Joe:

- ✓ 1. **DATE:** Date on the quote has been revised.
- ✓ 2. **SECTION B:** Attached is the MSRP for the X5H and the baseline for the F5G.
- ✓ 3. **SECTION B:** That 5% discount is for optional equipment bought in the dealership added after the truck has been built. (Aftermarket options not Ford Options i.e. bed liners, grille guards, etc.)
- ✓ 4. **RTC-0781:** The difference in the price of the bed is the additional equipment requested for by the customer.
- ✓ 5. **SECTION I:** The charge is for the delivery of the unit to the customer. Since the bed has to be up-fitted in Dallas and Jerr-Dan does not have a Ford ship-thru that we could use to keep the freight charges down.

Let me know if you have any questions.

Thank you,

Colton Kruse

Drew, can you please review the attached concerns and let me know how soon we can resolve this inasmuch as that the Sheriff's Department would like to push forward.

1. DATE: Revise date on quote
2. Section B: Need MSRP for X5H
3. Section B: Need quote to reflect the 5% discount as per Item #131 of the Buyboard Contract
4. RTC-0781 I have the Jerr Dan breakdown; however the difference, is this because of a price increase or because of additional equipment required for this unit.
5. Section I: Is this charge for mileage, delivery....please advise.

Should you have any questions, please let me know.

Thank you!

Please let me know.

Thank you!

FEDERAL AND STATE/PURCHASING COOPERATIVE DISCOUNT COMPARISON FORM

The Cooperative strives to provide its members with the best services and products at the best prices available. The Cooperative determines whether prices/discounts are fair and reasonable by comparing prices/discounts stated in your Proposal with prices/discounts you offer federal and state entities and other interlocal purchasing cooperatives (collectively referred to as "purchasing cooperative" in this form). Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: \$5,521,300. (The period of the 12 month period is 10/30/2012 / 9/30/2013). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. Based on your written discounting policies are the discounts you offer the Cooperative equal to or better than the best price you offer other purchasing cooperatives acquiring the same items regardless of quantity or terms and conditions?

YES NO

3. Based on your written discounting policies, provide the information requested below for other purchasing cooperatives, either in the chart below or in an equivalent format. Rows should be added to accommodate as many purchasing cooperatives as required.

Congratulations, your company has been successful on the above referenced proposal! This contract will be effective December 1, 2013. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To see the items your company has been awarded, please review the proposal tabulation #430-13 on the following web-site: www.vendor.buyboard.com. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Attached to this letter you will find the following documents:

Vendor Quick Reference Sheet
Electronic Catalog Format Instructions
Vendor Billing Procedures

Receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting orders directly from member entities may result in a violation of the State of Texas competitive bid statute and cancellation of the proposal award therefore all orders must be processed through the Cooperative in order to comply. We request your assistance in immediately forwarding by fax (1-800-211-5454) to the cooperative any orders received directly from member entities. If by chance an order sent directly to you has been unintentionally processed, please fax it to the Cooperative (1-800-211-5454) and note it as **RECORD ONLY** to prevent duplication.

Per proposal specifications, awarded vendors will have 60 days to submit their electronic catalog including pricing. If the electronic data is not provided within 60 days of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact Arturo Salinas at 800-695-2919 ext. 6200.

Sincerely,

Melonie Perry
