Code Section 112.002 (b) further states that "the county auditor may adopt and enforce regulations, not inconsistent with law or with a rule adopted under Section 112.003, that the auditor considers necessary for the speedy and proper collecting, checking, and accounting of the revenues and other funds and fees that belong to the county or to a person for whom a district clerk, district attorney, county officer, or precinct officer has made a collection or for whose use or benefit the officer holds or has received funds. Pursuant to Local Government Code Section 112.002 (a) and (b), the County Auditor requires

the submittal of properly completed reports (i.e., *Monthly Fines and Fees Report*, *Schedule of Receipts and Deposits*, a copy of the Office of Court Administration's "Official Justice of the Peace Monthly Report", etc.) for checking and properly accounting for funds collected by the Justice of the Peace Offices.

Timely submittal of these reports helps ensure that revenues are recognized in a timely manner.

Recommendation:
Management should ensure that properly completed OCA "Official Justice of the Peace Monthly Reports" for the months of October 2012; February 2013 through September 2013; December 2013; and January 2014 through September 2014 are filed with the County Auditor's Office by November 19, 2014.

Observation No. 3:
We noted during our review that 15 of the 21 Close-Out Reports prepared during the month of September 2014 that were available for testing were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 12 days after the bank deposit was made. According to the Court Coordinator, submission of the Close-Out Reports is delayed due to the office being shorthanded.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made. The Close-Out Report and applicable supporting documentation should be made readily available to the individual responsible for submitting the documentation to the County Treasurer's Office.

Observation No. 4:
We noted during our review that 3 of 22 online credit card transactions received during the month of September 2014 were not promptly receipted. The transactions were receipted 2 to 4 days after receipt. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to the Court Coordinator, staff attempts to receipt online credit card transactions on a daily basis; however, occasionally, online credit card transactions are accidently not receipted on a daily basis.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions entered into *AbleTerm* in a timely manner may result in the loss or misuse of County funds and the arrest of the defendant, in error, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and cases dispositions are entered into *AbleTerm* in a timely manner.

Observation No. 5:
We noted during our review that the September 2014 *Monthly Report* was not submitted to the County Auditor's Office in a timely manner. As of October 29, 2014, the report is still pending to be received. According to the Justice of the Peace staff, the reports are not completed in a timely manner due to limited staff and a heavy workload.

Local Government Code § 114.001 (b) states, "A monthly report must be filed within five days after the last day of each month." Timely submittal of the *Monthly Report* helps ensure the proper accounting and accurate projection of county revenues.

Formal monitoring procedures have not been developed and implemented to ensure the *Monthly Report* is submitted in a timely manner. This may result in the improper accounting and inaccurate projection of County revenues.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure the *Monthly Report* is submitted in a timely manner.

Please provide written management responses to the observations noted above by November 19, 2014.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Re: Review of Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* & Supporting Documentation For the month of October 2014

Dear Mr. Guerra:

We conducted a limited scope review of the Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of October 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by the Justice of the Peace, Pct. 5 Pl. 1 office on the *Monthly Report* for the month of October 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.

- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report*.
- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of October 2014 were $19,479.50. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 8 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize when fees are not properly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 9 of the 22 Close-Out Reports prepared during the month of October 2014 that were available for testing were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 18 days after the bank deposit was made. According to the Court Coordinator, submission of the Close-Out Reports is delayed due to a limited number of staff.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made. The Close-Out Report and applicable supporting documentation should be made readily available to the individual responsible for submitting the documentation to the County Treasurer's Office.

Observation No. 3:
The October 2014 *Monthly Report* was submitted to the County Auditor's Office on November 14, 2014, 9 days after the monthly report due date. According to the Justice of the Peace staff, the report was not completed in a timely manner due to a limited number of staff and a heavy workload.

Local Government Code § 114.001 (b) states, "A monthly report must be filed within five days after the last day of each month." Timely submittal of the *Monthly Report* helps ensure the proper accounting and accurate projection of county revenues.

Failure to ensure the *Monthly Report* is submitted to the County Auditor's Office in a timely manner may result in the improper accounting and inaccurate projection of County revenues.

Recommendation:
Management should ensure the *Monthly Report* is submitted to the County Auditor's Office in a timely manner.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Executive Office

Re: Review of Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* & Supporting Documentation For the month of November 2014

Dear Mr. Guerra:

We conducted a limited scope review of the Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of November 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by the Justice of the Peace, Pct. 5 Pl. 1 office on the *Monthly Report* for the month of November 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.

- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*
- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of November 2014 were $13,886.22. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 12 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were completed by December 24, 2014 (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize when fees are not properly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
We noted during our review that 11 of the 13 Close-Out Reports prepared during the month of November 2014 that were available for testing were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 2 to 16 days after the bank deposit was made. According to the Court Coordinator, submission of the Close-Out Reports is delayed due to the office being shorthanded.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's

Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made. The Close-Out Report and applicable supporting documentation should be made readily available to the individual responsible for submitting the documentation to the County Treasurer's Office.

Observation No. 3:
We noted during our review that the November 2014 *Monthly Report* was submitted to the County Auditor's on December 29, 2014, 19 days after the *Monthly Report* due date. According to the Justice of the Peace staff, the reports are not completed in a timely manner due to a limited number of staff and a heavy workload.

Local Government Code § 114.001 (b) states, "A monthly report must be filed within five days after the last day of each month." Timely submittal of the *Monthly Report* helps ensure the proper accounting and accurate projection of county revenues.

Failure to ensure that the *Monthly Report* is submitted to the County Auditor's Office in a timely manner may result in the improper accounting and inaccurate projection of County revenues.

Recommendation:
Management should ensure the *Monthly Report* is submitted to the County Auditor's Office in a timely manner.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Ref: Review of *Monthly Report* and Supporting Documentation
For the month of November 2014

Dear Mr. Martinez:

We conducted a limited scope review of the *Monthly Report* and all supporting documentation for the month of November 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope and Methodology:
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Report* for the month of November 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Reports* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Reports* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Reports* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance,* and *Monthly Reports* to verify proper completion.

Re: Review of the *Monthly Fees Reports* and Supporting Documentation
For the months of October 2014 & November 2014

Dear Mr. Olivarez:

We have conducted a limited scope review of the Environmental Health Division *Monthly Fee Reports* for the months of October 2014 and November 2014 pursuant to Local Government Code (LGC) §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the Environmental Health Division *Monthly Fee Reports* for the months of October 2014 and November 2014. Our review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fee Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to LGC §114.001(b).
- Verified the signature on the *Monthly Fee Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fee Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if fees were collected and reported in the proper amounts.
- Verified that procedures for voided receipts were properly followed.
- Verified the sequence of receipts per the *Monthly Fee Reports* agreed to the receipts issued. In addition, verified that receipts followed sequential order.
- Reviewed receipts, *Daily Remittance/Close-Out Reports,* and the *Monthly Fee Reports*, among other supporting documentation, to verify proper completion.
- Reviewed *Daily Remittance/Close-Out Reports* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth day after the day on which the funds were received.

Re: Review of *Monthly Fees Reports* and Supporting Documentation
For the months of October 2014 & November 2014

Dear Ms. Chapa:

We have conducted a limited scope review of the *Monthly Fees Reports* and all supporting documentation for the months of October 2014 and November 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of October 2014 and November 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittances/Close-Out Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fees Reports* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance/Close-Out Forms,* and *Monthly Fees Reports* to verify proper completion.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of November 2014

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct 1 *Monthly Fees Report* and all supporting documentation for the month of November 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of November 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of August 2014 through December 2014

Dear Sheriff Guerra:

We have conducted a limited scope review of the *Monthly Fees Reports* and supporting documentation for the months of August 2014 through December 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of August 2014 through December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fee schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001(b).
- Verified the signature on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if fees were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fees Reports* agreed to: 1.) total receipts issued, 2.) total deposits made with the County Treasurer, and 3.) total deposits posted to *alio's* various general ledger accounts.
- Reviewed direct deposits noted on the bank statements to ensure the direct deposits were timely remitted to the County Treasurer's Office.

- Verified the sequence of receipts per the *Monthly Fees Reports* agreed to the receipts issued. In addition, verified that receipts followed sequential order.
- Reviewed the *Weekly Remittance Reports* and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer's Office on a weekly basis.
- Reviewed receipts and the *Monthly Fees Reports*, among other supporting documentation, to verify proper completion of the monthly report.
- Reviewed the *Hidalgo County Sheriff's Department Bail Bond Fee Refund Application Forms* to determine if the refund was in compliance with Government Code § 41.258 (f).

Conclusion:
Total collections for the months of August 2014, September 2014, October 2014, November 2014, and December 2014 were $130,645.08, $101,783.40, $85,046.22, $480,455.25, and $108,799.67, respectively. Based on the results of our review, we have concluded that fees were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fees requires improvement as noted in the following observations.

Observation No. 1:
Procedures for voiding receipts were not properly followed. For example, void receipt number 229954 lacked the supervisor's signature of approval.

The County Auditor's Office requires that approval of a void receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisor should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, the cashier's signature and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all other copies of the voided receipt are securely attached together. Furthermore, the supervisor should ensure if a new receipt is issued, the voided receipt number and the new receipt number are cross-referenced.

Failure to properly void receipts may result in the loss or misuse of County funds.

Recommendation:
Management should re-train staff responsible for handling cash regarding the proper voiding of receipts. At a minimum, the procedures listed above should be implemented.

Observation No. 2:
According to staff, the prior administration set an informal office policy allowing for the waiver of fees of less than $1.00 for copies of public information requests since it was not feasible to collect.

Pursuant to Texas Administrative Code § 70.3, the charge for standard paper copies reproduced by means of an office machine copier or a computer printer is $.10 per page or part of a page. Each side that has recorded information is considered a page.

Pursuant to Attorney General Opinion GA-1006, granting county officials the discretion to waive fees could raise constitutional concerns, depending on the circumstances. Any policy allowing for selective waiver of fees must comport with the equal protection requirements of the Texas and United States Constitutions.

Failure to property collect fees will result in the loss of County revenue.

Recommendation:
Management should ensure that fees for copies for public information requests be collected regardless of the amount.

Please provide written a management response to the observation noted above by February 20, 2015. If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Ref: Review of Delinquent Tax Attorney Payment Request-November 2014
Report No. 2015-11

Dear Mr. Villarreal:

We have completed a limited scope review of the November 2014 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Perdue, Brandon, Fielder, Collins, and Mott, LLP ("Perdue") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended November 30, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request submitted by your office was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of November 2014 collections."
- Reviewed the "Hidalgo County Tax Office Prior Collection Report", "Hidalgo County Texas Contractor Report of Delinquent Collections", and the "Final Distribution Totals November 2014 Perdue, Brandon, Fielder, Collins and Mott LLP" report to determine if the amount on the payment request was accurate.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the list of tax accounts with tax deferrals provided by your office along with the November 2014 DTA payment request to verify whether accounts with delinquent tax attorney fees that were not collected at 15% rate specified in the contract were related to accounts with tax deferrals.
- Reviewed the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" that reflected a negative amount and verified on *ACT*, the tax collection application system, whether delinquent tax attorney fees netted out from the payment request to Perdue were collected between January 1, 2007 through June 30, 2007 and previously paid to Linebarger Goggan Blair & Sampson, LLP ("LGBS").

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

The results of our review revealed that the payment request was generally accurate and properly authorized. Although delinquent tax attorney fees for 173 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals and rounding (see Exhibit A).

We will proceed to process the November 2014 DTA payment request for payment in the amount of $139,170.17.

If you have any questions, please feel free to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Report No. 2014-539

Dear Mr. Guajardo:

We conducted a surprise cash count of the cash held at the Hidalgo County Clerk's Main Office on October 20, 2014 as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:

The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand at the time of the cash count agreed to the total receipts issued and the approved change fund. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawer, proper authorization of voided transactions, the use of a mail log for mail-in payments, and segregation of duties.

Conclusion:

Total cash on hand at the time of the cash count was $48,119.53. Based on the results of our review, we have concluded that generally total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $600. However, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No 1:

During the surprise cash count, we reviewed the mail log and noted that the check amounts for checks received from title companies were recorded as "Not to exceed $100.00" or "Not to exceed $250.00". We examined the checks and noted that the title companies made the checks payable to the "Hidalgo County Clerk"; however, the lines for the numeric and dollar amounts were left blank. Instead, the title companies noted the checks with "Not to exceed $100.00" or "Not to exceed $250.00". According to staff, recording fees are based on the number of pages to be recorded and customers do not always know the total amount due; therefore, customers opt to send a blank check along with the recording documents. According to the Cashier, once the amount due is determined, the numeric and written dollar amounts are written on the check, the documents are recorded, and a receipt is issued and sent to the customer via mail.

Pursuant to the County Auditor's Office *Cash Handling Guidelines and Procedures*, prior to accepting a check as payment, the cashier must verify that the numerical and written dollar amounts agree and are for the exact amount due.

Failure to ensure that cashiers verify that the numeric and written dollar amounts agree and are for the exact amount due may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that cashiers verify that the numeric and written dollar amounts agree and are for the exact amount due. In addition, management should ensure that a fee schedule is provided to the title companies. The fee schedule should be utilized by the title companies to determine the amount due.

Observation No. 2:
We were informed that passwords to gain access to *ACS*, *AbleTerm*, and *Odyssey*, the electronic receipting systems, are not changed at least every 90 days. According to staff, *ACS*, *AbleTerm*, and *Odyssey* are not programmed to automatically prompt and require users to change passwords at least every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *ACS, AbleTerm,* and *Odyssey*.

Recommendation:
Management should contact the applicable software providers to request that *ACS, AbleTerm,* and *Odyssey* be programmed to prompt and require users to change passwords at least every 90 days. The Information Technology Department should be contacted to request their assistance regarding this recommendation.

Observation No. 3:
We noted during our review that segregation of duties over the handling of cash requires improvement. The Bookkeepers perform the following incompatible duties:

- Custody: Receive collections, issue receipts, maintain the cash drawer, balance copies of receipts issued to the cash drawer, prepare bank deposits, collect on returned checks (NSF), prepare checks for disbursement, and have access to the inventory of blank checks
- Recording: Prepare reports of cash received and disbursed, post to receivables, and prepare billings and follow-up on delinquencies.

According to staff, all the Bookkeepers are cross-trained to cover for unavailable staff.

Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of the assets, recording transactions, and authorization. The individual responsible for receiving collections, issuing receipts, maintaining the cash drawer, balancing copies of receipts issued to the cash drawer, preparing bank deposits, collecting on returned checks (NSF), preparing checks for disbursement, and having access to the inventory of blank checks should be different from the individual responsible for preparing reports of cash received and disbursed, posting to receivables, and preparing billings and following up on delinquencies.

Failure to have adequate segregation of duties increases the risk of loss or misuse of County funds.

Recommendation:
Management should implement formal monitoring procedures to ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented. The specific compensating controls to be implemented should be detailed in the management response provided to the County Auditor's Office.

Observation No. 4:
We noted during our review that a mail log was utilized to record payments received through the mail; however, the person responsible for receipting the mail-in payments did not record the receipt date and receipt number issued for the mail-in payment on the mail log. According to staff, cashiers sign the mail log when the mail-in payments are received from the mail clerk, however, the receipt number and receipt date are not recorded on the mail log due to a heavy work load and limited number of staff.

The County Auditor's Office requires that mail-in payments be listed on a mail log on a daily basis. The following procedures should be implemented when processing mail-in payments:

a. The person responsible for opening the mail should note the following on the mail log: date received; the name of the payer; check/money order number; and amount.
b. The person responsible for issuing receipts should enter the receipt date and receipt number issued for the mail-in payment on the mail log.
c. A person other than the person responsible for issuing receipts should verify that an official County receipt was issued for each incoming mail-in payment. The person conducting this verification should provide his/her signature on the mail log as acknowledgment of the verification.

Failure to properly prepare the mail-log may result in the loss of County revenues.

Recommendation:
Management should ensure that the mail log is properly prepared. Please refer to the Cash Handling Guidelines and Procedures manual for specific procedures to implement regarding mail-in payments.

Observation No. 5:
According to staff, the type of access granted and authorized for each user to *ACS*, the electronic receipting system is not formally documented. In addition, access for new users is setup by copying previous user's rights. According to staff, management has been informed but corrective action has not been taken since a new receipting system will be implemented.

Access controls provide management with reasonable assurance that data files and application programs are protected against unauthorized modification, disclosure, loss, or impairment. Access controls require users to authenticate themselves (through the use of unique user names and passwords) and limit the files and other resources that they can access and the actions that they can execute.

For access controls to be effective, management must analyze the responsibilities of individual users and determine the type of access needed for the users to effectively fulfill their responsibilities. Access granted must be restricted to those authorized functions alone. In general, users may be assigned one or more of the following types of access:

- Read access, which is the ability to look at and copy data or a software program.
- Update access, which is the ability to change data or a software program.
- Delete access, which is the ability to erase or remove data or programs.
- Merge access, which is the ability to combine data from two separate sources.
- Execute access, which is the ability to execute a software program.

Access authorizations should be documented on standard forms and maintained on file. The authorization form must be completed and signed by the user accepting the conditions of use and approved by senior management. The approved form must be securely transferred to security managers and filed.

Access authorizations and related controls should be monitored, maintained, and adjusted on an ongoing basis to accommodate for changes in a user's responsibilities (i.e., new hire, promotions, termination, and/or transfer of employees).

Without adequate access controls, unauthorized individuals may be able to read and copy sensitive data and make undetected changes or deletions for malicious purposes or personal gain. In addition, authorized users may intentionally or unintentionally read, add, delete, modify, or execute changes that are outside their scope of authority.

Recommendation:
Management should develop and implement formal policies and procedures for authorizing access and documenting authorizations to *ACS*. The policies should address purpose, scope, roles, responsibility, and compliance issues. At a minimum, the procedures noted above should be implemented.

Observation No. 6:
Employees responsible for handling cash, including the Cashiers, the County Clerk, Chief Deputy, and Office Manager, were not required to sign the "Cash Handling Guidelines and Procedures" acknowledgement receipt. According to management, although they are aware that the acknowledgement receipts need to be signed by employees, the employees have not been required to sign the acknowledgement receipt.

The County Auditor's Office requires that departments train all employees responsible for handling cash regarding proper cash handling procedures. The employees handling cash must read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be kept on file.

Failure to ensure that employees handling cash are required to read and sign a receipt acknowledging their understanding of the "Cash Handling Guidelines and Procedures" increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that employees handling cash are required to read and sign a receipt acknowledging their understanding of the "Cash Handling Guidelines and Procedures". In addition, the forms should be maintained on file for all employees, including the County Clerk.

Observation No. 7:
The official County seal was not imprinted on the face of receipts generated from the computerized receipting system. According to management, previous attempts to imprint the official County seal on the receipt were unsuccessful since the seal obstructed other receipt information. Therefore, the County seal has not been imprinted on the receipts.

The County Auditor's Office requires that official forms, with the exception of deposit slips, be imprinted with the official County seal and the name of the department issuing the form. In addition, Code of Criminal procedure Art 103.010(a) states that "Each receipt must bear a distinct number and facsimile of the official seal of the county."

Failure to have the official County seal imprinted on the face of receipts increases the risk of loss or misuse of County funds.

Recommendation:
Management should contact the software provider to request that the official County seal be imprinted on the face of receipts. If it is not feasible to electronically imprint the official County seal on the receipts, at a minimum, the official County seal should be affixed to the receipt by a seal press or stamp that embosses or prints the official County seal on the face of the receipt.

Observation No. 8:
We noted during our review that if a shift change is necessary and collections are transferred from one employee to another, a transfer form is not prepared. According to staff, the cashier reconciles collections up to time of transfer with a computer generated report, however, the process is not witnessed and a transfer form is not signed by the employee accepting custody of the collections.

The County Auditor's Office requires that only one cashier be allowed access to a specific cash drawer during a single shift. When cash is transferred from one person to another, it should be counted in the presence of both parties. In addition, a transfer form should be prepared when a shift change takes place. This is necessary for the purposes of establishing responsibility relating to a shortage.

Failure to prepare a transfer form when a shift change is necessary may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a transfer form is prepared when a shift change takes place. At a minimum, the procedures noted above should be implemented.

Observation No. 9:
According to staff, wire transfers are made without obtaining supervisory approval. In addition, documentation detailing the amount, purpose, and destination of the wire is not presented for supervisory review. Furthermore, the employee who executes the wire transfers also reconciles the cash per the accounting records to the bank statements. According to staff, approval to execute wire transfers has been given to specific staff; therefore, approval is not granted each time a transfer is made.

The County Auditor's Office requires that all wire transfers be made after approval is granted by the Department Head or his designee. Before supervisory approval is granted, documentation must be provided detailing the amount, purpose and destination of the wire. In addition, the transmitting bank is required, prior to executing the wire, to confirm the amount and destination of the wire transfer by calling a person independent of the employee requesting the transfer. Furthermore, the employee who executes the wire transfers should not prepare or post journal entries nor reconcile the accounting records to the bank statements.

Failure to properly execute a wire transfer may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that wire transfers are properly executed. At a minimum, the procedures noted above should be implemented.

Observation No. 10:
A schedule of fees is not posted in a conspicuous location for the public's view. According to staff, they were not aware that the schedule of fees was not posted in a conspicuous location for the public's view.

The County Auditor's Office requires that a schedule of fees that will be charged pursuant to state statutes and/or Commissioners Court approval be posted in a conspicuous location for the public's view.

Failure to post the schedule of fees in a conspicuous location increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a schedule of authorized fees is posted in a conspicuous location for the public's view.

Observation No. 11:
We noted during our review that a notice stating, "Make sure you receive an official County receipt when making payments at this office", along with a sample receipt, was not posted for the public's view at all the collection points (areas). According to staff, they were not aware that the notice was not posted in a conspicuous location for the public's view.

The County Auditor's Office requires departments to post a notice visible to the public stating "Make sure you receive an official County receipt when making payments at this office". A sample of each official County receipt issued by the department should be posted by the notice in order to indicate to the payee what he/she should expect to receive.

Failure to ensure that a notice stating, "Make sure you receive an official County receipt when making payments at this office", along with a sample official County receipt, is posted in a conspicuous location for the public's view increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating, "Make sure you receive an official County receipt when making payments at this office" along with a sample receipt, is posted in a conspicuous location for the public's view.

Observation No. 12:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds is maintained by the department. However, cashiers are not required to verify if the payer's name is on the hot check list prior to accepting a check as a payment.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced by cashiers when receiving checks from customers.

Failure to ensure that a hot check list is maintained and referenced when receiving checks from customers may result in the loss of County funds.

Recommendation:
Management should ensure that cashiers verify if the payer's name is on the hot check list. Checks from customers on the hot check list should not be accepted.

Observation No 13:
According to staff, cashiers are not prohibited from receipted payments from relatives and personal friends.

Pursuant to the County Auditor's Office *Cash Handling Guidelines and Procedures*, "Cashiers should not receipt payments from their relatives or personal friends. Cashiers must notify their supervisor so that the supervisor may assign the receipt of the payment to another cashier."

Failure to ensure that cashiers do not receipt payments from relatives or personal friends may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that cashiers do not receipt payments from relatives and personal friends.

Observation No. 14:
We noted during our review that collections are not deposited into the bank until 2 days after the collections were receipted. According to staff, the armor car changed their pick-up time schedule to an earlier time, leaving the department with insufficient time to review and prepare the close-out reports and deposit slip. Therefore, the department opted to deposit the day's collections 2 days later.

Pursuant to the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office, cash receipts must be deposited intact on a daily basis, unless the amount collected is less than $100.00

Failure to ensure that collections are deposited at the bank on a daily basis may result in the loss or misuse of County funds.

Recommendation:
Management should contact the applicable parties to arrange a more convenient time for the armor car to pick up the daily collections in order to ensure that collections are deposited daily. In the alternative, the time for closing out and balancing the daily collections should be changed in order to have ample time to make daily deposits.

Please provide written management responses to the observations noted above by March 6, 2015. In addition, please provide us with copies of the written procedures and internal controls established by your department for the handling of cash and cash equivalent transactions. The written procedures should include, at a minimum, the following:

    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;

Ref: Cash Count
Report No. 2014-546

Dear Mr. Olivarez:

We conducted a surprise cash count of the cash held at the Elsa Health Clinic on December 23, 2014 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. Based on the results of our review, we have concluded that total cash on hand did reconcile to the approved change fund of $25.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
We noted that security cameras were not utilized where cash is receipted and safeguarded; however, there is a security alarm system in place for the building. According to management, security cameras have not been installed due to budgetary constraints.

The County Auditor's Office recommends that security alarms and security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are installed and utilized where cash is receipted and safeguarded. Management should contact the Department of Budget and Management to request funding assistance to purchase the security cameras.

Please provide written management responses to the observations noted above by February 10, 2015.

In addition, management should develop and implement procedures for the handling of cash transactions. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;

Re: Cash Count
Report No. 2014-555

Dear Judge Morales:

We conducted a surprise cash count of the cash held at your office on December 10, 2014, as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued up to the time of the cash count.

Scope:

The scope of our review was limited to a count of the cash on hand as of the time of the cash count. In addition, we evaluated the procedures in place related to the 1.) collections process; 2.) accounting of citations and civil cases filed with the court; and 3.) documenting the authorization of dismissed criminal cases for the period of October 1, 2014 through October 31, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, segregation of duties, filing of citations and civil cases, and documenting the authorization of dismissed cases.

Conclusion:

Total collections at the time of the cash count were $700.10. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:

Passwords to gain access to *AbleTerm,* the County's justice information system, are not changed at least every 90 days. According to staff, the last change of passwords was made during the month of February 2014. In addition, staff attempts to change passwords at least once a year.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

AbleTerm has not been programmed to prompt and require users to change passwords at least every 90 days. Failure to change passwords may increase the risk of unauthorized access to *AbleTerm*.

Recommendation:
Management should contact the software provider to request that *AbleTerm* be programmed to prompt and require users to change passwords at least every 90 days. The Information Technology Department should be contacted to request their assistance regarding this recommendation. If this is not feasible, management should monitor that employees change their passwords at least every 90 days.

Observation No. 2:
We noted during our review that procedures for the accounting of citations received from law enforcement agencies and civil cases filed with the court require improvement as follows:

1. Citations received from law enforcement agencies and civil cases filed with the court are recorded on a log; however, required information was not recorded on the log (i.e., citation number, name of violator/plaintiff, name of officer who issued the citation, date of entry into *Ableterm/Odyssey*, and docket number assigned to the citation/civil case).
2. A reconciliation of citations and civil cases filed at the court to those recorded on *Ableterm/Odyssey*, the case management system, was not conducted and formally documented; and
3. Duties related to citations and civil cases are not properly segregated. Individuals responsible for issuing receipts (custody responsibility) are also responsible for entering citations and civil cases into *Ableterm/Odyssey (*reporting responsibility).

According to staff, due to a heavy case load and limited number of staff, procedures for the accounting of citations and civil case filings have not been improved.

The County Auditor's Office requires that a reconciliation of citations and civil cases (cases) filed at the court be conducted and formally documented. This reconciliation may be conducted and formally documented by completing a cases filed log (log). Cases should be entered into *AbleTerm/Odyssey* the same day they are received. Any exceptions should be brought to the attention of the Supervisor, placed in a locked area, and processed on the next business day. The following procedures should be followed when processing citations:

a. The person responsible for opening the mail and/or accepting the delivery of cases should immediately list the cases on the log before distribution to the person responsible for entering them on *Ableterm/Odyssey*. Since the person responsible for entering the cases on *Ableterm/Odyssey* has recording responsibilities, he/she should not be responsible for accepting payments.
b. The person responsible for opening the mail and/or accepting the delivery of cases should note, at a minimum, the following on the log: date received, citation number, name of violator/plaintiff, and name of officer who issued the citation, as applicable. The person responsible for noting this information should provide his/her signature on the "Prepared by" line of the log.
c. The person responsible for entering the cases on *Ableterm/Odyssey* should enter the date of entry and docket number assigned to the case and his/her signature on the log.
d. The "New Cases" and "Cases Filed" reports for the specified date should be generated from *Ableterm/ Odyssey* and reconciled to the log by a person other than the person responsible for entering the cases on *Ableterm/Odyssey*. Any variances should be noted on the log, with a detailed explanation, and immediately brought up to the attention of the Justice of the Peace. In addition, the person conducting this reconciliation should provide his/her signature on the log as acknowledgment of the reconciliation.
e. Citations should be placed in the applicable file.
f. The Justice of the Peace should request periodic reports regarding the cases filed with the courts from law enforcement agencies and reconcile the reports to the cases recorded in *Ableterm/Odyssey*.
g. Copies of the logs and periodic reports received from law enforcement agencies shall be maintained by the Justice of the Peace Office. This documentation shall be made available to the County Auditor's Office for review upon request.

Maintaining adequate internal controls over citations is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations.

Failure to ensure that citations and civil cases are properly accounted and reconciled or that compensating controls are implemented increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that citations and civil cases are properly accounted and reconciled. If these procedures cannot be implemented, management should ensure that compensating controls are implemented.

Observation No. 3:
A listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds is not maintained. According to staff, only checks from companies are accepted. By not accepting personal checks, the staff believes that the possibility of accepting a hot check is decreased.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to ensure a hot check list is maintained and referenced when receiving checks from customers may result in the loss of County funds.

Recommendation:
Management should ensure a hot check list is maintained and referenced when receiving checks from customers. A copy of the hot check list should be requested from the County Treasurer's Office. Checks from customers on the hot check list should not be accepted.

Observation No. 4:
We noted during our review that segregation of duties over the handling of collections requires improvement. The Court Coordinator performs the following incompatible duties:

- Custody: Receives money, issues receipts, opens and lists mail receipts, maintains a cash drawer, and has access to the inventory of unused receipts
- Recording: Accounts for numerical sequence of receipts issued, has access to dismiss cases on *AbleTerm*, and prepares monthly collections and refund reports
- Authorization: Compares listed mail receipts to recorded cash receipts and verifies that voided original receipts are kept and reviewed

In addition, the Truancy Case Manager performs the following incompatible duties:

- Custody: Receives money, issues receipts, opens and lists mail receipts, maintains a cash drawer, balances copies of receipts against cash drawer, prepares bank deposit slip, and has access to the inventory of unused receipts
- Recording: Accounts for numerical sequence of receipts issued and has access to dismissed cases on *AbleTerm*
- Authorization: Verifies that voided original receipts are kept and reviewed

According to staff, due to a heavy case load and limited number of staff, proper segregation of duties over the handling of collections has not been implemented.

The responsibility for sound internal controls rests with management. Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of assets, recording transactions, and authorization. The individual responsible for receiving money, issuing receipts, opening and listing mail receipts, maintaining a cash drawer, balancing copies of receipts against cash drawer, preparing bank deposit slip, and having access to the inventory of unused receipts should be different from the individual responsible for accounting for the numerical sequence of receipts issued, having access to dismiss cases on *Ableterm*, and preparing monthly collections and refund reports. In addition, those individuals should be different from the individual responsible for comparing listed mail receipts to recorded cash receipts and verifying that voided original receipts are kept and reviewed.

Maintaining segregation of duties is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations. Adequate and timely supervision is especially important in small departments, where limited personnel may inhibit a thorough segregation of duties.

Failure to ensure that incompatible duties are adequately segregated or that compensating controls are implemented increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented.

Observation No.5:
We noted during our review that a cashier placed personal funds in the same cash drawer where County funds were being safeguarded. According to the staff, they were not aware that the comingling of personal funds with County funds was not permitted.

The County Auditor's Office requires that County funds not be comingled with personal funds.

Failure to ensure that County funds are not comingled with personal funds increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that staff does not comingle personal funds with County funds.

Observation No. 6:
A notice stating that an area is being monitored by a security camera was not posted in a conspicuous location for the public's view. According to staff, the required notice has been developed; however, the notice has not been posted.

The County Auditor's Office requires that a notice stating that an area is being monitored by a security camera be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating an area is being monitored by a security camera is posted in a conspicuous location for the public's view.

Observation No. 7:
We noted during our review that mail-in payments were not immediately restrictively endorsed "For Deposit Only." According to the Court Coordinator, mail-in payments are restrictively endorsed by the Cashier and not the person responsible for opening the mail.

The County Auditor's Office requires that all checks received be immediately restrictively endorsed by the person responsible for opening the mail.

Failure to ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" by the person responsible for opening the mail.

Observation No. 8:
We noted during our review that cashiers did not verify whether checks/moneyorders accepted as payment were stale or post dated. According to the Court Coordinator, they were not aware of this procedure but would inform staff to begin verifying the dates on the payments.

The County Auditor's Office requires that, prior to accepting a check for payment, the cashier must verify that the date on the check is the day that payment is presented. Stale-dated or post-dated checks may not be accepted.

Failure to verify that checks/moneyorders accepted as payment are not stale or post dated may result in the loss of County funds.

Recommendation:
Management should ensure that staff verifies that checks/moneyorders accepted as payment are not stale or post dated.

Please provide written management responses to the observations noted above by February 17, 2015.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide a copy of the written procedures by February 17, 2015.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Re: Cash Count
Report No. 2014-562

Dear Ms. Hinojosa:

We conducted a surprise cash count of the cash held at your office on December 8, 2014 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $4,285.00. Based on the results of the review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $250.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted during our review that procedures for processing mail-in payments require improvement. The following information was not recorded on the mail log:

1. The receipt date and receipt number issued for each mail-in payment;
2. The signature of the person responsible for verifying that a receipt was issued for each incoming mail-in payment; and
3. The signature of the person responsible for opening the mail and listing the mail-in payments.

According to the staff, not all required information is entered on the mail log due to a limited number of staff.

The County Auditor's Office requires that mail-in payments be listed on a daily mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number. The employee responsible for opening the mail and listing the mail-in payments must sign and date the mail log to document responsibility for verifying the cash received and preparing the listing. Mail-in payments must then be transferred to the cashier. After issuing a receipt for the mail-in payment, the cashier must enter the receipt date and receipt number issued for the mail-in payment on the mail log. An employee other than the cashier should verify that an official County receipt was issued for each mail-in payment. The employee conducting this verification must sign and date the mail log to document responsibility for the verification.

Failure to ensure that mail-in payments are properly processed may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are properly processed. At a minimum, the procedures noted above should be implemented. Please refer to the mail log section of the "Cash Handling Policy, Guidelines, and Procedures" for the minimum procedures to be implemented to ensure adequate internal controls for the safeguarding of public funds.

Observation No. 2:
Passwords to gain access to *AbleTerm,* the County's justice information system, are not changed at least every 90 days. According to staff, *AbleTerm* has not been programmed to prompt and require users to change passwords.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *AbleTerm.*

Recommendation:
Management should contact the software provider to request that *AbleTerm* be programmed to prompt and require users to change passwords at least every 90 days. In addition, the Information Technology Department should be contacted to request their assistance regarding this recommendation. If this is not feasible, management should inform employees to change their passwords at least every 90 days.

Please provide written management responses to the observations noted above by February 17, 2015.

In addition, please provide us with copies of updated written procedures and internal controls, if any, established by your department for the handling of cash and cash equivalent transactions. The written procedures manual should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, training that will be provided, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide our office with copies of the procedures by February 17, 2015.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you have any questions or would like to schedule a meeting to discuss this cash count, please contact Marissa Castillo, Internal Auditor I, at ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. The Honorable Pablo (Paul) Villarreal, Jr., RTA
Hidalgo County Tax Assessor/Collector

Edinburg, TX 78539

Re: Cash Count
Audit No. 2014-570

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Pharr Tax Office on December 17, 2014 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $96,460.86. Based on the results of our review, we have concluded that total cash on hand generally reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $300.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
As previously noted, security cameras were not utilized in the vault where cash is safeguarded. According to the Supervisor, the department is planning to purchase additional video equipment; however, the exact placement of the security cameras is not yet known.

The County Auditor's Office recommends that security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored. In addition, the County Auditor's Office requires that all cash be protected immediately by using a cash drawer, safe, or other secure place until it is deposited. The secure place must be restricted to authorized personnel.

Failure to ensure that security cameras are utilized where cash is safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized where cash is safeguarded. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
During the cash count, we were informed that the safe's combination, where the change fund and collections are safeguarded, was not changed when the previous Supervisor retired. According to staff, they were not aware that the safe's combination needed to be changed.

The County Auditor's Office requires that keys, access passwords, or safe combinations to restricted areas should be issued to as few employees as possible. Access passwords and safe combinations must be changed at lease every two years or when an employee with knowledge of the access password or safe combination is transferred or terminates employment. In addition, employees must be required to return keys prior to terminating employment or when a change in responsibilities occurs.

Failure to ensure that the safe's combination is changed when an employee with knowledge of the combination retires may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that the safe's combination is changed when an employee with knowledge of the combination is transferred or terminates employment. In addition, management should ensure that employees handling cash read section B.18 of the "Cash Handling Guidelines and Procedures" regarding the changing/updating of passwords.

Please provide written management responses to the observation noted above by February 17, 2015.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. Location of cash collection points;
b. Types of collections made by each cash collection point;
c. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
d. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained;
    6. Computer hardware and software used; and
e. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by February 17, 2015.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you have any questions regarding this cash count or would like to schedule a meeting to discuss this cash count, please contact Abigail Guajardo, MSA, Internal Auditor I, at (956) 318-2511 ext. 4652, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B.
