Items to Note & Special Instructions

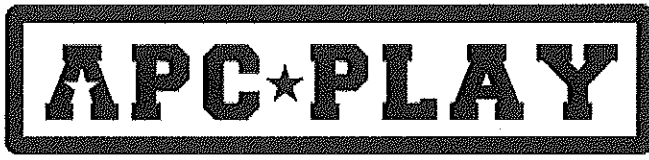

Product normally ships within 3-4 weeks from when your order is processed. Price EXCLUDES: sitework, underground line location, permits, lift gates & impact fees. Site must be clear, level and accessible at time of installation. If rock, concrete or any obstacle is found during installation, additional charges may apply. Customer is responsible for any taxes that may apply. Specific vendor registration and/or insurance requirements may result in additional fees. If order is cancelled a 25% restocking fee may be assessed.

I APPROVE THIS PROJECT. LETS GET STARTED!

Approval and acceptance of this proposal may be executed by signing below and faxing or emailing back to the contact information listed above. Unless prior arrangements are approved, payment for equipment is due in full upon receipt of invoice. Installation charges are due after installation has been completed. By signing below, you agree to the terms and conditions found here: <https://apcplay.com/terms-conditions/>.

DESCRIPTION **SUGGESTED ITEMS**

Details

The **Walnut Ridge** commercial play structure from **APCPLAY** has it all! For kids with tons of energy to burn, upper body fitness is the focus of this playground. With a Chain Climbing Wall, 90° Tri-Rung Horizontal Ladder overhead climber, Deep Rung Arch Climber, 10' Track Ride, Fireman's Pole, and vertical ladder will have your children improving their health every time they step out to play.

But fitness isn't the only benefit to be had while enjoying the **Walnut Ridge** playground. Four slides provide plenty of fun for an all-around play experience. There are two Wave Slides at different heights for a unique ride to the bottom depending on your children's comfort level. Kids also love to race side-by-side on the Triple Rail Slide.

The commercial playground equipment features:

THINGS TO CONSIDER:

- Get the right surfacing for your playground >
- Learn how to measure for play structures >
- How far can your budget go? >

- A child capacity of up to 26 kids aged 5 to 12 years old.
- A Triple Rail Slide for racing side-by-side.
- 2 Wave Slides.
- A Deep Rung Arch Climber.
- A Chain Climbing Wall.
- 90° Tri-Rung Horizontal Ladder.
- 10' Track Ride for zipping to and fro.
- A fun Fireman's Pole for a quick trip to the bottom.
- 3.5"O.D. steel posts are constructed from 12 gauge galvanized steel and are backed by an industry-leading lifetime limited warranty.
- Steel components are powder coated with a high gloss finish for longevity.
- UV stabilized rotationally molded plastic components are backed by a 15 year limited warranty.
- 15 year limited warranty on plastisol coated punched steel decks.
- ADA Accessible by transfer station and hand hold for children with special needs.
- Select from a number of custom color options for steel and plastic components to create your own unique look.

DESCRIPTION SUGGESTED ITEMS

Details

CALL FOR PRICING: 1-888-401-6446

This product is manufactured from engineered, non-toxic, crushed wood fiber (comprised of softwoods or hardwoods), consisting of randomly sized wood fibers, the majority of which do not exceed 1.5"-3" in length, containing 10%-20% fine pieces to aid in compaction. (It is generally understood that the manufacturing process allows a few oversized pieces.)

Once the newly installed product has settled, it forms a "knitted" or compacted layer that will support a wheelchair, crutches, walkers, etc. It does not utilize any wood containing paint, chemicals or additives. The product has minimal bark and is free of twigs, leaf debris and other organic materials.

Wood fiber can be installed by volunteer labor, as well as by an installer. It gives your playground an attractive, natural look.
