Subject: Review of Software License & Services Agreement

Mr. Crain:

Have a question on the software & service agreement with Destiny Software. Under paragraph No. 8 Term of the agreement, it states contract is for one year and it will automatically terminate at the end of the year unless requested for renewal. But under Schedule "B" under Term of Agreement it reads contract is starts October 1, 2014 thru September 30, 2017. Can you please advise which would be the correct termination date of the agreement.

Thank you.
