In Article 2 the word "collectively" needs to be within the parenthetical.

The changes have been made.

The GEO group requested we indicate it will include both male and female inmates however, it doesn't differentiate either gender, is that understood? If not, where/how would I include that language?

Subject: GEO contract

Good afternoon Steve,

Please review/approve attached contract and advise.

The current contract does not have the RFP, do you want me to remove it and the wording referring to it in the contract?

In addition, The GEO group requested we indicate it will include both male and female inmates however, it doesn't differentiate either gender, is that understood? If not, where/how would I include that language?

It must be placed on June 02, 2015 and I will be out of the office May 21 through 26, 2015. Any consideration is appreciated.
