**Subject:** Proposed Agenda Items

Brenda,

Regarding the two proposed agenda items (and after a quick discussion with Victor), the only changes I would make to them are changing the word "publish" to "make public." I believe this does a better job at showing that we are providing a service to the community. However, this is only a recommendation.

Other than that, we approve them as to form.

As always, should you have any questions, please feel free to contact me at my office.

Best,
