Other than the need for a new insurance certificate, the contract is fine. Have a good weekend.

Good afternoon Mr. Crain:

Attached you will find the contract for the Penitas Landfill surveying project. I am helping out while Rocio is out on maternity leave...I already sent the letter for the HB1295 and have already requested the current insurance policy. Pct 3 is requesting this item be on the cc meeting for the 16th so if you will look it over and let me know if I need to make any changes or if (by the grace of God) it's good to go pending the insurance and hb1295.

Thank you,

Heidi
