Good afternoon, Mr. Candelaria-

Please be advised, that we the Hidalgo County Purchasing Department is hereby requesting you submit "**clarification**" to **Specifications (Exhibit B-Bid Page)** in connection to agreement #**C-14-324A-12-02** with A to Z Tire & Battery, Inc. (attached hereto) for the purposes of the -"**Purchase of Tires (Only)**", not Including Installation and other Related Services" (**on an as needed basis**) for **Hidalgo County Law Enforcement Agencies**.

It has come to our attention, that certain tires are specified incorrectly (**Ex: a "P" with "10 Ply"**, should this be described as "**LT"?**), If, so, please clarify. Please review **All specs** in connection to this agreement under the "**Tire Size/Description**" area and submit your clarification as soon as possible in order to proceed with the next step.

Should you have any questions, or require further information, please do not hesitate to contact me.

Thank you for your prompt attention and cooperation to this important matter.

Respectively,
