COUNTY JUDGE

Dear Honorable Judge Garcia,

The La Joya Independent School District is respectfully requesting withdrawal from the TSSI Dome Shelter Grant. The School Board of Trustees voted not to proceed with project at their regular scheduled meeting of August 10, 2015. The decision was based on the fact that this project was advertised twice and the proposals received exceeded the budgeted amount. Attached you will find copies of the meeting minutes detailing the outcome.

Thank you for your attention to this matter. If further information is required feel free to contact Daniel Garza, Facilities Department Director at (956) 323-2125.

Respectfully,

Dr. Alda T. Benavides
Superintendent of Schools
