

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 3rd day of March, 2015 does by these presents GRANT, GIVE AND RELINQUISH TO:

Hidalgo M.U.D. #1 hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 10inch water line inch water/ gas/ sewer/ irrigation line; said line to be constructed of PVC material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, described as follows:

- The 10" line is to be laid on the east side of Showers Road, 5ft off the east property line (fence line). The line will be laid 4ft below ground level and all road or driveways will be bored and cased. The line will run from irrigation district #6 canal on the east side of Western Road 3600 ft where it will T off, west and be bored under Western Rd, the line will continue 200 ft of the east side of Western Rd.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 10" water line along line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 3rd day of March, 2015 does by these presents GRANT, GIVE AND RELINQUISH TO:

Melden & Hunt, Inc. hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 12 inch water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, described as follows:

- (La Esperanza) A proposed 12" PVC sanitary sewer line running parallel to Mile 12 North Road approximately 14.00' south of the center line. The Contractor shall trench approximate 1750 feet to install the proposed 12" PVC sanitary sewer line. The trenching shall begin approximately 210 feet west of the intersection of Mile 12 North Road and Sequoia Street and ends approximately 82 feet west of intersection of Mile 12 North Road and Loma Drive.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 12" PVC Sanitary Sewer line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.
