Renan,

It is my understanding that AT&T would not agree to the proposed changes/modifications. The only thing you can do at this point is ask Court to approve the contract as is. I don't believe AT&T has ever accepted our recommended changes.

Should you have any further questions, please feel free to contact me.

Good Morning Veronica,

Last I heard on this matter, Renan was going to contact the DA's office through Josie or Victor regarding the requested modifications to A T & T's agreement. I have not heard back from Renan as to whether communication was done.

I heard from Monette from A T & T this morning.

Darlene,

The only two issues that are of concern with this service contract are as follows:
Paragraph 5.14.3 - requires the County to defend and indemnify the vendor. I recommend adding the following language: "To the extent permitted under the Constitution and laws of the State of Texas"
Paragraph 5.16 - requires the County to resolve disputes via binding arbitration. As you know, we typically do not agree to arbitration. Please see if the vendor will modify this provision.

Otherwise, I approve as to the form of the agreement.

Thank you,
