RE: Electric Sales Agreement (the "Agreement") and if applicable the Energy Transaction Confirmation (the "Energy Transaction") between Reliant Energy Retail Services, LLC or Reliant Energy Northeast, LLC ("Reliant"), d/b/a Reliant Energy Solutions and County of Hidalgo ("Customer") (Agreement # 1-8JEWB)

Dear Valued Customer:

We at Reliant value your business and want to ensure that you have all of the necessary information to make an informed decision about your future electricity supply. This letter is being sent to advise you that the initial term of the Agreement/Energy Transaction is set to expire on the first meter read date following 11/30/15 (the "Term Date") and, absent termination in accordance with the Agreement by either party, the Agreement/Energy Transaction will renew automatically for one-month terms under its provisions, subject to the terms set forth herein. If the Agreement/Energy Transaction renews, Reliant will continue to provide uninterrupted electric service based upon the general provisions of the Agreement, subject to the Transition Charge described below.

The Transition Charge will remain in effect until you enter into a new term agreement with Reliant or terminate the Agreement/Energy Transaction and successfully switch your electric service to another provider. By accepting electric service from Reliant after the Term Date, you agree to continue to be bound by all of the provisions contained in the Agreement, subject to the Transition Charge.

Reliant will post a new monthly Contract Charge and new product terms for the renewal periods (collectively, the "Transition Charge") on the Site described below. The Transition Charge will govern all electricity supplied to the Customer Location(s) covered by the Agreement/Energy Transaction after the Term Date. Reliant will provide an interface on Reliant's Energy Commander® web site at <http://www.energycommander.com> (the "Site") on which you may access the Transition Charge and other information.

Upon contacting Reliant at the Site or by calling (888) 315-1558, Reliant will provide to you a login name and password (collectively, the "Password") to be used for each log-in to the Site if such has not been previously provided to you. By accessing the Site, you accept the Energy Commander® Terms and Conditions that appear on the Site. The Password will be considered confidential information under the Agreement.

I thank you for your business and remain available to assist you in any way possible.

Sincerely,

Frances Perryman
Director, Retail Operations
