GM Ms. Mireles,

A few months ago, Commissioner Court authorized the issuance of debt for the initiation of the Vehicle Replacement Program. We noticed that the Tax Office has not used funding yet and are sending departmental reminders.

This debt issuance was to done in order to replace old vehicles in our fleet that require extensive maintenance. Based on our previously submitted correspondence, court action and budget constraints, your department qualified and was appropriated \$35,000 for this pupose. These monies must be used for the replacement of vehicles you previously indicated to us. Once the vehicle is delivered, we will be coordinating with the Fixed Asset Division for the surplus of the vehicles you will be replacing.

Attached below please find the account number and funds that were transferred to you budget. In order to expedite this matter, we are respectfully requesting that you please contact Mr. Oscar Garza @ x 4857 at Purchasing to assist you the requisition process.
