Good afternoon Ms Monica Badillo,

I am writing to request the following item: Local Government Support for Palmera Heights Apartments, TDHCA #16393 be placed on the agenda for the meeting held on February 16, 2016. I have attached a draft copy of the resolution from TDHCA application.

Your support is vital to the success of any application. For Palmera Hights Apartments, the state requires a simple resolution from the Hidalgo County Commissioners Court stating your support. As our application is due by the end of February, I would like to work with you to have this resolution brought before the Hidalgo County Commissioners Court on February 16, 2016. I've attached a draft of the resolution for your review.

Please see attach draft resolution for proposed development at the Northwest Corner of Mile 6 W. Road and Flea Market Road, named Palmera Hights Apartments, We would appreciate your support and urgent response due to February's deadline on the application. If you have any questions feel free to contact me or Sara Walker at (956) 797-2357.

Please confirm you have received this email, thank you.
