1. POLICY TITLE Uniform Policy

2. POLICY STATEMENT

It is the policy of the county that certain positions, as designated by each Elected Official or County Executive Officer for general fund departments, may be required to wear a uniform while on the job.

3. PURPOSE

The purpose of this policy shall be to maximize safe working conditions, reflect good appearance and to provide ease of recognition, and/or identification of designated employees by the public. This policy is necessary in order to help determine whether all or any part of the uniform expenditures will be considered a taxable fringe benefit to the employee.

Uniforms are excluded from wages of an employee if they are:

- Specifically required as a condition of employment, and
- Are not worn or adaptable to general usage as ordinary clothing.

4. GENERAL GUIDELINES

A. Each Department Director will identify the positions within their respective department for which the wearing of a uniform is required. Department Directors should ensure that uniforms are absolutely necessary.

B. Employees filling positions designated as requiring the wearing of a uniform must wear issued uniforms on the job on a daily basis once the employee receives his/her supply of uniforms.

C. Each department requiring employees to wear uniforms must include funds for new issues and replacement of uniforms in their respective department annual budget.

D. The purchasing of uniforms may be used in lieu of the rental of uniforms when considered more economical by the Elected Official or the County Executive Officer for General Fund Departments.

5. UNIFORM ISSUANCE

A. When an employee is assigned to a position which has been designated as requiring a uniform, the employee's Department Director will authorize the issuance of uniforms. The employee must sign for all issued uniforms.

B. The Department Director will determine the number of uniforms to be issued commensurate with the employee's expected field time, not to exceed six sets of uniforms.

6. APPEARANCE IN UNIFORM

A. Personnel shall maintain a neat and professional appearance while in uniform that shall be representative of the County of Hidalgo.

B. When the uniform is worn, the wearer shall maintain a neat, tidy appearance at all times, avoiding soiled or wrinkled uniforms.

C. Employees should keep their hair, beards, mustaches, or sideburns, clean, neatly combed or brushed and should not appear ragged or unkempt.

7. APPROPRIATE ATTIRE FOR NON-UNIFORMED AND UNIFORMED PERSONNEL

A. Non-Uniformed Employees wearing civilian attire will wear clothing that is acceptable for an office setting and keeping with other County Offices and Departments.

B. Non-Uniformed and Uniformed Employees will ensure that their clothing is cleaned, free of stains, tears and holes.

C. Non-Uniformed and Uniformed Employees authorized to wear jeans shall not wear jeans faded out, spotted with bleach or worn to the point that the cuffs are frayed or cut. The jeans cannot have holes in them.

E. All button down shirts or blouses will be worn tucked in the pant line. The only exception is for women's blouses that are designed to be worn un-tucked. Examples of this type of blouse are those made with straight hem.

8. CASUAL ATTIRE

A. On Fridays, or the last day of the workweek, Non-Uniformed Employees are allowed to wear jeans. Designed Uniformed employees shall not observe this practice unless authorized by the Department Director. Clothes should be neat, clean, and without holes or ragged edges.

B. Attire that is considered inappropriate includes but is not limited to: shorts, low cut shirts/blouses, ratty jeans, T-shirts, athletic shoes, thong sandals, and any attire that exposes the midriff or undergarment, and any other attire that the supervisor deems

C. Employees should keep their hair, beards, mustaches, or sideburns, clean, neatly combed or brushed and should not appear ragged or unkempt.

9. UNACCEPTABLE CASUAL ATTIRE

A. Regardless of gender, it is not appropriate to wear your favorite old t-shirt, ripped jeans and sneakers. Keep in mind the "business" part of the business casual, and leave your old comfortable clothes at home.

B. Pull over's can be worn but must have collar and top buttons (polo style). All pull over's will be worn tucked in the pant line. Henley style (collarless with buttons) pull over's are not acceptable. Pull over shirts cannot be heavily designed with patterns.

C. Hawaiian shirts or similar heavily patterned shirts are not acceptable wear for the office.

D. Revealing clothing, transparent materials, micro-mini skirts, and or shorts prohibited.

E. If you are assigned to go to a class, seminar or training and

F. you are being paid to attend, you are expected to adhere to this dress policy.

11. CARE AND MAINTENANCE OF UNIFORMS

A. Employees are personally responsible for the proper care, cleaning, alterations and repair of uniforms issued to them.

B. If uniform item(s) becomes unserviceable the employee must launder the item and request a replacement.

C. If an employee loses a uniform item, the employee will be charged the current cost for the item for a replacement.

10. IMPROPER UNIFORM WEAR PROHIBITED

A. Personnel issued a uniform will not wear the uniform or any portion thereof while off-duty, to any political gathering, or any other public or private gathering or to any business, or location that may be deemed as inappropriate unless their presence is of an official nature.

12. TERMINATION OF EMPLOYMENT

A. When an employee terminates with the County or is transferred into a position of

to their immediate supervisor no later than the date of termination or reassignment. All returned items must be laundered and in good condition.

B. If the employee fails to return any uniform items the cost of the unreturned item(s) will be deducted from the employee's final payment.

13. POLICY VIOLATION AND REVISION

A. An employee who does not wear the uniform specified, without a reason acceptable to the immediate supervisor, will be subject to disciplinary action, up to and including termination of employment.

B. Employees may not wear county uniforms in any capacity other than when they are performing official business for the county.

C. Failure to comply with the guidelines established in this policy may lead to disciplinary action up to an including termination of employment.

The Honorable Ramon Garcia
Hidalgo County Commissioners
Edinburg, Texas 78539

Re: See attached list

Gentlemen:

The Hidalgo County Appraisal District has made a correction to the tax roll as allowed by Property Tax Code Section 26.15. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

Pablo (Paul) Villarreal, Jr., PCC

YEAR	COUNTY	ASSESSED DUES FOR CALENDAR YEAR	PAST DUE	TOTAL AMOUNT DUE
2015	Hidalgo County	$2,600.00	None	$2,600.00

The County Judges and Commissioners Association of Texas is requesting payment of your annual county dues in the amount specified above. The dues are assessed based on the population of your county, from the 2010 census. As directed by the Executive Board, the dues for 2015 have been increased. This is the first increase in 10 years

The dues paid by the counties are utilized in the following ways:

Legislative: Jim Allison, General Counsel, monitors the legislative session, all called special sessions, and interim hearings. The State Officers supervise and assist in the support of our legislative program.

Consultation: Jim and his legal staff are available for internet list serve, telephone, and email consultation for important problems in your county. Phone numbers: (512) 482-0701, (800) 733-0699; Email address: j.allison@allison-bass.com

Our educational programs are a vital part of our organization, and we need to maintain their excellence. The State Association maintains a transcript and issues a Certificate of Completion to all commissioners who complete the required 16 hours of continuing education.

County Progress Magazine provides informative monthly articles of special interest to us. Your dues include an annual subscription for each member of the Commissioners Court. By your support, we will be able to continue these services for each of you.

Honorable Ramon Garcia

Edinburg, TX 78539-3304

Dear Judge Garcia:

Payment of the enclosed invoice for your county's membership in the Texas Association of Counties entitles your officials and staff to receive our services and take advantage of TAC's resources. These include:

- Toll-free Legal Hotline at 888-ASK-TAC4 (888-275-8224);
- *County* magazine and the TAC website at www.county.org;
- Legislative support on the state and federal levels;
- Website hosting and technology assistance through the County Information Resources Agency;
- Leadership development and Best Practices recognition through the TAC Leadership Program; and
- High quality, affordable continuing education programs.

The common thread in these dues-funded services is that they all represent efforts to ***make county government better*** for the residents and taxpayers of Texas. Since its creation over 40 years ago, TAC has been at the forefront of bringing county officials together under one tent to seek collaborative answers to common problems. That strategy complies with the organization's overall purpose: To serve Counties.

Please continue to call upon our staff for assistance and information. Your support enables us to represent all Texas counties. Attached is a statement that reflects your county's dues. Please note that the amount has not changed from prior years.

If you have questions about TAC's services, do not hesitate to contact me at (800) 456-5974. If there are questions about the invoice, please call Courtney Gibb in the Accounting Department at the same number.

Sincerely,

Gene Terry

Explanation of Charges

Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for *delivering calls* from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of $5 or 1.5% per month, or as permitted by law.

Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.

Field Report No. 18
Field Report Date: December 5, 2014
General Contractor: Foremost Construction
Present at Site: Painters, Kitchen Hood Delivery Crew, Hector Rene Garcia – Architect.

Architects Project No.: 201305
Time: 10:00 a.m.
Weather: Cool, 65 degrees
Est. % Completion: 80%

Observations:

01. Domes for the tubular daylighting devices are still pending.

02. Card reader / plate cover installation placed on the north exterior wall of the Multi-purpose Room is not acceptable. Refer to photo.
03. There is no electrical power available on-site.
04. The folding wall partition installation has been started at the Multi-purpose Room. One partition has been installed and the others are in the shipping containers. The partition installed has an 8" (+/-) scratch at the upper part of the partition. Subcontractor will need to take corrective measures as approved by the manufacturer. Refer to photo.
05. Ceramic tile wall has been placed on the "wet wall" of the kitchen along with the ceiling grid.
06. The wall mounted light fixtures are not per the submittal; electrical engineer working with supplier to get intended installation version substituted for the fixtures on-site.
07. Missing trim pieces for metal soffit to be reviewed with architect before installation.
08. Generator has been put on concrete pad at mechanical yard.
09. Concerns with the duct installation at AHU-1 and AHU-2 have been forwarded to the mechanical engineer. The units do not have the 6" housekeeping pad called for on Sheet M-1.0 and the duct layouts do not coincide with the drawings. Refer to photo.
10. The utility-line work being done by the North Alamo Water Supply Corporation has reached the project site. Refer to photo.
11. Hardie Shingle Siding to be custom fitted under the window frames to allow for a continuous appearance of the siding.
12. Oil-canning at the metal soffits must be addressed and a solution proposed as per manufacturer's recommendations. Refer to photo.
13. Entry sidewalks have been poured; connection to the parking / park sidewalks will be by others.
14. Welds at the porch steel columns and the adjacent doors has been noted on previous reports as unacceptable; that the columns are now painted will make for additional corrective work.
15. Door subcontractor to provide recommendation on closing the 1-1/4" gap at the bottom of the receptionist area door for review by the architect. Refer to photo.

Project:	San Carlos Community Resource Center	**Architect's Project No:**	201305

Field Report Date:	01.07.15	**Weather:**	Cool
Contractor:	Foremost Construction 26986 Bass Blvd. Harlingen, Texas 78552	**Est. Completion:**	90%

Present at Site: Chris Collins (MGA), Gabriel Hinojosa and Tony Nicanor (MEP, Sigma) Eloy Solis (Foremost), Electrical Sub (FSG),

No. of Crewman: 2+

General Notes:

1. Meeting set between the GC, the Architect, the MEP Engineers, and the Electrical Subcontractor (FSG) for 1:30 PM. I (the Architect) arrived at 1:25 PM. When I joined the meeting, I was told they had already been talking for over ten minutes.
2. The electrician offered his solutions to hanging the newly configured light fixtures from the ceiling. He proposes running a single conduit down the corridor perpendicular to the wood rafters. This will require boring a 5/8" whole through each of the rafters. This has been approved by our Structural Engineer as long as the bores are in the center of the rafter. The wire at each light location will run loose to the ceiling mount where the stem will be attached to a swivel to allow it to hang vertical. At a couple of locations, where the rafters sit at the center of the light, one of the two rafters will be notched to allow the junction box to fit. The electrical engineer was in agreement with this solution.
3. The ceiling grid in the multipurpose rooms have been installed, however, the ceiling tiles have not. The GC is asking that the Architect provide specific locations for each type of ceiling tile shown in the submittal provided.
4. Currently the entire floor of the Multipurpose is coated in a black primer to receive the new floor finish. I was told by the GC that the work was stopped because the humidity was too high.
5. The wall tile in the kitchen is complete, the casework, counter and the sink is installed, and the kitchen hood is in place.
6. The Mechanical Engineer says the size of the return air intake and adjacent duct are not the size specified and will need to be redone.
7. The mechanical room still does not have a ceiling. After some discussion between the Architect, the GC and FSG, it was decided that the light fixtures should be located on one side of the room away from the ductwork, the ceiling may be placed across the space no more than 6" from underneath the ductwork. Special attention will need to be given to the various lines along the wall to make sure they make clean penetrations through the ceiling
8. Toilet partitions are installed in Men's, and Women's restrooms.
9. Office floor areas are being prepped to receive finish treatment, however, casework in only minimally protected with blue tape. The GC needs to ensure that the finish installer goes to great lengths to ensure that the casework in not damaged during finish work
10. It is not clear why wire glass has been installed in the double door from the screening room. It's supposed to be wire

General Notes:

1. Wire mesh screen around screening area has been installed. The wire mesh appears to be the correct grade, however, the installation has left creases in the plane of the mesh. Also, the GC was instructed that the architect wanted all of the screws to be aligned horizontally and vertically. The configuration of the aluminum battens are not exactly what was detailed by the architect as the installer added horizontal bars where it was intended to be left as just a screw and washer. The details call for stove head, hex type, screw. What is provided is a Philips.
2. Downspouts installed around building are not the correct ones noted on the drawings. These need to be removed are replaced with the size and shape specified by the architect which are to be 3" round, not the 4" square that was installed.
3. Cedar planks currently being installed on steel gates
4. All lights appear to have been installed under the canopy as discussed.
5. Solatubes have been connected within the multipurpose rooms, however, the diffuser lenses used do not appear to be the same ones specified by the architect. The architect specified Optiview lens, and what is provided is the basic prismatic lens, which has a totally different appearance. These diffusers must be changed out for the ones specified.
6. Outlet locations are not horizontally in-line as directed by the architect.
7. Significant paint or plaster spatter was found at the base of the wall between the restrooms and classroom.
8. The metal panel cladding at hall 108 has finally received its finish trim and upon initial inspection appears to be of acceptable quality.

MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS:
Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

1. **Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

    - A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.
    - The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
    - The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
    - No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
    - The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

2. **Price Reduction:** Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.

3. **Timeframe for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

4. **Allowable Review Periods:** Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

5. **Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here Signature of U.S. person ► Date ►

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

• The U.S. grantor or other owner of a grantor trust and not the trust, and

• The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
