Marty,

I have reviewed the HireRight service agreement. The only item(s) of concern are the indemnity provisions contained within paragraph 3.(i) on page 3 and paragraph 12 on page 7. Please have the vendor add the following language...."to the extent permitted by law".

Thank you,

Counselors:

Please review the attached agreement as to form. Although it appears that the vendor will take our PO as well without expecting an executed agreement, it would be best to have this vendor on board the rest of the fiscal year [in an amount not to exceed \$50K]. I want to place on next HCCC agenda

Thanks,
Marty S.

Good Morning, Sandra

Attached you will find 3 vendors I have contacted for the vetting services Mr. Valde Guerra needed as soon as possible. Ms. Marty asked that I forward all the information to you so that you can continue to work on it.

I contract 3 vendors, but only one responded (HireRight), Please contact Eddy Crussell at HireRight eddy.crussell@hireright.com to get all the necessary documents so that you can place it thru CC.

I have included the commodity code as well.

Respectfully,

Ms. Elena:

After speaking to Mr. Valde Guerra moments ago, he asks that we proceed with this one vendor. Let's get a vendor application to start the process going. You might want to assign it to Ms. Sandra M. with high priority.

Thanks,
Marty

Subject: HireRight Quote For Services

Hi Elena,

It was great to meet you on the phone just now. We would welcome the opportunity to serve you. Attached please find the quote for services I mentioned on the phone. This quote would be to set up one of our Professional accounts. The Professional account would be the perfect account for you. There is a one-time set up/credentialing fee of \$150.00 after that you only pay for what you use each month. If you don't use it you don't owe anything. There are no monthly charges or annual charges on this account. We invoice you at the end of each month if you've had activity during the month. I've built three packages on this account for you; two criminal search packages and the one professional license verification search product you called in about. By the way that product only cost \$7.00! In addition to the three packages I've created a very robust ala carte catalog that will sit on your account for you to use at any time you wish.

Getting started is super easy. Just let me know you want to start and I will send you out an electronic sign up invitation via email. Once you fill this out you can actually start placing orders today but you won't be able to view the results until your account is fully credentialed. I've attached a sheet that speaks towards the credentialing. Within about a day somebody for our third party inspection company, TrendSource will reach out to you to schedule the on-site inspection at a time that is convenient to you. Usually your account will be fully active about two days after the on-site is complete. And if you have placed your orders when you first signed up your orders should be complete as well.

Please let me know if you have any questions or concerns.

Thanks so much,

Ed

P.S. If you want to get a feel of what this account would look like simply click on the link below my email signature these are a couple of short videos that will give you a good idea of the account.
