ALSO COVERED BY THIS EXCLUSION ARE THE FOLLOWING TYPES OF DAMAGES: DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL (DAMAGES THAT RESULT FROM AN ACT, BUT DO NOT DIRECTLY RELATE TO THE ACT) AND PUNITIVE (DAMAGES USED TO MAKE AN EXAMPLE OF SOMEONE).**
2. **Insurance.** The Customer understands **THE COMPANY IS NOT AN INSURER.** The Customer is responsible for obtaining all insurance the Customer thinks is necessary, including coverage for personal injury and property damage. The payments the customer makes under this Agreement are not related to the value of the Premises or the Customer's possessions but rather are based on the cost of the system and the Company's services.
3. **Limited Warranty.** (a) for 90 days from the date when the System is substantially installed, the Company warrants that if any part of the System does not work because of a defect or because of ordinary wear and tear, the Company will repair or replace that part at no charge to the Customer. The Company may use reconditioned parts in making repairs, but the Company warrants the replacement parts only for the remainder of the warranty period. This limited warranty does not cover dispatch service, systems not installed by the Company (including equipment added by Company to such systems), batteries or wiring. It does not apply if the System or the materials have been damaged by acts beyond the Company's control. Such acts include accidents, power surges, misuse, lack of proper maintenance, unauthorized changes or acts of God (such as fire, flood, lightning, earthquakes, tornados, etc.). (b) If Company performs repair services, the Company warrants for a period of 30 days from the date of service. The Customer must notify the Company of any problem the Customer claims the Company's limited warranty cover within the warranty period. The Company will repair the problem as soon as it reasonably can after it receives the Customer's notice. (c) This limited warranty is the only warranty the Company makes, is made only if the Company performs repair services, and takes the place of all other warranties whether express or implied.  
**NO EXPRESS WARRANTIES EXTEND BEYOND THE FACE OF THIS AGREEMENT. THE COMPANY MAKES NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**  
The Company does not promise that the System or the services cannot be compromised or that they will always provide the intended signaling, monitoring or other service. If a court decides the Company has given the Customer any implied warranty, it will extend only for the length of the limited warranty period. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the Customer. This limited warranty gives the Customer specific legal rights. The Customer may also have other legal rights that vary from state to state.
4. **Customer's Protection of Company.** This Agreement is intended only for the Customer's benefit. Therefore, to the extent allowed under the Constitution and laws of the State of Texas, The Customer agrees to protect/indemnify, defend and release the Company and the Company's related parties from

liability against all third party claims or losses (including reasonable attorney's fees) brought against the Company which relate to the System or the services the Company provides. The Company's related parties include the Company's employees, agents and subcontractors.

This protection/indemnity covers claims brought against the Company by the Customer's insurance carrier. It also includes claims arising under contract, warranty, negligence, or any other theory of liability. This also covers any damage, claim or loss which may result to the Company, Customer, or any third party if Company enters the Premises and turns off any audible alarms after being instructed by Customer or any public official or officer to do so.

The Customer's duty to protect/indemnify the Company, however, does not apply to claims based on injuries to third parties or to their property that occurred while the Company's employees were on the premises and which were caused solely and directly by those employees.

In the case of any third party claim or loss covered by the Customer's insurance, the Customer agrees not to look to the Company or the Company's related parties for reimbursement. The Customer waives any rights that the Customer's insurance carrier or others claiming through the Customer may have against the Company or the Company's related parties.

5. **The Customer's Agreements.** The Customer has the authority to sign this Agreement and in doing so will not violate any other Agreement. The Customer agrees to give the Company access to the Premises as needed to perform the services. If the Customer gives the Company keys to the Premises, the Company will not be liable for any damages caused by the loss or theft of those keys unless caused solely by Company's gross negligence or willful misconduct. The Customer is not aware of any hazardous conditions on the Premises. The Customer agrees to prevent false alarms and assume responsibility for them. The Customer will immediately notify the Company in writing of any problems with the System. The Customer agrees that the Company can make program changes to the Company's proprietary data located in the transmitting device. The Customer will pay the Company its then-current charges for doing any work not covered by this Agreement, including paying the Company's minimum service charge if the Company cannot enter the Premises at the scheduled time. If the Company notifies the Customer of a malfunction, the Customer will disconnect the System until the Company can repair it. The Customer will not tamper or interfere with the System, nor permit other to do so. The Customer agrees that Company can record and use all communications with anyone in the normal course of the Company's business. The Customer will test the System at least weekly as well as when changes are made to its transmission system or the Premises. The Customer will immediately notify the Company in writing of any problems with the System. The Customer agrees that the Company can make program changes to the Company's proprietary data located in the transmitting device.
6. **The Customer's Default.** If the Customer fails to perform its obligations, The Company will give the Customer written notice of default. If the Customer does not fix the default within 30 days, the Company can end this Agreement. If the Company ends this Agreement, the Customer must pay the Company: (a) all amounts then due; (b) 100% of the amount due to the Company for this Agreement (as an agreed-upon amount of damages and not as a penalty); and (c) the company's reasonable collection costs, including attorney fees. If this Agreement is ended, the Company does not have to provide any service, including monitoring, after the date. In addition, the Company can peacefully enter the Premises and remove its equipment. The Company is not required to restore or redecorate the Premises if it removes the equipment. If the Company waives any default by the Customer that does not mean the Company waives later defaults. Any waiver by the Company must be in writing.
7. **System Charges.** The Customer agrees to obtain all permits and licenses and pay all taxes, fines and other assessments, including sales taxes. The Company's fees are based upon existing taxes and charges, and the Company can increase the Company's fees based upon existing taxes and charges, and the Company can increase the Company's fees to reflect changes in these taxes or charges. After the initial term the Company may increase its fees if it notifies the Customer in writing. If the Customer is unwilling to pay the increased fees, it must notify the Company that it wishes to terminate the Agreement within 30 days after receiving notice of the increased fees from the Company. The company then may either terminate the Agreement or reduce the fees back to their previous levels thereby binding the Customer to the remaining term of this Agreement. If the Customer is more than

30 days late with payment, the Company can charge the Customer interest up to 1 ½% per month or the highest rate allowed by law, whichever is lower. In addition, the Customer agrees to pay the Company's reasonable collection costs, including attorney's fees, and a reasonable reconnect fee if the Company has disconnected the System.

8. **Transfers.** The Customer cannot transfer this Agreement without the Company's consent. However, the Company can transfer this Agreement or subcontract its obligation without the Customer's consent. If the Company does so, anyone to whom the Company transfers or Subcontracts its obligations will have all of the Company's rights. The Company is not responsible, however, for any work, including monitoring, which is done negligently by any third party.
9. **Notices: Limitations on Lawsuits: Jury Trial.** Unless otherwise indicated, all notices must be in writing. The Customer or the Company may end any portion of this Agreement by notifying the other party at least 30 days prior to the end of the then-current term. **It is critical that the Customer give any termination notice in a timely manner.**  
The Customer has no right to sue the Company and the Company has no liability to the customer to that claim. It is critical that the Customer bring any claim in a timely manner. **THE CUSTOMER AGREES THAT IT WILL CONSENT TO THE JURISDICTION OF HIDALGO COUNTY TEXAS COURTS OF COMMON PLEAS AND THE VENUE OF HIDALGO, COUNTY FOR ANY CLAIM BROUGHT UNDER THIS SECTION.**  
The provisions of this Agreement which apply to any claim remain in effect even after this Agreement ends.
10. **EXECUTION IN COUNTERPARTS AND BY FACSIMILE OR ELECTRONICALLY BY PDF.** THIS AGREEMENT MAY BE EXECUTED IN ANY NUMBER OF COUNTERPARTS, ANY ONE OF WHICH NEED NOT CONTAIN THE SIGNATURE OF MORE THAN ONE PARTY, BUT ALL OF WHICH SHALL TOGETHER CONSTITUTE ONE AND THE SAME INSTRUMENT. THE PARTIES AGREE THIS AGREEMENT AND THE SIGNATURES AFFIXED HERETO MAY BE TRANSMITTED AND DELIVERED BY FACSIMILE OR ELECTRONICALLY BY PDF AND THAT ALL SUCH SIGNATURES AND THIS AGREEMENT TRANMITTED AND DELIVERED BY FACSIMILE OR ELECTRONICALLY BY PDF SHALL BE DEEMED TO BE ORIGINALS FOR ALL PURPOSES AND GIVEN THE SAME LEGAL FORCE AND EFFECT AS THE ORIGINAL AGREEMENT AND ORIGINAL SIGNATURES.
11. **STORAGE OF AGREEMENT AND INFORMATION.** SUBSCRIBER AUTHORIZES COMPANY TO STORE OR RETAIN THIS AGREEMENT AND ALL INFORMATION AND OTHER WRITTEN MATERIALS ON ELECTRONIC DATA OR OTHER STORAGE MEDIA AND, IN THE SOLE AND ABSOLUTE DISCRETION OF COMPANY, TO DESTROY ALL WRITTEN DOCUMENTS OR MATERIALS WHICH HAVE BEEN STORED OR RETAINED ON ELECTRONIC DATA OR OTHER STORAGE MEDIA.
12. **Miscellaneous.** This Agreement contains the entire understanding between the Customer and the Company and replaces any other documents or discussions the Company previously had with the Customer. This Agreement is not binding on the company until the Company or its authorized agent signs it off or begins installation or service. This Agreement is governed by Texas law. If the Company does not approve this Agreement, the Company's only obligation is to refund any payments the Customer has made. Any equipment or services the Company provides the Customer in the future are subject to the terms of this Agreement, as so amended. This Agreement cannot be changed except by a writing that both the Customer and the Company sign.

Ms. Erika, the agreement you sent us is a blank agreement, can you please request an agreement with the proper information as to fees, dates and location. Each location needs it's own agreement.

Tanya,

As discussed, attached please find the STE monitoring agreement reviewed by legal for Fire & Alarm monitoring Services as well as the estimates for both.

Please review and let me know what we need to do to get this approved by commissioner court?

Respectfully,
