Re: See attached list

Gentlemen:

The Hidalgo County Appraisal District has made a correction to the tax roll as allowed by Property Tax Code Section 26.15. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

JULY 17, 2015

The Honorable Ramon Garcia
Hidalgo County Commissioners
Edinburg, Texas 78539

Re: See attached list

Gentlemen:

The Hidalgo County District Court has ordered a correction to the tax roll as allowed by Property Tax Code Section 42.43. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

Thanks for the information, however if you see the DIR contract is not specific as to the maintenace agreement. Do you have anything that reflects that the maintenance for the Solarwinds falls under the DIR contract?

Hi Tanya,

Solarwinds licenses and maintenance are under the DIR-SDD-2500. In regards to the maintenance dates, they need to be in May due to this being a late renewal.

Thanks!

Thanks for the information, however if you see the DIR contract is not specific as to the maintenace agreement. Do you have anything that reflects that the maintenance for the Solarwinds falls under the DIR contract?

RE: Preservation of Deed Records Phase IC

Dear Hon. Arturo Guajardo, Jr.,

Per your request, please find our non-binding quote for Phase IC of the preservation of Deed Records Volumes 798—1105 (total of 448 books). Phase IC will address Volumes 939—1105 of negative Photostats (total of 168 books and 114,610 pages). Please note that all pricing is good for 90 days from the date of this quote.

Time deteriorates Photostat emulsion (*sulphiding*). One reason is exhausted or dirty 'fixing baths' during the silver print processing. This deterioration is evidenced by image fading or sheet browning. Text becomes illegible.

The Kofile Archival Polyester Stabilizer preserves Photostats for long-term use and storage. It will not yellow sheets or oxidize. It contains absorbers that block 99% of ultraviolet (UV) light and hindered amine light stabilizers (HALS). It also contains waterproof properties. With application, Photostats bear greater resistance against abrasion and humidity. These resistant properties are vital to protect archival Photostat records during public use.

SCOPE OF SERVICES

The following services are proposed for all of the quoted books:

- Create permanent log (noting condition, page order, characteristics, and treatments).
- Dismantle. Surface clean sheets to remove deposits.
- Remove non-archival repairs or fasteners, such as residual glues. *All tape and previous mends to be removed to the extent possible without causing damage to paper and inks.*
- Mend tears with Japanese tissue. All materials are acid free and reversible.
- Stabilize sheets to guard against flaking or deteriorating emulsions.
- Encapsulate each sheet in a *Lay Flat Archival Polyester Pocket™*. With a patented design, this envelope is welded to prevent invasion of atmospheric pollutants. A volume may be split , depending on page count. Index tabs are repaired/replaced as necessary.
- Rebind in an custom-fitted and stamped Heritage Recorder Binder. A dedication and treatment report is included. Final quality check with reference to original log.

- Capture images at a minimum of 300 dpi at 256 gray levels, ensuring the highest quality for poor contrast and readability. Gray-scale ensures optimum resolution for each page. Digitized images are accumulated as Group IV bi-tonal images in a standard TIFF format.
- *IMAGE PERFECT* application software uses custom image clean up and enhancements such as deskew, despeckle, character repair, and zonal processing. Annotations are electronically added on the re-created image to assist in record keeping.
- Photostat polarity is reversed so that all characters are black on a positive background. The document certification strip (file strip) is inverted to match the polarity of the finished image. Images are zonal enhanced to improve readability.
- All images are certified. Each and every image is checked during Quality Control. We verify effectiveness and minimum legibility through rigorous and systematic quality control.
- We make one MASTER COPY upon completion. We can hold a security copy for safe keeping. *We do not re-sale, distribute, or grant unauthorized access County records.*

"Additional Paper Conservation" is applied when a project demands work outside that required for a standard book or document in good condition. This often applies to source items with embrittled sheets, in poor to extremely poor condition, or with high sheet counts. For 640 pages with significant tape (not tri-folded), a conservator will require an average of 36 hours to remove the tape *and* adhesives.

This service may include extensive reduction of tape, extensions, or lamination. It also addresses reduction of foxing and staining, and excessive mold, tears, mending, hydrolysis, and oversized pages. It addresses items with storage, heat, fire, or water damage. Items occasionally require additional work to reverse old rebinding and restoration attempts. In addition, it addresses source items with poor fold endurance that require abnormal humidification and flattening.

This rate also covers overhead costs—including greater labor cost (time and/or senior knowledge), disposable and fixed conservation supplies, conservation chemicals for adhesive reduction, Spray, Mylar, and book binding supplies and materials.

Rebates: Pursuant to Texas Government Code § 2155.510(b), rebates generated from TXMAS contract purchases made using federal funds must be reported to the federal funding agency for reporting and reconciliation purchases. Each quarter of the State's fiscal year, TXMAS contractors rebate .75% of their TXMAS sales to the State of Texas via the Texas Comptroller of Public Accounts (CPA). It is the purchasing entity's responsibility to report the amount of rebate using the above percent based on the total dollar value of the TXMAS purchase order.

Example: A purchasing entity receives and uses federal funds of $50,000 to purchase items/services on a TXMAS contract. The purchasing entity must report to the federal fund-provider that a sales rebate of $375 ($50,000 * .75% = $375) will be paid to the State of Texas by the TXMAS contractor.

The Services will be provided by attorneys designated by the Company, who are licensed, practicing attorneys (referred to as the Provider Attorney or Referral Attorney as defined in the General Provisions). All requests for Services must be directed through the Provider Attorney in your state of residence in a prompt manner. This will allow sufficient time for preparation and response. For legal matters that arise within the United States and outside your state of residence, the Provider Attorney may assign an attorney who is licensed in the appropriate jurisdiction. Should you move to another state, your membership Contract and Provider Attorney will switch to your new state of residence after you notify the Company. Please refer to the General Provisions and other sections of this Contract for the definition of capitalized terms.

CONSULTATION SERVICES

A. Telephone Consultation. A Covered Person may receive toll-free telephone consultations on an unlimited number of personal legal matters. Consultations are available to the extent the Provider Attorney deems it necessary to adequately advise the Covered Person on the legal matter. Additionally, the Provider Attorney, in his/her Professional Judgment, may provide up to one hour of legal research concerning the matter if the legal matter cannot be adequately addressed during the telephone consultation. For this consultation and advice, the Covered Person will call the telephone number listed on the membership card during regular office hours, except on holidays.

B. Letter or Telephone Call. If the Provider Attorney, in his/her Professional Judgment, determines from the toll-free consultation with the Covered Person that either a telephone call or a letter would be of further assistance to the Covered Person, then the first such letter or telephone call (for each non-related personal legal subject matter per Membership Year) will be written or made on behalf of the Covered Person. Any additional telephone calls or letters from the Provider Attorney after the first one per subject per Membership Year will be provided under the Preferred Member Discount.

C. Document Review. After consultation, the Covered Person may submit for review any personal legal document of 15 pages or less relating to the consultation, in which the Covered Person is a contracting party. Document review does not include review of a document(s) for use in ongoing court proceedings or lawsuits, such as petitions, complaints, or requests or motions for court determination. The Covered Person shall provide a copy of the document to be reviewed, retaining the original, to the Provider Attorney. The Provider Attorney will review the copy and advise the Covered Person by telephone consultation on any areas of concern and the legal implications of those provisions and their conformity to State and Federal law. Failure to timely submit adequate documents and facts to the Provider Attorney shall render any obligation of the Provider Attorney to enter an appearance in the matter, or to provide any other benefits, null and void.

DD. **Payments of Membership Fees:** Membership fees for direct payment by the Member to the Company are $19.95 monthly or $239.40 on an annual basis. Auditor Staff:
After our lengthy discussions yesterday, you did not agree with the AG opinion provided [through Hon. Isaac Sulemana, Asst. HC-DA, Civil Div.]as a example of the circumstances surrounding the pending situation for IT in acquiring support and maintenance services for the County-wide fax program. I am providing you the attachment off of the DIR Web page/site that clearly identifies and confirms that the commodity code in question is offered under their contracts. However, the one required by IT is not available through DIR awarded vendors. Thus, we have to turn to a "spot purchase" scenario which based on the AGO does not require proceeding with 262.o23(a)(1). As a good business practice, the Purchasing Dept. sought quotes from vendors to secure the lowest and best quote to comply with the end users needs. Therefore, I submit to you that based on this finding and confirmation, Purchasing will process the Requisition #274282 and issue a PO to DIEM TECHNOLOGIES, INC. Purchasing will be sure and attach all confirming documentation to the PO for purposes of supporting the "spot purchse" of this service.
Yours truly,
Marty Salazar

Ms. Salazar,

You have asked our office to provide a recommendation with regard to the application of the Texas Local Government Code §262.023 Competitive Requirements for Certain Purchases to commodity code expenditure balances in excess of $50,000.00.

Texas Local Government Code §262.023 does not create competitive requirements for the purchases in question. Texas Local Government Code §262.023 provides in relevant part:

> (a) Before a county may purchase one or more items under a contract that will require an expenditure exceeding $50,000.00, the commissioners court of the county must:
>
> (1) Comply with the competitive bidding or competitive proposal procedures prescribed by this subchapter;
>
> (2) Use the reverse auction procedure, as defined by Section 2155.062(d), Government Code, for purchasing; or
>
> (3) Comply with a method described by Chapter 2269, Government Code.

§262.023 specifically addresses possible abuses of the $50,000.00 threshold in section (c):

> In applying the requirement established by subsection (a), all separate, sequential, or component purchases of items ordered or purchased, with the intent of avoiding the requirements of this subchapter, from the same supplier by the same county officer, department, or institution are treated as if they are part of a single purchase and of a single contract…

Based on our office's review of the statute, year-to-date expenditures of a specific commodity code in excess of $50,000.00 does not immediately trigger the competitive procurement requirements outlined in §262.023(a) (1-3). There is no definitive cap on the amount of "spot purchasing" allowed under the $50,000.00 threshold.

However, §262.023(c) explicitly prohibits the intentional "structuring" of purchases to avoid the requirements of subsection (a) and the Texas Attorney General has cautioned that if the need is seen as a "continuing situation" the county would be required to call for bids. See Op. Tex. Att'y Gen. JM-1254 (1990). Additionally, the Texas Attorney General has also clarified the limitation in subsection (a) as applying to all County offices and a single supplier. See Op. Tex. Att'y Gen. JM-725 (1987).

Summary

Aggregate commodity code year-to-date expenditures exceeding $50,000.00 do not automatically trigger the competitive procurement requirements outlined in section (a). So long as the individual purchases or contracts under $50,000.00 are not being intentionally structured so as to avoid the requirements, "spot" purchases of less than $50,000.00 are permissible even after the aggregate commodity code year-to-date expenditures have exceeded $50,000.00.

Cooperative Contracts - Blanket Exemptions

If, for any reason, a state agency wants to procure an item available from DIR's Cooperative Contracts program through an avenue other than a DIR contract, the agency must first obtain an exemption from DIR.

Before requesting an exemption, review the list of current blanket exemptions to determine if there one that applies to the IT commodity you wish to procure. (Under certain circumstances, DIR may have already determined that it is reasonable to grant a blanket exemption to all state agencies.)

Should your state agency decide to proceed with an IT product or service procurement under a blanket exemption, the procurement must be made in accordance with the exact scope, terms, and requirements specified in the Blanket Exemptions listed below.
