On-site sick call (when provided by on-site staff), non-prescription (over-the counter/non-legend) and routine drugs and medical supplies. The per diem rate does not cover medical/health care services provided outside of the Contractor's facility or by other than facility staff, prescription drugs or treatments, or surgical, optical, dental care and does not include the costs associated with any hospitalization of an inmate. The County shall pay the contractor an amount equal to the amount the Contractor is required to expend for medical services other than those routine medical services provided for by the per diem rate. When it becomes necessary for an inmate to be hospitalized, the Contractor shall contact the County, through its Sheriff or designated representative, as soon as possible to inform the County of the fact that the inmate has been, or is to be, hospitalized and of the nature of the illness or injury that has required the hospitalization. Contractor will use its best efforts to obtain the lowest available price for reimbursable expenses; provided, however, that contractor's obligation to obtain the lowest available price shall not in any way diminish or excuse Contractor from

seeking and/or providing medical care or supplies necessary to protect the health, safety and well-being of any inmate under Contractor's custody and control.

The Contractor shall submit invoices for such medical services along with its regular monthly billings for detention services, and such invoices shall be paid on the same terms as the regular monthly billings.

It is understood and agreed that if the hospitalization of inmate is to be for the duration of more than 24 hours, or the cost of any medical care or hospitalization is to exceed \$2,000.00, the Contractor has the right to arrange for the hospital or health care provider. If the hospital or health care provider refuses to bill the County directly, the County shall reimburse the Contractor.

MEDICAL INFORMATION:

The County shall provide the Contractor with medical information for all inmates sought to be transferred to the Contractor's facility, including information regarding any special medication, diet or exercise regimen applicable to each inmate.

TRANSPORTATION / OFF-SITE SECURITY:

- a. Contractor agrees to provide transportation of inmates of County to and from the Hidalgo County Jail and/or courthouse and Contractor's facility and if required from Contractors facility to Texas Department of Criminal Justice-ID at no additional cost to the County.
- b. The Contractor agrees to provide transportation of County inmates from other sites in the State where County inmates are currently located to the Contractors facility at no additional cost to County.
- c. In the event the County requests the Contractor to provide transportation to sites other than specified above, the County agrees to reimburse the Contractor for transportation costs at a mutually agreeable rate per mile/trip, as specifies in the contract.

PER DIEM RATE:

The per diem rate for detention services and transportation specified per inmate per day. (This rate covers one inmate per day up to 500 inmates.)

BILLING PROCEDURE:

Contractor shall submit an itemized invoice for the services provided each month to the County, in arrears. Invoices will be submitted to the officer of the County designated to receive the same on behalf of the County. The County shall make payments to the Contractor within thirty (30) days after receipt of the invoice. Payment shall be in the name of Contractor and shall be remitted to:

If to County:

County of Hidalgo
Hidalgo County Sheriff's Office
Attention: Commander Daniel Garcia
701 East El Cibolo Road
Edinburg, Texas 78542

If to Vendor:

Amounts which are not timely paid in accordance with the above procedure shall bear interest at the lesser of the annual percentage rate of 10%, or the maximum legal rate applicable thereto, which shall be a contractual obligation of the County under this agreement. County further agrees that the Contractor shall be entitled to recover its reasonable necessary attorney's fees and costs incurred in collection of amounts due under this agreement.

LIABILITY OF COUNTY:

County shall be fully responsible for all suits, claims, damages, losses, or expenses, including reasonable attorney's fees, arising out of County performance or nonperformance of the services and duties herein stated, but only in regard to duties herein assigned to County, and specifically excluding the actual transportation or incarceration of inmates by Contractor. County retains full liability for each inmate until that inmate has been received by Contractor at County's facility for transportation, holding and incarceration of inmates by Contractor.

Contractor shall be fully responsible for all suits, claims, damages, losses, and expenses, including reasonable attorney's fees, arising out of Contractor's performance or nonperformance of the services and duties herein stated, in regard to the actual transportation, holding and incarceration of inmates by Contractor.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate Form W-8.

Note. Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
 2. The United States or any of its agencies or instrumentalities,
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

- Other payees that may be exempt from backup withholding include:

 12. A common trust fund operated by a bank under section 584(a),
 13. A financial institution,
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 5 and 7 through 13. Also, C corporations.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.
² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt Payee* on page 3.

Signature requirements. Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Additionally, GTI currently provides detainee transportation for the following states: Texas, Louisiana, Georgia, Florida, Alaska, Arizona, California and Indiana.

Due to the growing demands of our client's needs, in 2007, GEO Inc. created its transportation subsidiary GTI. GTI is licensed by the U.S. Department of Transportation (USDOT-170575) as a "for hire" passenger carrier and licensed in all 50 states and has undergone several federal and state compliance audits each of which have resulted in the highest ratings obtainable. To ensure compliance with all federal and state regulatory agencies, GTI employs three (3) Compliance Managers, with one located in GEO's Regional Office located in San Antonio, Texas. GTI has since earned the reputation as a premier and preferred provider of secure transportation services, operating a current fleet of over 300 special secured transportation vehicles with over 400 certified licensed transportation officers, serving federal and state contracts in 22 states. Since its incorporation GTI has successfully transported over one and a half million detainees (1.5M) while driving over 25 million miles without an escape. In addition, GTI's international affiliate (GEOamey) provides secure transportation services to the United Kingdom's Ministry of Justice, covering 80% of England, with over 470 vehicles and 2,400 licensed court security and transportation officers.

Total Driving Distance	Over 21 Million miles without escape
Total Passengers Transported	Over 1.5 Million
Worldwide Ground Operations	43 Locations
Air Operations	46 Operations 4,500 prisoners without incident
Employees	Approximately 400 licensed officers

GTI understands the requirements and will comply with the roles, responsibilities and functions described in the proposal. Under this contract, GTI's Transportation Officers will provide transportation of Hidalgo County inmates between jail and or courthouse, contractor's facility, TDCJ-ID, and from other sites in State to contractor's facility. In the event County requests transportation to other sites, County agrees to reimburse transportation costs at a mutually agreeable rate per mile/trip per agreed contract schedule. GEO and GTI will ensure that prisoners are prepared for scheduled transports by ensuring the proper paperwork authorizes the movement and that each inmate is properly searched prior to transportation.

GTI Transportation Officers will provide continued security coverage for prisoners on all transport missions. GTI's primary responsibility will be to provide Hidalgo County with premier transportation service and to protect the public by providing safe and secure transportation of prisoners with quality service second to none.

These premier transportation services have been established through comprehensive policies and procedures for secure transportation which are in line with the requirements of Hidalgo County. If there are any changes, GTI policy will be modified to be in full compliance with Hidalgo requirements. Transportation post orders will be specific to Hidalgo County and the transportation secure services required. GTI's policies and procedures will include, but are not limited to:

- 10.1.1 Motor Vehicle Safety Program Policy
- 10.1.1A Motor Vehicle Safety Program Procedure
- 10.3.1 Regulated Motor Vehicle Policy
- 10.3.1A Regulated Motor Vehicle Procedure
- 10.3.2 Emergency Situations during Transport Policy
- 10.3.2A Emergency Situations during Transport Procedures
- 10.3.3 Vehicle Backing Policy
- 10.3.3A Vehicle Backing Procedures
- 10.3.4 Airlift Operations Transportation Policy
- 10.3.4A Airlift Transportation Operations Procedures

Secure transportation will begin with scheduling and shift planning and will not end until all trips are recorded and properly reported immediately upon completion. Supervisors will check for allowable duty hours and all current licensing and training requirements before officers are assigned to a transportation shift. GEO Inc.'s proprietary GEOtrack transportation tracking system, will record all officer duty hours and training requirements on a daily basis to ensure full compliance with State and Federal DOT and GTI policies and requirements. Male and female officer requirements will be checked with the scheduled transport mission to ensure staff is properly assigned. Further, GTI will maintain the proper transportation officer to offender ratio at all times.

Upon reporting for a transportation shift or trip, officers will sign their respective post orders acknowledging duties and responsibilities. Supervisors will issue the appropriate security and restraint equipment, including firearms and less than lethal weapons to transportation officers

prior to the commencement of all transport missions. Once assembled for transport, prisoners will be searched and restrained in accordance with Hidalgo County policy. Vehicles will be inspected and searched and additional security personnel will be in place prior to loading as required. Property and records will be accounted for and secured before departure. A head count will be performed and recorded prior to departure.

While in route Transport Officers (TO's) will have constant communication with the facility through radio, cell phones and GPS tracking systems. In the event of an emergency, TOs will respond in accordance with their established post orders. A head count will be performed and recorded at all stops. Proper security will be maintained during any stop. Prior to unloading offenders, proper security will be established in accordance with Hidalgo County and GTI policy. When the trip is completed supervisors will retrieve and inventory all issued security equipment. TOs will complete all the trip reports and provide all logs and receipts, and other paperwork pertinent to the mission.

All TOs will receive specialized training to ensure compliance with Hidalgo County policies and procedures. GEO is highly experienced in successfully hiring, training, and managing a diverse workforce with highly efficient quality assurance programs to accomplish all contract performance measures and deliverables. GEO has seamlessly transitioned and assumed control over continuing operations for multiple projects and facilities exceeding the requirements, thus demonstrating the ability to support the Hidalgo County inmate transportation requirement. TOs will be fully qualified correctional officers and will obtain a state firearm license and DOT compliant Commercial driver's license with appropriate endorsements.

GTI will provide the TO training from our in-house trainers and hire outside expert consultants to conduct all of the transportation officer unique training. GTI's in-house staff trainers have graduated from a certified transportation training course developed in conjunction with Eastern Kentucky University's Law Enforcement Academy.

Prior to hiring and training, TOs will pass initial drug screening, motor vehicle record checks, and background investigations. GTI exceeds the mandatory testing percentage standard for drug and alcohol on a quarterly basis as set forth by the U.S. Department of Transportation. In addition to quarterly drug and alcohol testing each driver will have their motor vehicle records checked on a semi-annual basis. Any transportation officer or staff member who receives a moving traffic violation, or is arrested, will be suspended from all transportation duties pending a company internal investigation and administrative review.

All TO staff must successfully complete 120 hours of basic correctional training. Any additional state DOC requirements may be added to those areas shown below:

- Situational and tactical awareness
- Weapon retention and inmate control techniques
- Proper restraint application

All GTI employees are certified in Basic First Aid and CPR upon completion of their initial training. First-aid refresher training is provided as part of their annual training requirements.

Vehicles

GTI has experience in fully integrating engineering, manufacture, maintenance and operational procedures to deliver a secure, new and compliant transportation vehicle fleet with full and extended warranties.

GTI will provide the necessary fleet required for the transportation operations required under this contract.

GTI ensures that all vehicle interior security specifications meet Industry and Government Standards as Secure Detention Vehicles for transport of inmates. Our proposed fleet will comply with all Federal, and State transportation standards and will include the following features in fully functioning and operating order:

Seating and Capacity: Inmate seating includes both bench style seating and individual seats. Seat belts are employed whenever such devices can be built into the vehicle. Seats are securely anchored to the interior of our passenger transport vehicles in accordance with the Federal Transit Administration and NTSB safety regulations.

Inmate property capacity will be sufficient for each transport operation. Handling and storage of personal property will adhere to established policies and procedures to ensure the safety and security of our officers and all passengers. Once collected, inmates will not be able to gain access to the property areas. Personal property will be stored and separated from the inmate seating area.

Separation of Inmates: Inmate segregation barriers will be installed. These barriers will be both fixed and adjustable in nature. The fixed barriers are designed to maintain a permanent separation between the transportation officer team and the inmates. Adjustable barriers are intended to permit our transportation officers the opportunity to tailor the size of each segregation section in order to meet the demands of each transport mission.

Escape Prevention doors are protected with solid, high-strength security plates to prevent escapes.

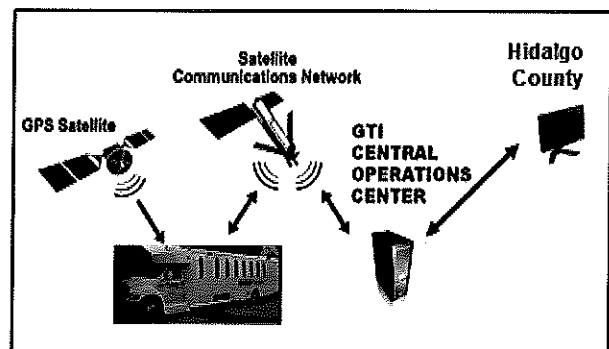

Emergency exits are manufactured into each vehicle to provide a means of life saving in the unlikely event of a motor vehicle accident and are alarmed to detect tampering or opening. Windows in all GTI fleet vehicles will be deeply tinted limiting the view from outside.

Windows will also be secured with high strength security mesh and/or security bars. Doors and windows will be unable to be opened from inside of the inmate compartment.

Video and Communication Equipment: Security cameras and digital video recording (DVR) equipment is standard on each transport vehicle. There will be two cameras on board our small capacity vans and a minimum of four cameras on board our medium and large capacity passenger transporters. Camera and DVR devices will be kept secure from any inmate interaction. System downloading into data archive files within our facilities occurs weekly to prevent the loss of information. The system will document the status of both the driver team and inmates during daytime or nighttime operations. Video coverage and quality will be sufficient to allow for post operation review and audit of any incident.

Fleet Management: GTI has extensive experience in selecting, designing, operating and managing inmate transport vehicles. GTI's operational standards meet or exceed all federal and state motor carrier and industry safety and security requirements GTI will use three levels of total fleet management to provide direct support to the GTI Transport Lieutenant to keep his/her fleet of vehicles in top operating condition and readiness.

Vehicle and Mission Tracking Monitoring and Surveillance will be accomplished through GEO's proprietary GEOtrack system. GTI takes mission security, starting time, and completion very seriously by providing additional features in every vehicle. Due to the remote and desolate areas of vehicle operation, all GTI fleet vehicles have built in GPS ability, satellite tracking and video recording. In addition to providing constant mission updates that are displayed on the GEOtrack Transportation Map, the satellite tracking devices is a 2-way messaging system which allows for sending and receiving text based email messages. This provides an additional communications method from a vehicle, assuring that the transportation officers can always be in communications with Hidalgo County facilities, when cell phone signals do not exist.

Live vehicle tracking through GEOtrack allows us to provide a more dynamic and flexible service to Hidalgo County.

GEOtrack Alerting Communication Features: GEOtrack Software has a variety of communication alerting abilities built into the product. These alerting features reinforce the GTI commitment to safety and security for each mission, each driver, each vehicle and each inmate. Typical alerts include but are not limited to:

- Speeding Alerts – Real-time monitoring of vehicle speed
- Destination Alerts – Real-time monitoring of vehicle position with date and time
- Silent Driver Alert – Vehicle in need of assistance
- Unauthorized Vehicle Movement Alert – Alternative alarm system

In 2014, GEO amended and extended its senior credit facility in excess of \$1.2 billion for five-years, with a syndicate of approximately twenty leading financial institutions.
