

# Memorandum

**To:** Commissioner A.C. Cuellar  
**Cc:** Raul Lozano, Roy Gonzales  
**From:** Raul Madero  
**Date:** February 10, 2016  
**Re:** Proposed Road Name Change

---

---

Currently, Sylvia Rd intersects Mile 17 N then heads northbound 600 feet. At which point it splits into Sylvia Rd going west 800 feet and into County Road 3167 going east approximately 800 feet.

In an effort to provide 9-1-1 physical addresses for residents along this same road (currently with 2 different names) and to prevent any confusion for emergency responders in a 9-1-1 emergency, the LRGVDC 9-1-1 Department proposes that Sylvia Rd (heading West) and County Road 3167 (heading East) be renamed to "Novillos Rd".

Please advise concurrence to proceed. Precinct 1 may have to present at Commissioner's Court.
