Re: Lease of Office Space – McAllen WIC
Bid No. 2015-261-10-07-HGO

Dr. Martinez:

The WIC office is requesting more square footage and usable space to address and accommodate the needs of its clients. Therefore, it is the recommendation by WIC and Hidalgo County Purchasing Office to reject the sole bid received for the above listed project. Julcar L.L.C. has met all requirements set forth in the invitation to bid, however specifications will need to be modified to conform to the needs of the WIC program. We will be requesting Hidalgo County Commissioners Court reject the sole bid and authorize the re-advertisement and approval of modified specifications.

Respectfully,

Martha L. Salazar
