1. POLICY TITLE Uniform Policy

2. POLICY STATEMENT

It is the policy of the county that certain positions, as designated by each Elected Official or County Executive Officer for general fund departments, may be required to wear a uniform while on the job.

3. PURPOSE

The purpose of this policy shall be to maximize safe working conditions, reflect good appearance and to provide ease of recognition, and/or identification of designated employees by the public. This policy is necessary in order to help determine whether all or any part of the uniform expenditures will be considered a taxable fringe benefit to the employee.

Uniforms are excluded from wages of an employee if they are:

- Specifically required as a condition of employment, and
- Are not worn or adaptable to general usage as ordinary clothing.

4. GENERAL GUIDELINES

A. Each Department Director will identify the positions within their respective department for which the wearing of a uniform is required. Department Directors should ensure that uniforms are absolutely necessary.

B. Employees filling positions designated as requiring the wearing of a uniform must wear issued uniforms on the job on a daily basis once the employee receives his/her supply of uniforms.

C. Each department requiring employees to wear uniforms must include funds for new issues and replacement of uniforms in their respective department annual budget.

D. The purchasing of uniforms may be used in lieu of the rental of uniforms when considered more economical by the Elected Official or the County Executive Officer for General Fund Departments.

5. UNIFORM ISSUANCE

A. When an employee is assigned to a position which has been designated as requiring a uniform, the employee's Department Director will authorize the issuance of uniforms. The employee must sign for all issued uniforms.

B. The Department Director will determine the number of uniforms to be issued commensurate with the employee's expected field time, not to exceed six sets of uniforms.

6. APPEARANCE IN UNIFORM

A. Personnel shall maintain a neat and professional appearance while in uniform that shall be representative of the County of Hidalgo.

B. When the uniform is worn, the wearer shall maintain a neat, tidy appearance at all times, avoiding soiled or wrinkled uniforms.

C. Employees should keep their hair, beards, mustaches, or sideburns, clean, neatly combed or brushed and should not appear ragged or unkempt.

7. APPROPRIATE ATTIRE FOR NON-UNIFORMED AND UNIFORMED PERSONNEL

A. Non-Uniformed Employees wearing civilian attire will wear clothing that is acceptable for an office setting and keeping with other County Offices and Departments.

B. Non-Uniformed and Uniformed Employees will ensure that their clothing is cleaned, free of stains, tears and holes.

C. Non-Uniformed and Uniformed Employees authorized to wear jeans shall not wear jeans faded out, spotted with bleach or worn to the point that the cuffs are frayed or cut. The jeans cannot have holes in them.

E. All button down shirts or blouses will be worn tucked in the pant line. The only exception is for women's blouses that are designed to be worn un-tucked. Examples of this type of blouse are those made with straight hem.

8. CASUAL ATTIRE

A. On Fridays, or the last day of the workweek, Non-Uniformed Employees are allowed to wear jeans. Designed Uniformed employees shall not observe this practice unless authorized by the Department Director. Clothes should be neat, clean, and without holes or ragged edges.

B. Attire that is considered inappropriate includes but is not limited to: shorts, low cut shirts/blouses, ratty jeans, T-shirts, athletic shoes, thong sandals, and any attire that exposes the midriff or undergarment, and any other attire that the supervisor deems

C. Employees should keep their hair, beards, mustaches, or sideburns, clean, neatly combed or brushed and should not appear ragged or unkempt.

9. UNACCEPTABLE CASUAL ATTIRE

A. Regardless of gender, it is not appropriate to wear your favorite old t-shirt, ripped jeans and sneakers. Keep in mind the "business" part of the business casual, and leave your old comfortable clothes at home.

B. Pull over's can be worn but must have collar and top buttons (polo style). All pull over's will be worn tucked in the pant line. Henley style (collarless with buttons) pull over's are not acceptable. Pull over shirts cannot be heavily designed with patterns.

C. Hawaiian shirts or similar heavily patterned shirts are not acceptable wear for the office.

D. Revealing clothing, transparent materials, micro-mini skirts, and or shorts prohibited.

E. If you are assigned to go to a class, seminar or training and

F. you are being paid to attend, you are expected to adhere to this dress policy.

11. CARE AND MAINTENANCE OF UNIFORMS

A. Employees are personally responsible for the proper care, cleaning, alterations and repair of uniforms issued to them.

B. If uniform item(s) becomes unserviceable the employee must launder the item and request a replacement.

C. If an employee loses a uniform item, the employee will be charged the current cost for the item for a replacement.

10. IMPROPER UNIFORM WEAR PROHIBITED

A. Personnel issued a uniform will not wear the uniform or any portion thereof while off-duty, to any political gathering, or any other public or private gathering or to any business, or location that may be deemed as inappropriate unless their presence is of an official nature.

12. TERMINATION OF EMPLOYMENT

A. When an employee terminates with the County or is transferred into a position of

to their immediate supervisor no later than the date of termination or reassignment. All returned items must be laundered and in good condition.

B. If the employee fails to return any uniform items the cost of the unreturned item(s) will be deducted from the employee's final payment.

13. POLICY VIOLATION AND REVISION

A. An employee who does not wear the uniform specified, without a reason acceptable to the immediate supervisor, will be subject to disciplinary action, up to and including termination of employment.

B. Employees may not wear county uniforms in any capacity other than when they are performing official business for the county.

C. Failure to comply with the guidelines established in this policy may lead to disciplinary action up to an including termination of employment.

Re: Review of Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* & Supporting Documentation For the month of December 2014

Dear Mr. Guerra:

We conducted a limited scope review of the Justice of the Peace, Pct. 5 Pl. 1 *Monthly Fines and Fees Report* (*Monthly Report*) and supporting documentation for the month of December 2014 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported by the Justice of the Peace, Pct. 5 Pl. 1 office on the *Monthly Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.

- Verified that collections per the *Monthly Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Report, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Report.*
- Verified the sequence of receipts per the *Monthly Report* agreed to the Ableterm's Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, mail logs, and the *Monthly Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of December 2014 were $14,380.70. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed all receipts for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 6 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and all necessary revisions were made (see Exhibit A). According to the Justice of the Peace staff, only 2 of 4 cashiers are able to recognize when fees are not properly assessed. In such cases, cashiers make the applicable corrections prior to issuing receipts.

There are numerous statutes that require Justice of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm.*

Observation No. 2:
We noted during our review that 3 of 9 online credit card transactions received during the month of December 2014 were not promptly receipted. The transactions were receipted 9 to 12 days after receipt. Consequently, the applicable case dispositions were not recorded in *AbleTerm* in a timely manner. According to the Court Coordinator, staff attempts to receipt online credit card transactions on a daily basis; however, occasionally, online credit card transactions are accidently not receipted on a daily basis.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Failure to ensure that credit card transactions are promptly receipted and case dispositions entered into *AbleTerm* in a timely manner may result in the loss or misuse of County funds and the arrest of the defendant, in error, respectively.

Recommendation:
Management should ensure that credit card transactions are promptly receipted and cases dispositions are entered into *AbleTerm* in a timely manner.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645 or me, at ext. 4604.

Respectfully,

Ray Eufracio, CPA

Re: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation
For the month of December 2014

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.

- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of December 2014 were $104.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012, the park entrance fee from Monday through Saturday is waived. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:
Commissioners Court approval to waive the park entrance fee should be obtained.

Observation No. 2:
We noted that the collections for December 28th totaling $14.00 were not deposited at the bank until January 14, 2015 (17 days late). According to the staff, there was a change in staffing that caused the deposits to not be made timely.

Pursuant to the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office, cash receipts must be deposited intact on a daily basis.

Failure to ensure that collections are deposited at the bank on a daily basis may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that collections are deposited at the bank on a daily basis.

Observation No. 3:
We noted during our review that 3 of 4 Daily Close-Out Reports prepared during the month of December 2014 were not submitted to the County Treasurer's Office on a daily basis. The Close-Out Reports were submitted from 31 to 45 days after the bank deposit was made. According to the staff, there was a change in staffing that caused the Daily Close-Out Reports to not be submitted on a daily basis.

The County Auditor's Office requires that cashiers reconcile cash on hand to receipts issued and the approved change fund, if any, on a daily basis by utilizing the Close-Out Report. Once the reconciliation is completed and the collections are deposited to the County's General Fund bank account, the Close-Out Report along with the bank validated deposit slip must be submitted to the County Treasurer's Office on a daily basis. The County Treasurer's Office utilizes the Close-Out Report, along with the bank validated deposit slip to timely receipt and account for the collections deposited to the County's General Fund bank account.

Failure to submit the Close-Out Report to the County Treasurer's Office on a daily basis results in the improper accounting of County funds.

Recommendation:
Management should ensure that the Close-Out Report is submitted to the County Treasurer's Office on a daily basis after the daily deposit has been made.

Please provide a written management response to the observations noted above by February 27, 2015.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of December 2014

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Report* and all supporting documentation for the month of December 2014 in accordance with Local Government Code §115.002(a) and §115.002(b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of December 2014. The review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing the review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of December 2014 were $708.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. A review of the County's financial records indicated that the fee has been collected since at least 1992. Commissioners Court approved increase of the park entrance fee from $2.00 to $4.00 on March 23, 1993. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted has not been provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on Saturdays and Sundays. The park entrance fee is also waived from vehicles entering the park after the Daily Close-Out Report and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fee may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that that park entrance fees are properly collected. At a minimum, evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained.

Observation No. 2:
We noted during our review that the December 7, 2014 *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report) was not properly completed as follows:

1. When counting the cash on hand, the Cashier did not record the appropriate number of bills on Section A of Part II. It appears that the cashier utilized the Close-out Report template from the previous day's collections and did not update the count (see Exhibits A and B). The total of the actual bills on hand, totaling $94.00, was recorded on Section D of Part II (see Exhibit A), which agreed to the receipts issued for the day and the change fund but not to the amount recorded on Section A, totaling $110.00 (see Exhibit A)
2. It appears that a witness was not present when the count was conducted by the Cashier since the Close-Out Report lacked a witness's signature.

The Park's staff was made aware of the errors and the applicable corrections were made (see Exhibit C).

The County Auditor's Office requires that the following procedures be performed when preparing the Close-Out Report:

a. The cashier must count the money and record the appropriate amounts on *Part II Cash on Hand by Actual Count.*
b. The witness must total the actual receipts issued for the day and record the total and beginning and ending receipt numbers and control numbers, if applicable, on *Part I Recap of Receipts.*
c. The witness must confirm that the amount recorded by the cashier on *Part II Cash on Hand by Actual Count* agrees to the receipts issued and the change fund, if any. Any variances must be noted on the *Comments Section* with a detailed explanation.
d. Both the cashier and the witness must verify that the Close-Out Report is completed in its entirety. Both the cashier and witness must sign under *Part III Acknowledgment and Approval* to document their responsibility for this verification.

Failure to ensure that the Close-Out Report is properly completed may result in the loss of County funds.

Recommendation:
Management should ensure that the Close-Out Report is properly completed. At a minimum, the procedures listed above should be implemented.

Please provide a written management response to the observations noted above by February 27, 2015.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of December 2014

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct 1 *Monthly Fees Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

The Honorable Atanacio Gaitan Jr.
Hidalgo County Constable, Precinct 4
2814 S. Business Highway 281
Edinburg, TX 78539

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of December 2014

Dear Constable Gaitan:

We have conducted a limited scope review of the Constable Precinct 4 *Monthly Fees Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported by the Constable Precinct 4 Office on the *Monthly Fees Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Reports* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of December 2014 were $630.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
Odyssey, the County's justice/receipting information system, is utilized to receipt collections; however, we noted that a manual receipt was issued and not receipted through *Odyssey*. According to staff, the Administrative Assistant is the only employee with access to issue receipts in *Odyssey*. Since the Administrative Assistant was out on leave, a manual receipt was issued by another staff member.

The County Auditor's Office requires that a computerized receipting system be used, if available, to receipt collections. All employees responsible for receipting collections should have access to the computerized receipting system. Manual receipts should only be utilized if the computerized receipting system is non-operational. If a department with a computerized receipting system uses manual receipts, those manual receipts must be entered into the computerized receipting system as soon as possible, but in no event later than the next business day after the computerized receipting system is operational. Each manual receipt and corresponding computer-generated receipt should be cross-referenced. In addition, management must

Failure to utilize Odyssey to receipt collections may result in the improper accounting and reporting of County revenues.

Recommendation:
Management should request access to receipt in *Odyssey* from the Information Technology Department for all employees responsible for receipting collections.

Please provide written management responses to the observation noted above by February 27, 2015.

If you should have any questions, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Respectfully,

Ref: Review of *Monthly Report* and Supporting Documentation
For the month of December 2014

Dear Mr. Martinez:

We conducted a limited scope review of the *Monthly Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope and Methodology:
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Reports* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Reports* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Reports* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance,* and *Monthly Reports* to verify proper completion.

Conclusion:
Total collections for the month of December were $14,150.00. Based on the results of our review, we have concluded that generally fees collected were properly accounted and reported.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Respectfully,

Ray Eufracio, CPA
County Auditor

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of December 2014

Dear Ms. Chapa:

We have conducted a limited scope review of the *Monthly Fees Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code §115.002 (a) and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittances/Close-Out Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Daily Remittance/Close-Out Forms,* and *Monthly Fees Report* to verify proper completion.

Re: Review of the Precinct 3 Sanitation Program *Monthly Fees Report* and Supporting Documentation For the month of December 2014

Dear Commissioner Flores:

We conducted a limited scope review of the Precinct 3 Sanitation Program *Monthly Fees Report* and all supporting documentation for the month of December 2014 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of December 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and permits were properly followed.

Conclusion:
Total collections for the month of January 2015 were $186.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012, the park entrance fee from Monday through Saturday is waived. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:
Commissioners Court approval to waive the park entrance fee should be obtained.

Please provide a written management response to the observation noted above by February 27, 2015.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Hidalgo County Commissioner Pct. No. 3

Mission, Texas 78572

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of January 2015

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Report* and all supporting documentation for the month of January 2015 in accordance with Local Government Code §115.002(a) and §115.002(b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2015. The review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing the review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2015 were $1,044.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. A review of the County's financial records indicated that the fee has been collected since at least 1992. Commissioners Court approved increase of the park entrance fee from $2.00 to $4.00 on March 23, 1993. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted has not been provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on Saturdays and Sundays. The park entrance fee is also waived from vehicles entering the park after the Daily Close-Out Report and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fee may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that that park entrance fees are properly collected. At a minimum, evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained.

Please provide a written management response to the observation noted above by March 6, 2015.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of January 2015

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct 1 *Monthly Fees Report* and all supporting documentation for the month of January 2015 pursuant to Local Government Code § 115.002 (a), § 115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2015. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2015 were $1,245.00. Based on the results of our review, we have concluded that generally fees collected were properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
We noted during our review that $70.00 were collected in 5 separate cases for citations (C1-2015-1, C1-2015-2, C1-2015-3, C1-2015-4, and C12015-5) instead of $75.00. According to the Administrative Assistant, *Odyssey* prompted her to collect $70.00 instead of $75.00. The Administrative Assistant used manual receipts to receipt subsequent collections until the fees in *Odyssey* were updated.

On September 23, 2014, Commissioners Court approved the Sheriff's and Constables' Fee Schedule. The fee for citations increased from $70.00 to $75.00, effective January 1, 2015. The Constables are required to collect fees in accordance with the fee schedule.

Failure to ensure that fees are collected in accordance to the Sheriff's and Constables' fee schedule may result in the loss of County funds.

Recommendation:
Management should contact each of the 5 payers to collect the $5.00 underpayments. In addition, management should ensure that the Information Technology Department is contacted in a timely manner to ensure that fees in *Odyssey* are updated prior to taking effect.

Please provide a management response to the observations noted above by March 13, 2015.

If you should have any questions, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

The Honorable Lazaro Gallardo
Hidalgo County Constable, Precinct 3
730 N. Breyfogle Ste. B
Mission, TX 78573

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of January 2015

Dear Constable Gallardo:

We have conducted a limited scope review of the Constable Precinct 3 *Monthly Fees Report* and all supporting documentation for the month of January 2015 pursuant to Local Government Code § 115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2015. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2015 were $420.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
We noted during our review that $70.00 was collected for a "Levy, Deed, and Notice Package" instead of $75.00. According to the Administrative Assistant, Odyssey prompted her to collect $70.00 instead of $75.00.

On September 23, 2014, Commissioners Court approved the Sheriff and Constables Fee Schedule. The fee for a "Levy, Deed, and Notice Package" increased from $70.00 to $75.00, effective January 1, 2015. The Constables are required to collect fees in accordance with the fee schedule.

Failure to ensure that fees are collected in accordance to the sheriff's and Constables fee schedule may result in the loss of County funds.

Recommendation:
Management should contact the payer to collect the $5.00 underpayment. In addition, management should contact the Information Technology Department and request that Odyssey be programmed to assess the correct fee amount for a "Levy, Deed, and Notice Package."

Please provide a management response to the observations noted above by March 6, 2015.

If you should have any questions, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Respectfully,

Re: Review of the H.B. 65 Balance Sheet
For the months of September 2014 through December 2014

Dear Mr.Rodriguez:

We conducted a limited scope review of the statement of net assets (balance sheet) and applicable supporting documentation of the H.B. 65 account for the months of September 2014 through December 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the financial statements.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets (balance sheet) and applicable supporting documentation. However, we noted that the system of internal controls for the accounting of funds requires improvement as noted below:

1. Due to Others

As of August 31, 2014, the "Due to Others" account had a balance of $31,037.09. Of the $31,037.09:

- $31,031.48 has been carried forward since at least December 2003. According to the District Attorney's Office Accountant, the balance may possibly represent interest earnings from prior years.
- $5.61 is interest earnings credited to the HB65 bank account during the month of December 2014 for prior interest accumulated in CDs, according to the District Attorney's Office Accountant.

We recommend that the $31,037.09 be remitted to the County Treasurer's Office for deposit into the District Attorney Chapter 59 Fund.

Please provide a management response to the findings noted above by March 20, 2015.

Your prompt attention to this matter is greatly appreciated. If you should have any questions, do not hesitate to contact Carlos Ramirez, MSA, Internal Auditor II, at 318-2511 ext. 4654, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, or Arcy B. Re: Review of Sheriff's Fee Balance Sheet
As of September 30, 2014 through December 31, 2014

Dear Sheriff Guerra:

We conducted a limited scope review of the statement of net assets (balance sheets) of the Fee Trust Account as of September 30, 2014 through December 31, 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the balance sheets.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statement of net assets and applicable supporting documentation. However, we noted that the system of internal controls for the collection of accounts receivable requires improvement as noted below:

Due from Federal Government – Boarding of Prisoners

The Due from Federal Government balance as of December 31, 2014 was $58,534.34 and consisted of the following:

- "Due from Army" totaling $1,664.00 and consisting of billings for the months of April 2011 ($468.00), September, 2011 ($260.00), November 2011 ($520.00), May 2013 ($156.00), and August 2013 ($260.00).
- "Due from Border Patrol" totaling $286.81 and consisting of billings for the months of June 2002 ($64.00), August 2003 ($159.15), and January 2004 ($63.66).

- "Due from Navy" totaling $208.00 and consisting of billings for the months of November 2014 ($52.00) and December 2014 ($156.00).
- "Due from DHS/ICE" totaling $732.09 and consisting of billings for the months of August 2007 ($381.96), May 2008 ($31.83), and September 2008 ($318.30).
- "Due from ICE" totaling $127.32 and consisting of the billing for the month of February 2005.
- "Due from INS" totaling $95.49 and consisting of the billing for the month of May 2003.
- "Due from US Marshalls" totaling $2,340.00 and consisting of the billing for the month of December 2014.

According to staff, research is being conducted to determine the reason the billings have not been paid. In addition, payment is being sought from the Federal Government.

We recommend that management research the pending accounts receivable balances and seek payment from the Federal Government by March 30, 2015.

Due from others-Telephone Commissions

The Due from others - Telephone Commissions balance as of December 31, 2014 was $112,442.42. The balance consisted of underpaid commissions totaling $8,953.46 for the months of February 2014 through September 2014 and billed commissions in the amounts of $29,983.22 for the month of October 2014; $34,430.31 for the month of November 2014; and $39,075.43 for the month of December 2014.

According to Value Added Communication (VAC), starting February 2014, certain commissions will no longer be paid to the Sheriff's Office based on an FCC ruling. The Sheriff's Office along with the Hidalgo County Purchasing Department is working with legal counsel to resolve the issue and seek reimbursement for VAC for the amounts underpaid.

We recommend that management continue to seek reimbursement from VAC for the underpaid and billed commissions.

Due to Others - Voided Checks

As of December 31, 2014, the "Due to Others – Voided Checks" had a balance of $24.24. The balance included 8 void checks with original issue date of July 26, 2011 through April 14, 2014.

Pursuant to Texas Property Code Chapter 76, a check may be presumed abandoned on the latest of the third anniversary of the date (1) the check was payable; (2) the issuer or payor of the check last received documented communication from the payee of the check; or (3) the check was issued if, according to the knowledge and records of the issuer or payor of the check, during that period, a claim to the check has not been asserted or an act of ownership by the payee has not been exercised.

We recommend that a notice be mailed to the last known address of the payee for the 8 voided checks stating that: (1) the Sheriff's Office is holding the funds; and (2) the Sheriff's Office may be required to deliver the funds to the County Treasurer on or before July 1 if the funds are not claimed. Any funds not claimed should be escheated to the County Treasurer within the time required by statute.

If you have any questions, please contact Arcy B. Duran, CPA, Director of Audit, at 318-2511 ext. 4645, or me at ext. 4604.

Re: Review of the Hot Checks Balance Sheet
For the months of January 2014 through December 2014

Dear Mr. Rodriguez:

We have conducted a limited scope review of the statements of net assets (balance sheets) and applicable supporting documentation of the Hot Checks Account as of December 31, 2014 pursuant to Local Government Code §112.006 (b), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance whether any material modifications needed to be made to the financial statements.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to the statements of net assets (balance sheets) and applicable supporting documentation. However, we noted that the system of internal controls for the accounting of Hot Check funds requires improvement as noted below:

1. Due From Others

As of December 31, 2014, the "Due from Others" account had a balance of $226.96. Of the $226.96:

- $30.00 is owed from the Hot Checks Special Revenue Fund due to a stop payment charged to the Hot Checks bank account on December 15, 2008; and
- $196.96 is due to an NSF check received by the Hot Checks Division during the month of August 2014. According to the Hot Checks Supervisor, efforts to collect on the NSF check are currently being made.

A formal reimbursement request for the $30.00 stop payment should be made to the County Auditor's Office – Accounts Payable Division by March 13, 2015. Copies of the attached bank statement should be attached to the formal request as supporting documentation. In addition, collections efforts on the NSF check should be continued.

2. Due To Others – Over/Short

As of December 31, 2014, the "Due to Other – Over/Short" account had a balance of $12.49 due to unidentified net overages.

The $12.49 net overage should be transferred to the County Treasurer's office by March 13, 2015 and credited to the miscellaneous revenue account in the Hot Checks Fund.

3. Due to Others – Void Checks Over 90 Days

As of December 31, 2014, the "Due to Other – Void Checks 90 days" account had a balance of $20,252.79 consisting of 72 void checks. Of the 72 checks, 31 checks totaling $4,318.90 were issued prior to March 1, 2012 (see Exhibit A).

Texas Property Code Chapters 72-76 govern Texas unclaimed property. Chapters 72-75 require holders to report and remit abandoned property over $100 to the State Comptroller. Chapter 76 requires County holders to report and remit abandoned property valued at $100 or less to the County Treasurer. A check is presumed abandoned on the latest of the third anniversary of the date (1) the check was payable; (2) the issue or payor of the check last received documented communication from the payee of the check; or (3) the check was issued if, according to the knowledge and records of the issuer or payor of the check, during that period, a claim to the check has not been asserted or an act of ownership by the payee has not been exercised.

The filing deadline for reporting unclaimed property to the State Comptroller and the County Treasurer is July 1, 2015. The report must include all property presumed abandoned as of March 1, 2015 (includes checks where last contact was made prior to March 1, 2012).

Holders are required to mail a notice by May 1, 2015 to all owners of property over $250 that is to be included in the July 1, 2015 report. View the attached State Comptroller's sample due diligence letter that can be modified to describe the specific type of unclaimed property being held (see Exhibit B). The requirement does not apply to holders that have already mailed letters. The notice is not required if the holder does not have a record of an address. Holders may charge the cost of postage as a service charge against each property.

Property considered abandoned as of March 1, 2015 must be escheated to the State Comptroller or County Treasurer, as applicable by July 1, 2015. Please visit the following State Comptroller's website for assistance regarding the escheating of unclaimed property: http://www.window.state.tx.us/up/reporting.html. In addition, please ensure that formal procedures are developed and implemented to ensure that unclaimed property is escheated to the State Comptroller or County Treasurer, as applicable, in a timely manner.

Your prompt attention to this matter is greatly appreciated. If you should have any questions, do not hesitate to contact Carlos Ramirez, MSA, Internal Auditor I, at 318-2511 ext. 4654, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Ref: Review of Delinquent Tax Attorney Payment Request-December 2014
Report No. 2015-13

Dear Mr. Villarreal:

We have completed a limited scope review of the December 2014 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Perdue, Brandon, Fielder, Collins, and Mott, LLP ("Perdue") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended December 31, 2014. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request submitted by your office was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of December 2014 collections."
- Reviewed the "Hidalgo County Tax Office Prior Collection Report", "Hidalgo County Texas Contractor Report of Delinquent Collections", and the "Final Distribution Totals December 2014 Perdue, Brandon, Fielder, Collins and Mott LLP" report to determine if the amount on the payment request was accurate.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the list of tax accounts with tax deferrals provided by your office along with the December 2014 DTA payment request to verify whether accounts with delinquent tax attorney fees that were not collected at 15% rate specified in the contract were related to accounts with tax deferrals.
- Reviewed the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" that reflected a negative amount and verified on *ACT*, the tax collection application system, whether delinquent tax attorney fees netted out from the payment request to Perdue were collected between January 1, 2007 through June 30, 2007 and previously paid to Linebarger Goggan Blair & Sampson, LLP ("LGBS").

The results of our review revealed that the payment request was generally accurate and properly authorized. Although delinquent tax attorney fees for 191

tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals and rounding (see Exhibit A).

We will proceed to process the December 2014 DTA payment request for payment in the amount of $149,145.23.

If you have any questions, please feel free to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

EDINBURG, TEXAS 78539

February 27, 2015

Honorable J.E. "Eddie" Guerra
Hidalgo County Sheriff
711 El Cibolo Rd.
Edinburg, TX 78539

Ref: 2014 Equitable Sharing Agreement and Certification
For the Year Ended December 31, 2014
Report No. 2015-15

Dear Sheriff Guerra:

We have conducted a limited scope review of the Equitable Sharing Agreement and Certification Report for the year ended December 31, 2014. The objectives of the review were to:

1. Determine if the revenues and expenditures reported on the Annual Certification Report agreed to those recorded in *alio,* the County's financial accounting system; and
2. Determine if expenditures were incurred for law enforcement purposes pursuant to the Department of Justice's Guide to Equitable Sharing for State and Local Law Enforcement Agencies (Justice Guide) and the Department of the Treasury's Guide to Equitable Sharing for Foreign Countries and Federal, State, and Local Law Enforcement Agencies (Treasury Guide).

Background:
The Equitable Sharing Program is a Department of Justice program designed to enhance cooperation among federal, state, and local law enforcement agencies through the sharing of proceeds resulting from federal forfeitures. In order to become eligible, state or local law enforcement agencies must submit the Equitable Sharing Agreement and the Annual Certification Report to the Department of Justice. The submission of these requirements is a prerequisite to the approval of any equitable sharing request. Noncompliance may result in the denial of the agency's sharing request.

The Equitable Sharing Agreement binds its signatories to the statutes and guidelines that regulate the equitable sharing program and certifies that the Agency (Sheriff's Office) will comply with said guidelines and statutes. The Equitable Sharing Agreement stipulates that shared assets shall be used for law enforcement purposes as set forth in the current edition of the Justice Guide and the Treasury Guide. In addition, before the Sheriff's Office transfers cash, property, or proceeds to other state or local law enforcement agencies, it must first verify with the Department of Justice or the Department of the Treasury, depending on the source of the funds, that the receiving agency is a current and compliant Equitable Sharing Program participant. The Equitable Sharing Agreement also stipulates that the Sheriff's Office must agree to account separately for federal equitable sharing funds received from the Department of Justice and the Department of the Treasury. Funds from state and local forfeitures and other sources must not be commingled with federal equitable sharing funds. Actual signatures of approval are not required to be submitted along with the Equitable Sharing Report; however, the agencies must obtain approval

Ref: 2014 Equitable Sharing Agreement and Certification
For the Year Ended December 31, 2014
Report No. 2015-17

Dear Constable Gaitan:

We have conducted a limited scope review of the Equitable Sharing Agreement and Certification Report for the year ended December 31, 2014. The objectives of the review were to:

1. Determine if the revenues and expenditures reported on the Annual Certification Report agreed to those recorded in *alio,* the County's financial accounting system; and
2. Determine if expenditures were incurred for law enforcement purposes pursuant to the Department of Justice's Guide to Equitable Sharing for State and Local Law Enforcement Agencies (Justice Guide) and the Department of the Treasury's Guide to Equitable Sharing for Foreign Countries and Federal, State, and Local Law Enforcement Agencies (Treasury Guide).

Background:
The Equitable Sharing Program is a Department of Justice program designed to enhance cooperation among federal, state, and local law enforcement agencies through the sharing of proceeds resulting from federal forfeitures. In order to become eligible, state or local law enforcement agencies must submit the Equitable Sharing Agreement and the Annual Certification Report to the Department of Justice. The submission of these requirements is a prerequisite to the approval of any equitable sharing request. Noncompliance may result in the denial of the agency's sharing request.

The Equitable Sharing Agreement binds its signatories to the statutes and guidelines that regulate the equitable sharing program and certifies that the Agency (Constable Precinct 4 Office) will comply with said guidelines and statutes. The Equitable Sharing Agreement stipulates that shared assets shall be used for law enforcement purposes as set forth in the current edition of the Justice Guide and the Treasury Guide. In addition, before the Constable Precinct 4 Office transfers cash, property, or proceeds to other state or local law enforcement agencies, it must first verify with the Department of Justice or the Department of the Treasury, depending on the source of the funds, that the receiving agency is a current and compliant Equitable Sharing Program participant. The Equitable Sharing Agreement also stipulates that the Constable Precinct 4 Office must agree to account separately for federal equitable sharing funds received from the Department of Justice and the Department of the Treasury. Funds from state and local forfeitures and other sources must not be commingled with federal equitable sharing funds. Actual signatures of approval are not required to be submitted along with the Equitable Sharing Report; however, the agencies must obtain approval from the governing body. In addition, agencies should establish their own internal policies and procedures for obtaining signatures.

Re: Cash Count
Report No. 2014-564

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Pharr Motor Vehicle Substation on December 17, 2014, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $214,556.73. Based on the results of our review, we have concluded that generally total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $8,100.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Security cameras were not utilized in the vault where cash is safeguarded. According to staff, the purchase of additional video equipment has been considered; however, the purchase has not been made due to budgetary constraints.

HIDALGO COUNTY DISTRICT JUDGES

LUIS M. SINGLETERRY JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 139TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. PARTIDA JUDGE, 275TH D.C. | MARIO E. RAMIREZ, JR. JUDGE, 332ND D.C. | NOE GONZALEZ JUDGE, 370TH D.C. OVERSEER | LETICIA LOPEZ JUDGE, 389TH D.C. | AIDA SALINAS FLORES JUDGE, 398TH D.C. | ISRAEL RAMON, JR. JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

The County Auditor's Office recommends that security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to ensure that security cameras are utilized in all areas where cash is safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized in all areas where cash is safeguarded. Management should contact the Department of Budget and Management to request their assistance regarding funding for the purchase of security cameras.

Observation No. 2:
We noted during our review that several checks received were missing a check date. According to staff, cashiers are responsible for verifying that checks are correctly completed prior to acceptance; however, the cashier may have failed to make the required verification. In addition, we noted that a check dated August 16, 2014 was received (over the counter) and receipted on December 16, 2014. According to the Substation's Supervisor, stale dated checks are accepted as long as the date on the check does not exceed 180 days from the current date. The Substation Supervisor further stated that the bank accepts stale dated checks as long they do not exceed 180 days from the current date.

The County Auditor's Office requires that prior to accepting a check as payment; the cashier must verify that the check is properly completed. This includes verifying that the check is made payable to Hidalgo County, Hidalgo County and the Elected or Public Official's title (i.e., Hidalgo County Tax Assessor/Collector) or Elected Official's title and name (i.e., Hidalgo County Tax Assessor Collector, Pablo (Paul) Villarreal, Jr.). In addition, the cashier must verify that the check contains a date and that the check is not stale or post-dated.

Failure to ensure that checks accepted as payment are properly completed may result in the loss or misuse of County funds.

Recommendation:
Management should instruct staff to ensure that checks accepted as payment are properly completed. At a minimum, the procedures noted above should be implemented.

Observation No. 3:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds is maintained by the department. However, the listing has not been updated. Therefore, cashiers were not required to verify if the payer's name is on the hot check list, prior to accepting a check as a payment.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced by cashiers when receiving checks from customers.

Failure to ensure that a current hot check list is maintained and referenced by cashiers when receiving checks from customers may result in the loss of County funds.

Recommendation:
Management should ensure that a current hot check list is maintained and referenced by cashiers when receiving checks from customers. Checks from customers on the hot check list should not be accepted.

Please provide a written management response to the observations noted above by March 12, 2015.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. The training that will be provided at the collection point and description of how segregation of duties will be maintained;

b. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used; and
c. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by March 12, 2015.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count.
