# About GCAT

**Vision and Mission**

The Governmental Collectors Associations of Texas is a nonprofit association that recognizes, supports, and serves governmental collection programs in the state of Texas. The association seeks to enhance the collection of revenue for governmental entities by promoting, innovation, information, and education within its membership and encouraging excellence.

It is the vision of this organization to make the state of Texas a recognized leader in the effective and efficient collection of due revenue.

**History**

The Governmental Collectors Association of Texas was formed October 28, 1999 and incorporated March 31, 2000. Members consist of professionals from across the state of Texas responsible for the collection of funds for the governmental entities in which they are employed. In early 1993 Dallas County took a serious look at how fines and court cost were being collected at the county court level. They implemented a collections program that proved so successful other counties soon followed suit.

The Texas Office of Court Administration became involved in working with the Texas judicial system in implementing programs designed to enhance court collections. At a collections workshop hosted by the Texas Office of Court Administration in early 1998, and attended by many managers of existing collection programs from around the state, a suggestion was made to form a network to share information and ideas. From this suggestion a free flow of information ranging from educational material to technology tools emerged. The advantage of sharing experiences and information was logical and productive. The inevitable next step was organization.

Mr. T.J. Arredondo, Director of Planning
Hidalgo County Planning Department
1304 S. 25th St.
Edinburg, Texas 78539

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of January 2016

Dear Mr. Arredondo:

We conducted a review of the Planning Department's *Monthly Fees Report* and all supporting documentation for the month of January 2016 in accordance with Local Government Code §115.002(a) and (b). The objective of the review was to determine whether collections were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts issued followed a sequential order.

- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Revenue Detail Report by Account* generated from *alio* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts issued and *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of January 2016 were $15,126.23. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

If you should have any questions, please do not hesitate to call Ricardo Nuñez, Internal Auditor I, at 318-2511 ext. 4644, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, Arcy B. Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the month of January 2016

Dear Constable Avila:

We have conducted a limited scope review of the Constable Precinct No. 1 *Monthly Fees Report* and supporting documentation for the month of January 2016 pursuant to Local Government Code §115.002 (a) and (b) and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.

- Verified that procedures for voided receipts were properly followed.
- Reviewed the *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Cashier's Daily Close-Out Report/Daily Remittance Forms,* and *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of January 2016 were $1,775.00. Based on the results of our review, we have concluded that generally fees collected were properly accounted and reported.

Dear Constable Cantu:

We have conducted a limited scope review of the Constable Precinct 2 *Monthly Fees Reports* and supporting documentation for the months of January 2016 and February 2016 pursuant to Local Government Code § 115.002 (a) and (b) and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of January 2016 and February 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.

- Verified that the collections per the *Monthly Fees Reports* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Form,* and *Monthly Fees Reports* to verify proper completion.

**Conclusion:**

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of January 2016

Dear Constable Gallardo:

We have conducted a limited scope review of the Constable Precinct No. 3 *Monthly Fees Report* and supporting documentation for the month of January 2016 pursuant to Local Government Code §115.002 (a) and (b) and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of January 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.

Re: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation
For the months of January 2016 and February 2016

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Report* and all supporting documentation for the months of January 2016 and February 2016 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported on the *Monthly Fees Reports* for the months of January 2016 and February 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Reports* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signatures on the *Monthly Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Reports* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Reports* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Reports* were properly completed.

**Conclusion:**
Total collections for the months of January 2016 and February 2016 were $488.00 and $600.00, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

**Observation No. 1:**
According to the Delta Lake Park staff, effective July 21, 2012, the park entrance fee from Monday through Saturday is waived. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

**Recommendation:**
Commissioners Court approval to waive the park entrance fee should be obtained.

Please provide a written management response to the observation noted above by March 31, 2016.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Re: Review of *Monthly Fees Report* and Supporting Documentation
For the month of February 2016

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Report* and supporting documentation for the month of February 2016 in accordance with Local Government Code §115.002(a) and (b). The objective of the review was to determine whether collections were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of February 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Reports*, and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.

- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received pursuant to Local Government Code §113.022.
- Verified that the collections per the *Monthly Fees Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of February 2016 were $2,532.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

**Observation No. 1:**
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. Commissioners Court approved to increase the park entrance fee from $2.00 to $4.00 on March 23, 1993. A review of the County's financial records indicated that a park entrance fee has been collected since at least 1992. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted was not provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on weekends and waived on weekdays. The park entrance fee is also waived from vehicles entering the park after the *Daily Close-Out Report* and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code §316.001(4) states that "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose." Local Government Code §316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fees may result in the loss of County funds.

**Recommendation:**
Management should develop and implement formal procedures to ensure that park entrance fees are properly collected. Evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained. In addition, the park entrance fee should continue to be collected after the cut-off time as required by the *Cash Handling Guidelines and Procedures*.

Please provide a written management response to the observation noted above by March 31, 2016.

Dear Commissioner Palacios:

We conducted a limited scope review of the Precinct 4 Sanitation Program *Monthly Fees Report* and all supporting documentation for the month of January 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the months of January 2016 and February 2016

Dear Ms. Chapa:

We have conducted a limited scope review of the *Monthly Fees Report* and supporting documentation for the months of January 2016 and February 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of January 2016 and February 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittances/Close-Out Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.

- Verified that the collections per the *Monthly Fees Reports* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Daily Remittance/Close-Out Forms*, and *Monthly Fees Reports* to verify proper completion.

**Conclusion:**
Total collections for the months of January 2016 and February 2016 were $949.00 and $1,201.50, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the months of January 2016 and February 2016

Dear Mr. Sanchez:

We have conducted a limited scope review of the *Monthly Fees Report* and supporting documentation for the months of January 2016 and February 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope and Methodology:**
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Fees Reports* for the months of January 2016 and February 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Reports*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Reports* to the County Auditor's Office to determine if the reports and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signatures on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.

Ref: Review of Delinquent Tax Attorney Payment Request - January 2016
Report No. 2016-36

Dear Mr. Villarreal:

We have completed a limited scope review of the January 2016 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Linebarger, Goggan, Blair, and Sampson LLP ("LGBS") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended January 31, 2016. The County Auditor's Office did not review the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" that reflected a refund since LGBS stated that they would not seek reimbursement for DTA fees previously paid to the prior DTA firm. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of January 2016."
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the total amount of DTA fees collected agree to the amount transferred to the Hidalgo County Treasurer's Office.

The results of our review revealed that the payment request was generally accurate and properly authorized. More specifically, the following was noted:

HIDALGO COUNTY DISTRICT JUDGES

LUIS M. SINGLETERRY JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 139TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. PARTIDA JUDGE, 275TH D.C. | MARIO E. JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

- The payment request was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of January 2016."
- Although DTA fees for 182 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals, small amounts collected, rounding and multiple payments that needed to be added to calculate the 15% (see Exhibit A).

We will proceed to process the January 2016 DTA payment request in the amount of $135,501.92 to LGBS.

Ref: Audit of Hidalgo County Urban County Program
Audit No. 2016-12

Dear Ms. Serna:

We conducted a limited scope audit of the Hidalgo Urban County Program (UCP) pursuant to the authorization granted to the County Auditor by Commissioners Court on February 7, 2012 to audit the Hidalgo County Urban County Program. The objective of the audit was to determine UCP's compliance with conflict of interest requirements under the following:

1. 24 Code of Federal Regulations (CFR) § 570.611(d) or 24 CFR § 570.489(H)(4), as applicable, regarding exceptions to the Department of Housing and Urban Development's (HUD) prohibition of conflicts of interest;
2. Local Government Code § 171.004 regarding the filing of an affidavit disclosing the nature and extent of a substantial interest by public officials with the business entity;
3. Local Government Code § 176.003 regarding the filing by the public official of Form CIS "Local Government Officer Conflicts Disclosure Statement"; and
4. Local Government Code § 176.006 regarding the filing by the vendor of Form CIQ "Conflict of Interest Questionnaire".

This review was prompted by concerns of possible non-compliance with the above stated regulations and statutes in the awarding of contracts.

**Background:**
In 1988, HUD approved the establishment and funding of the UCP. UCP's funding is determined by HUD's budget and an allocation formula, which takes into account demographic data (i.e., population, housing conditions, and poverty).

HUD funds are channeled through the UCP. The UCP administers funds on behalf of four County precincts. The precincts are headquartered in Weslaco (Precinct 1), Pharr (Precinct 2), Mission (Precinct 3) and Edinburg (Precinct 4).

On April 12, 2011, May 21, 2013, and December 1, 2015, the Hidalgo County Commissioners Court entered into construction contracts with OG Construction on behalf of UCP for the "City of Progresso Street and Drainage Improvements" project in the amount of $118,049.75; "Hidalgo County Precinct 1-Street Improvements Minnesota Road" project in the amount of $304,982.35; and "Pct. 4 Flood Drainage Improvements" project in the amount of $1,621,209.00, respectively.

**Community Development Block Grant**
The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The CDBG program provides annual grants on a formula basis to 1,209 general units of local government and states. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent

housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

The April 12, 2011 contract for the "City of Progresso Street and Drainage Improvements" project and the May 21, 2013 contract for the "Hidalgo County Precinct 1-Street Improvements Minnesota Road" project were funded with CDBG funds allocated to UCP by HUD.

**Disaster Recovery Supplemental (DRS)**
The Texas General Land Office (GLO) is the lead state agency for managing disaster recovery grants through HUD. The state receives CDBG funds from HUD as disaster recovery assistance. HUD provides DRS funding to help cities, counties, and states recover from presidentially declared disasters, especially in low-income areas. The UCP, through the GLO, is awarded disaster recovery funds for recovery efforts involving housing, economic development, infrastructure and prevention of further damage to affected areas.

The December 1, 2015 contract for the "Pct. 4 Flood Drainage Improvements" project is scheduled to be funded with Disaster Recovery supplemental funds allocated by the GLO.

**HUD Exception - Federal**
Pursuant to 24 CFR 85.36 (b)(3), "no employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

i. The employee, officer or agent;
ii. Any member of his immediate family;
iii. His or her partner; or
iv. An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award."

24 CFR §570.611 applies to the procurement of supplies, equipment, construction, and services by recipients and by subrecipients under 24 CFR 85.36. Pursuant to 24 CFR § 570.611 (b) "the general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter."

Pursuant to 24 CFR §570.611 (c), the conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

Pursuant to 24 CFR § 570.611 (d), upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by case basis when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section. HUD will consider an exception only after the recipient has provided the following documentation:

i. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
ii. An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

**HUD Exception - State**
Pursuant to 24 CFR § 570.489 (h)(2), the general rule is that no persons described in paragraph (h)(3) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this subpart or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest or benefit from the activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

Pursuant to 24 CFR § 570.489 (h)(3), the conflict of interest provisions for paragraph (h)(2) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the State, or of a unit of general local government, or of any designated public agencies, or subrecipients which are receiving CDBG funds.

Pursuant to 24 CFR § 570.489 (h)(4), upon written request by the State, an exception to the provisions of paragraph (h)(2) of this section involving an employee, agent, consultant, officer, or elected official or appointed official of the State may be granted by HUD on a case-by-case basis. In all other cases, the State may grant such an exception upon written request of the unit of general local government provided the State shall fully document its determination in compliance with all requirements of paragraph (h)(4) of this section including the State's position with respect to each factor at paragraph (h)(5) of this section and such documentation shall be available for review by the public and by HUD. An exception may be granted after it is determined that such an exception will serve to further the purpose of the Act and the effective and efficient administration of the program or project of the State or unit of general local government as appropriate. An exception may be considered only after the State or unit of general local government, as appropriate, has provided the following:

(i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
(ii) An opinion of the attorney for the State or the unit of general local government, as appropriate, that the interest for which the exception is sought would not violate State or local law.

**Affidavit**

Pursuant to Local Government Code § 171.002 (c), a local public official is considered to have a substantial interest under this section if a person related to the official in the first degree by consanguinity or affinity, as determined under Chapter 573, Government Code, has a substantial interest under this section.

Pursuant to Local Government Code § 171.004 (a), if a local public official has a substantial interest in a business entity, the official shall file, before a vote or decision on any matter involving the business entity, an affidavit stating the nature and extent of the interest and shall abstain from further participation in the matter.

Hidalgo County has developed an affidavit that is used by members of the governing body if a conflict of interest arises (see Exhibit A). An affidavit is provided by the Commissioners Court Administrator to a member of the governing body when a conflict of interest arises. The affidavit states the elected official's name and their position with the County. The affidavit requires the elected official to state the agenda item they have a substantial interest with and how their substantial interest arises. The affidavit must be signed by the elected official and notary public. After the affidavit is signed, the affidavit is filed with the County Clerk's Office.

**Conflict Disclosure Statement (CIS)**

Pursuant to Local Government Code § 176.003 (a), a local government official shall file a conflict of interest disclosure statement with respect to a vendor if:

(1) the vendor enters into a contract with the local governmental entity or the local governmental entity is considering entering into a contract with the vendor; and
(2) the vendor:
  (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds $2,500 during the 12-month period preceding the date that the officer becomes aware that:
    (i) a contract between the local governmental entity and vendor has been executed; or
    (ii) the local governmental entity is considering entering into a contract with the vendor;
  (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than $100 in the 12-month period preceding the date the officer becomes aware that:
    (i) a contract between the local governmental entity and vendor has been executed; or
    (ii) the local governmental entity is considering entering into a contract with the vendor; or
  (C) has a family relationship with the local government officer.

Pursuant to Local Government Code § 176.003 (b), a local government officer shall file the conflicts disclosure statement with the records administrator of the local governmental entity not later than 5 p.m. on the seventh

business day after the date on which the officer becomes aware of the facts that require the filing of the statement under Subsection (a). A local government officer commits an offense if the officer knowingly violates Local Government Code § 176.003. An offense under this section is a misdemeanor.

The Texas Ethics Commission has developed Form CIS "Local Government Officer Conflicts Disclosure Statement" (see Exhibit B) for compliance with Local Government Code § 176.003 (b).

**Conflict of Interest Questionnaire (CIQ)**
Pursuant to Local Government Code § 176.006 (a), a vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  (1) The date that the vendor:
    (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  (2) the date the vendor becomes aware:
    (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    (B) that the vendor has given one or more gifts described by Subsection (a); or
    (C) of a family relationship with a local government officer.

The Texas Ethics Commission has developed Form CIQ "Conflict of Interest Questionnaire" (see Exhibit C). The form requires the vendor to list the name of the person who has a business relationship with the local governmental entity and the name of local government officer with whom filer has employment or business relationship. As part of the procurement bid package, the Hidalgo County Purchasing Department provides all vendors a "Conflict of Interest Questionnaire."

## SCOPE AND METHODOLOGY

The scope of the audit was limited to a review of contracts awarded by Hidalgo County Commissioners Court to OG Construction on behalf of UCP during the period of January 1, 2011 through December 31, 2015. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

In planning and performing our audit, we reviewed applicable HUD regulations, state statutes, Commissioners Court minutes, and copies of documents related to the April 12, 2011, May 21, 2013, and December 1, 2015 contracts awarded to OG Construction to determine if:

- Pursuant to 24 CFR § 570.611 (d) or § 570.489(H)(4), HUD approved an exception;
- Pursuant to Local Government Code § 171.004 (a), an affidavit was filed by the public official disclosing the nature and extent of substantial interests with the business entity;
- Pursuant to Local Government Code § 176.003 (b), Form CIS "Local Government Officer Conflicts Disclosure Statement" was filed by the government officer; and

- Pursuant to Local Government Code § 176.006 (a), Form CIQ "Conflict of Interest Questionnaire" was filed by the vendor.

**Conclusion:**

Based on the results of our audit, we have determined that UCP did not always comply with conflict of interest requirements pursuant to HUD regulations and state statutes when entering into contracts with OG Construction, since the principal of OG Construction is the son of the Hidalgo County Judge. More specifically, the following was noted:

- For the contract approved on April 12, 2011 for the "City of Progresso Street and Drainage Improvements" project:
  - A HUD exception was not obtained as prescribed by 24 CFR § 570.611 (d). According to the Hidalgo County UCP Director, a HUD exception was not requested since she was not aware of a conflict of interest. However, the Hidalgo County Judge filed an affidavit stating the nature and extent of the interest and abstained from participation in the matter as prescribed by Local Government Code § 171.004 (a). In addition, the vendor filed Form CIQ as required by Local Government Code § 176.006 (a).
  - An affidavit stating the nature and extent of the interest was filed by the local public official as prescribed by Local Government Code § 171.004 (a). In addition, the local public official abstained from further participation in the matter.
  - Form CIS "Local Government Officer Conflicts Disclosure Statement" was not filed by the local government official as prescribed by Local Government Code § 176.003 (b). According to the UCP Director, she was not aware that the local public official was required to submit Form CIS; and
  - Form CIQ "Conflict of Interest Questionnaire" was filed by the vendor as prescribed by Local Government Code § 176.006 (a); however, the form was not properly completed since the form did not disclose the name of the person who has a business relationship with the local government entity and the name of the local government officer whom the person has a family relationship.

- For the contract approved on May 21, 2013 for the "Hidalgo County Precinct 1-Street Improvements Minnesota Road" project:
  - Although an exception was requested and approved by HUD as prescribed by 24 CFR § 570.611 (d), a review of the documentation attached to the exception request revealed the following:
    - The opinion prepared by Atlas, Hall, and Rodriguez, LLP (the recipient's attorney) dated May 17, 2013 states that the Hidalgo County Judge complied with the requirements of Local Government Code § 171 and no conflict of interest exists under applicable Texas Law with respect to the lowest bidder being awarded. However, the opinion does not address compliance with Local Government Code § 176.003 (b). We noted that the Hidalgo County Judge did not file Form CIS "Local Government Officer Conflicts Disclosure Statement" as required by Local Government Code § 176.003 (b).
  - An affidavit stating the nature and extent of the interest was filed by the local public official as prescribed by Local Government Code § 171.004 (a). In addition, the local public official abstained from further participation in the matter;
  - Form CIS "Local Government Officer Conflicts Disclosure Statement" was not filed by the government officer as required by Local Government Code § 176.003 (b). According to the UCP Director, she was not aware that the local public official was required to submit Form CIS; and
  - Form CIQ "Conflict of Interest Questionnaire" was filed by the vendor as required by Local Government Code § 176.006 (a); however, the form was not properly completed since the form did not disclose the name of the person who has a business relationship with the local government entity and the name of the local government officer whom the person has a family relationship.

- For the contract approved on December 1, 2015 for the "Pct. 4 Flood Drainage Improvements" project:
  - A HUD exception was not obtained as required by 24 CFR § 570. 489(H)(4). Initially, the UCP Director stated that a HUD exception was not requested since one was approved for the May 21, 2013 contract. Subsequently, she indicated that an exception needed to be requested from the GLO due to the funding source. As such, she instructed the contractor not to proceed with the "Pct. 4 Flood Drainage Improvements" project until an exception is granted;

- An affidavit stating the nature and extent of the interest was filed by the local public official as required by Local Government Code § 171.004 (a). In addition, the local public official abstained from further participation in the matter;
- Form CIS "Local Government Officer Conflicts Disclosure Statement" was not filed by the government officer as required by Local Government Code § 176.003 (b). According to the UCP Director, she was not aware that the local public official was required to submit Form CIS; and
- Form CIQ "Conflict of Interest Questionnaire" was filed by the vendor as required by Local Government Code § 176.006 (a); however, the form was not properly completed since the form did not disclose the name of the person who has a business relationship with the local government entity and the name of the local government officer whom the vendor has a family relationship.

Failure to comply with the conflict of interest requirements under Local Government Code § 176.003 (local government officer) and § 176.006 (vendor) is considered a misdemeanor offense pursuant to Local Government Code § 176.013.

Failure to ensure that contracts comply with HUD regulations and state statutes regarding conflicts of interest and that an exception is obtained prior to awarding a contract may result in the loss of federal funding and/or liability to HUD for potential ineligible costs.

**Recommendations:**

We recommend that the UCP Director establish policies and procedures to require that:

- Training is obtained for the Commissioners Court and UCP management and employees regarding conflict of interest requirements pursuant to HUD regulations and state statutes.
- Form CIQ is properly completed and submitted by the vendor, even if there is no conflict of interest. A copy of the form should be maintained on file.
- Conflicts of interest are identified and disclosed when requesting approval to award the contract.
- An affidavit and Form CIS is filed by the local public official/local government officer, when applicable, at the time the contract is awarded. A copy of the forms should be maintained on file.
- A conflict of interest exception is obtained from HUD/State prior to the execution of the contract.

In addition, we recommend that the UCP Director request a review by HUD to determine if there are any administrative sanctions in connection with the contracts for the projects that have been completed.

The issues identified during our audit will be referred to the proper authorities for further review.

Re: Cash Count
Report No. 2015-74

Dear Sheriff Guerra:

We conducted a surprise cash count of the cash held at the Sheriff's Office for the Bond "B" Trust account on December 15, 2015 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

**Scope:**
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Conclusion:**
At the time of the cash count, receipts had not been issued and collections had not been made. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
We noted during our review that the "Cash Handling Guidelines and Procedures" acknowledgement receipts were not maintained on file for all employees responsible for handling cash. According to staff, they were not aware that new employees were required to read the "Cash Handling Guidelines and Procedures" and sign the acknowledgement receipt.

The County Auditor's Office requires that departments train all employees responsible for handling cash regarding proper cash handling procedures. The employees handling cash must read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be kept on file by the department.

Failure to ensure that employees responsible for handling cash are required to read and sign a receipt acknowledging their understanding of the guidelines and procedures increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that employees handling cash are required to read and sign a receipt acknowledging their understanding of the guidelines and procedures. In addition, the acknowledgment receipt should be maintained on file.

**Observation No. 2:**
We noted during our review that segregation of duties over the handling of collections requires improvement. The Administrative Assistants perform the following incompatible duties:

- Custody: Balance copies of receipts against the cash drawer, prepare bank deposits, and have access to the inventory of unused manual cash receipts
- Recording: Account for numerical sequence of manual receipts issued, maintain inventory log of unused manual receipts, and prepare reports of cashed received;
- Authorization: Verify that voided original receipts are kept and reviewed

According to staff, proper segregation of duties over the handling of collections has not been implemented due to limited staff.

The responsibility for sound internal controls rests with management. Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of assets, recording transactions, and authorization. The individual responsible for balancing copies of receipts against the cash drawer, preparing bank deposits, and having access to inventory of unused manual cash receipts should be different from the individual responsible for accounting for the numerical sequence of manual receipts issued, maintaining the inventory log of unused manual receipts, and preparing reports of cashed received. In addition, those individuals should be different from the individual responsible for verifying that voided original receipts are kept and reviewed.

Maintaining segregation of duties is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations. Adequate and timely supervision is especially important in small departments, where limited personnel may inhibit a thorough segregation of duties.

Failure to have adequate segregation of duties increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented.

Please provide written management responses to the observations noted above by March 31, 2016.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. Location of cash collection points;

b. Types of collections made by each cash collection point;
c. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
d. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
e. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by March 31, 2016.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Hidalgo County Tax Assessor/Collector

Re: Cash Count
Report No. 2015-529

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Edinburg Motor Vehicle Substation on November 5, 2015, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

**Scope:**
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Conclusion:**
Total cash on hand at the time of the cash count was $352,452.85. Based on the results of our review, we have concluded that generally total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $6,900.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
Security cameras were not utilized in the Head Cashier's Office where cash is safeguarded. According to staff, the purchase of additional video equipment has been considered; however, the purchase has not been made due to budgetary constraints.

The County Auditor's Office recommends that security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to ensure that security cameras are utilized in all areas where cash is safeguarded increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that security cameras are utilized in all areas where cash is safeguarded. Management should contact the Department of Budget and Management to request their assistance regarding funding for the purchase of security cameras.

**Observation No. 2:**
We noted during our review that several checks received as payment were made payable to "Pablo (Paul) Villarreal, Jr.", "Pablo Villarreal, Jr", "Pablo Villarreal". In addition, one check did not contain a date. Furthermore, a check dated November 5, 2014 was receipted on November 4, 2014. According to staff, cashiers are responsible for verifying that checks are correctly completed prior to acceptance of the check; however, the cashier may have failed to make the required verification.

Pursuant to Local Government Code Sec. 112.002 and 112.006, the county auditor has financial oversight for all county offices and may dictate the accounting procedures and internal controls to be implemented by each county office. As such, the County Auditor has set up procedures requiring that cashiers, prior to accepting a check as payment, verify that the check is made payable to the Elected or Public Official's title (i.e., Hidalgo County Tax Assessor/Collector). In addition, the cashier must verify that the check contains a date that is not stale or post-dated.

Failure to ensure that checks accepted as payment are made payable to "Hidalgo County Tax Assessor/ Collector" and properly dated may result in the loss or misuse of County funds.

**Recommendation:**
Management should instruct staff to verify that checks accepted as payment are made payable to "Hidalgo County Tax Assessor/ Collector" and properly dated.

**Observation No. 3:**
A notice stating that "Make sure you receive an official county receipt when making payments at this office" was posted; however, it did not contain a sample of the receipt issued by the Registration and Title System (RTS) and did not contain a current receipts being issued by the department for Beer/ Wine and Liquor permits. According to staff, a sample RTS receipt had been posted but had fallen off due to wear and tear. In addition, a current receipt for beer/wine and liquor permits had not been posted as time constraints had not allowed the staff to create a sample of the receipt.

The County Auditor's Office requires that a notice stating "Make sure you receive an official County receipt when making payments at this office" must be posted in a place visible to the public near cashiers. A sample of each official County receipt issued by the department must be posted by the notice so the public will know what type of receipt to expect.

Failure to ensure that a sample of each official County receipt is posted by the notice stating "Make sure you receive an official county receipt when making payments at this office" increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that a sample of each official County receipt is posted by the notice stating "Make sure you receive an official county receipt when making payments at this office".

**Observation No. 4:**
A notice stating "Gifts, gratuities, and/or tips will not be accepted" was not posted in a conspicuous location for the public's view. According to staff, a sample receipt had been posted but had fallen off due to wear and tear.

The County Auditor's Office requires that a notice stating "Gifts, gratuities, and/or tips will not be accepted" be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that a notice stating "Gifts, gratuities, and/or tips will not be accepted" is posted in a conspicuous location for the public's view.

**Observation No. 5:**
According to staff, various Dealers drop off checks and supporting documentation along with a "Dealer and Fleet Log". The Dealer must document the following on the "Dealer and Fleet Log": date and time received; number of transactions dropped off; Dealer's name and phone number; check number; applicant's name; signature/initials of the Dealer's agent picking up the documentation; and date the documentation was picked up. The Motor Vehicle Division staff will enter the following on the log: reason for rejection, if applicable; date processed, if applicable; and the name of the cashier that processed/rejected the transaction. The "Dealer and Fleet Log" is returned to the Dealer once the transactions are either processed or rejected. However, the Motor Vehicle Division staff does not note the transaction number (receipt number) given to each transaction processed since it is not a requirement of the form and the signature of the employee other than the cashier that verified a receipt was issued for each transaction processed.

The County Auditor's Office requires that all checks dropped-off by Dealers be documented on a log. The log should include the following: date and time received; number of transactions dropped off; Dealer's name and phone number; check number; applicant's name; signature/initials of the Dealer's agent picking up the documentation; date the documentation was picked up; reason for rejection, if applicable; date processed, if applicable; the name of the cashier that processed/rejected the transaction; the transaction number (receipt number) issued to each transaction processed; and signature of the employee other than the cashier that verified a receipt was issued for each transaction processed.

Failure to ensure that the "Dealer and Fleet Log" contains all the information required to maintain an adequate audit trail may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that the "Dealer and Fleet Log" contains all the information required to maintain an adequate audit trail. At a minimum, management should ensure that the "Dealer and Fleet Log" is revised to contain all the information noted above.

**Observation No. 6:**
We noted during our review that dealer drop off checks were not immediately restrictively endorsed "For Deposit Only". According to the staff, dealer drop off checks are not restrictively endorsed by the Cashier until the check is ready to be processed since occasionally paperwork filed with the payment will contain errors and will need to be returned.

The County Auditor's Office requires that all checks received be immediately restrictively endorsed by the person responsible for opening the mail.

Failure to ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" by the person responsible for opening the mail. If the paperwork does not support acceptance of payment, a cancelation of the endorsement should be made on the check to return the payment to the sender.

**Observation No 7:**
During the surprise cash count, we were informed that the department receives dealers drop-off checks that are made payable to the order of the Tax Assessor/Collector; however, the lines for the numeric and dollar amounts are left blank. According to staff, fees for the department's services cannot always be readily determined; therefore, the dealers opt to send a blank check along with the recording documents. According to the Cashier, once the amount due is determined, the numeric and written dollar amounts are written on the check, the documents are recorded, and a receipt is issued and sent to the customer via mail.

Pursuant to the County Auditor's Office *Cash Handling Guidelines and Procedures*, prior to accepting a check as payment, the cashier must verify that the numerical and written dollar amounts agree and are for the exact amount due.

Failure to ensure that cashiers verify that the numeric and written dollar amounts agree and are for the exact amount due may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that cashiers verify that the numeric and written dollar amounts agree and are for the exact amount due. In addition, management should ensure that a fee schedule is provided to the dealers. The fee schedule should be utilized by the dealers to determine the amount due.

**Observation No. 8:**
Dealer drop-off checks totaling $29,824.37 were found on a desk in an unlocked office known as the "Call Center". According to staff, the door to the "Call Center" is locked when the cashier steps out of the office. However, at the time of the cash count, the door to the "Call Center" was open and unlocked.

The County Auditor's Office requires for all cash to be protected immediately by using a cash drawer, safe, or other secure place until it is deposited. A secure area for processing and safeguarding cash received, petty cash funds, change funds, and unissued receipts must be provided and restricted to authorized personnel.

Failure to ensure that a locked cash drawer is maintained by each employee responsible for handling collections may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that a locked cash drawer is assigned to each employee responsible for handling collections. At a minimum, the procedures noted above should be implemented.

**Observation No. 9:**
According to staff, wire transfers are made without obtaining supervisory approval. In addition, documentation detailing the amount, purpose, and destination of the wire is not presented for supervisory review. Furthermore, the employee who executes the wire transfers also reconciles the cash per the accounting records to the bank statements. According to staff, although supervisory approval is not obtained before or after the wire transfer, the Bookkeeper uses QuickBooks to determine the amount that should be issued, and at the end of the month, the Accountant verifies the amount of the wire transfer was correct.

The County Auditor's Office requires that all wire transfers be made after approval is granted by the Department Head or his designee. Before supervisory approval is granted, documentation must be provided detailing the amount, purpose and destination of the wire. In addition, the transmitting bank is required, prior to executing the wire, to confirm the amount and destination of the wire transfer by calling a person independent of the employee requesting the transfer. Furthermore, the employee who executes the wire transfers should not prepare or post journal entries nor reconcile the accounting records to the bank statements.

Failure to properly execute a wire transfer may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that wire transfers are properly executed and prior approval is obtained. At a minimum, the procedures noted above should be implemented.

Please provide a written management response to the observations noted above by March 31, 2016.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

b. A complete start to finish description of the following:

Re: Cash Count
Report No. 2015-532

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Mission Motor Vehicle Substation on December 8, 2015, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

**Scope:**
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Conclusion:**
Total cash on hand at the time of the cash count was $159,318.33. Based on the results of our review, we have concluded that generally total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $7,200.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
Security cameras were not utilized in the vault, Dealer Section, and the Head Cashier's Office where cash is safeguarded. According to staff, the purchase of additional video equipment would be considered; however, the purchase would not be made in the near future due to budgetary constraints.

The County Auditor's Office recommends that security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to ensure that security cameras are utilized in all areas where cash is safeguarded increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that security cameras are utilized in all areas where cash is safeguarded. Management should contact the Department of Budget and Management to request funding assistance for the purchase of security cameras.

**Observation No. 2:**
We noted during our review that several checks received as payment were made payable to "Pablo (Paul) Villarreal, Jr.", "Pablo Villarreal, Jr.", or "Pablo Villarreal". In addition, one check received and receipted December 8, 2015 was dated November 8, 2015. According to staff, cashiers are responsible for verifying that checks are correctly completed prior to acceptance; however, the cashier may have failed to make the required verification.

Pursuant to Local Government Code Sec. 112.002 and 112.006, the county auditor has financial oversight for all county offices and may dictate the accounting procedures and internal controls to be implemented by each county office. As such, the County Auditor has set up procedures requiring that cashiers, prior to accepting a check as payment, verify that the check is made payable to the Elected or Public Official's title (i.e., Hidalgo County Tax Assessor/Collector). In addition, the cashier must verify that check contains a date and that the check is not stale or post-dated.

Failure to ensure that checks accepted as payment are made payable to "Hidalgo County Tax Assessor/ Collector" and properly dated may result in the loss or misuse of County funds.

**Recommendation:**
Management should instruct staff to verify that checks accepted as payment are made payable to "Hidalgo County Tax Assessor/ Collector" and properly dated.

**Observation No. 3:**
A notice stating "Gifts, gratuities, and/or tips will not be accepted" was not posted in a conspicuous location for the public's view in the Renewals sections of the office. According to staff, they were not aware that a notice had to be posted in that area of the office.

The County Auditor's Office requires that a notice stating "Gifts, gratuities, and/or tips will not be accepted" be posted in a conspicuous location for the public's view where collections are taken.

Failure to post the required notice increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that a notice stating "Gifts, gratuities, and/or tips will not be accepted" is posted in a conspicuous location for the public's view where collections are taken.

**Observation No. 4:**
According to staff, various Dealers drop off checks and supporting documentation along with a "Dealer and Fleet Log". The Dealer must document the following on the "Dealer and Fleet Log": date and time received; number of transactions dropped off; Dealer's name and phone number; check number; applicant's name; signature/initials of the Dealer's agent picking up the documentation; and date the documentation was picked up. The Motor Vehicle Division staff will enter the following on the log: reason for rejection, if applicable; date processed, if applicable; and the name of the cashier that processed/rejected the transaction. The "Dealer

and Fleet Log" is returned to the Dealer once the transactions are either processed or rejected. However, the Motor Vehicle Division staff does not note the transaction number (receipt number) given to each transaction processed and the signature of the employee other than the cashier that verified a receipt was issued for each transaction processed since they are not a requirement of the form.

The County Auditor's Office requires that all checks dropped-off by Dealers be documented on a log. The log should include the following: date and time received; number of transactions dropped off; Dealer's name and phone number; check number; applicant's name; signature/initials of the Dealer's agent picking up the documentation; date the documentation was picked up; reason for rejection, if applicable; date processed, if applicable; the name of the cashier that processed/rejected the transaction; the transaction number (receipt number) issued to each transaction processed; and signature of the employee other than the cashier that verified a receipt was issued for each transaction processed.

Failure to ensure that the "Dealer and Fleet Log" contains all the information required to maintain an adequate audit trail may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that the "Dealer and Fleet Log" contains all the information required to maintain an adequate audit trail. At a minimum, management should ensure that the "Dealer and Fleet Log" is revised to contain all the information noted above.

**Observation No. 5:**
We noted during our review that dealer drop off checks were not immediately restrictively endorsed "For Deposit Only". According to the staff, dealer drop off checks are not restrictively endorsed by the Cashier until the check is ready to be processed as not all checks are accepted due to errors in the paperwork that was filed along with the payment.

The County Auditor's Office requires that all checks received be immediately restrictively endorsed by the person responsible for opening the mail.

Failure to ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" by the person responsible for opening the mail. If the paperwork does not support acceptance of payment, a cancelation of the endorsement should be made on the check to return the payment to the sender. Please provide a written management response to the observations noted above by March 31, 2016.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
b. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used; and
c. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by March 31, 2016.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Re: Cash Count
Audit No. 2015-558

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Edinburg Tax Office on September 21, 2015 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

**Scope:**
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Conclusion:**
Total cash on hand at the time of the cash count was $331,587.67. Based on the results of our review, we have concluded that total cash on hand did not reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund (see Observation 1). In addition, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
Total cash on hand at the time of the cash count exceeded receipts issued by $41,367.25 due to the following:

- 18 mail-in payments totaling $31,100.85 received between September 9, 2015 and September 21, 2015 that had not been receipted due to lack of a tax account number or there was no outstanding balance in the tax account. According to staff, the checks were pending to be returned to the payer.
- 1 check in the amount of $10,266.40 related to an "order of sale" was received from the delinquent tax attorney firm on September 21, 2015. According to the Administrative Assistant, the check had not

been receipted since the payment breakdown erroneously included a tax entity for which payment should not be applied to. The proper payment breakdown was subsequently provided and the check was receipted and deposited.

The County Auditor's Office requires that all payments, including mail-in payments, be promptly recorded and controlled using pre-numbered official County receipts. Collections must be deposited on a daily basis, unless the amount collected is less than $100.00. If a payment discrepancy occurs (i.e. lack of tax account number, tax account paid in full, etc.), a pre-numbered manual Official County receipt should be issued. Once the discrepancy is resolved, an Official County receipt from the electronic receipting system should be issued and refund check issued, if applicable. In the alternative, the department may return the payment to the sender. If the department returns the payment, a log should be utilized to document the return of checks that includes: the name of the person/entity to whom the check is returned; return address; check date; check amount; date returned; and reason for return. A copy of all checks returned should be maintained on file.

Failure to ensure that all payments are promptly receipted and deposited may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that all payments are promptly receipted and deposited. At a minimum, the procedures noted above should be implemented.

**Observation No. 2:**
We noted during our review that a mail log was not utilized to record payments received through the mail. In addition, mail-in payments were not immediately restrictively endorsed "For Deposit Only". Furthermore, the mail-in payments were not safeguarded in a locked safe; instead, the mail-in payments were placed on a bookshelf until processed. According to staff, a mail log has not been implemented due to a heavy workload and limited number of staff. In addition, mail-in payments are restrictively endorsed by the cashiers at the time a receipt is issued. Furthermore, mail-in payments are not taken from the bookshelf by anyone unless the payments are ready to be processed.

The County Auditor's Office requires that mail be opened on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day. The following procedures should be followed when processing mail:

1. Mail should be opened by an employee who is not responsible for receipting or maintaining accounting records.
2. Immediately upon receipt, the person responsible for opening the mail must restrictively endorse all checks "For Deposit Only" to the credit of the County.
   a. A check may not be restrictively endorsed if the payee line of the check is blank or made payable to another department, unless a supervisor has verified that the check is a proper payment to the department. If the payment is a proper payment to the department and the payee line of the check is blank, the department's name must be recorded on the payee line. If verification of proper payment is not possible, the check must be returned to the sender.
   b. A check may not be restrictively endorsed if it is stale-dated. Stale-dated checks must be returned to the sender.
3. Mail-in payments must be listed on a mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number.
4. The employee responsible for opening the mail and listing the mail-in payments must sign and date the mail log to document responsibility for verifying the cash received and preparing the listing.
5. Mail-in payments must then be transferred to the cashier. After issuing a receipt for the mail-in payment, the cashier must enter the receipt date and receipt number issued for the mail-in payment on the mail log.
6. An employee other than the cashier should verify that an official County receipt was issued for each mail-in payment. The employee conducting this verification must sign and date the mail log to document responsibility for the verification.

7. The "Customer Copy" of a receipt issued for a mail-in payment should be mailed to the payer if the payer included a stamped, self-addressed envelope with the mail-in payment. Otherwise, the "Customer Copy" of the receipt for the mail-in payment must be maintained on file.

Failure to ensure that mail-in payments are promptly processed and safeguarded under lock and key may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that mail-in payments are properly processed and safeguarded under lock and key. At a minimum, the procedures noted above should be implemented.

**Observation No. 3:**
We noted during our review that two checks received over-the-counter were made payable to Paul Villarreal or Pablo "Paul" Villarreal Jr. instead of Pablo "Paul" Villarreal Jr. Tax Assessor/Collector. In addition, one check received over-the-counter was accepted with the "Pay to the Order" line blank. Furthermore, one check received through the mail was not restrictively endorsed "For Deposit Only". According to staff, cashiers are responsible for ensuring checks are correctly completed at the time of acceptance.

The County Auditor's Office requires that cashiers verify that checks are made payable to Hidalgo County or Hidalgo County and County official's title (e.g., Hidalgo County Tax Assessor-Collector) or the County official's name and title (e.g., Pablo Villarreal Jr., Hidalgo County Tax Assessor-Collector). If the payee line of the check is blank, the department's name must be recorded on the payee line in the manner previously noted. Cashiers may use a stamp to stamp the required information on the checks that are not properly made out to Pablo "Paul" Villarreal Jr. Tax Assessor/Collector above the payable line.

Failure to verify that checks are properly completed may result in the loss or misuse of County funds.

**Recommendation:**
Management should instruct staff to ensure that checks accepted as payment are properly completed. At a minimum, the procedures noted above should be implemented.

**Observation No. 4:**
During the cash count, we noted that an Administrative Assistant accepted a credit card payment over the phone. The credit card payment was recorded on a "Credit Card Payments" form, which includes the following information: tax account number (short and long), type of credit card, credit card number, credit card expiration date, cardholder name, billing address, phone number, amount being paid, initials of clerk receiving payment, and date. According to staff, the form is kept by the person who accepted the credit card payment and subsequently submitted to the Head Cashier at the end of the day. The form is scanned and stored in a box. The hardcopy of the form is subsequently destroyed two to three months after the month has been reconciled. In addition, according to staff, cashiers are allowed to accept over-the-counter credit card payments from individuals who are not the cardholders as long as the name on the credit card agrees to the tax account property owner's name.

The County Auditor's Office requires that the cashier request identification from the payer when a debit or credit card is presented as payment. The identification is required to verify that the card belongs to the payer. After the card is swiped or processed and the transaction has been authorized, the cashier must obtain the payer's signature on the credit card receipt. Over-the-phone credit card payments should not be accepted due to the inability to verify the identity of the card user which is necessary to ensure proper credit card authorization.

Failure to ensure that cashiers request a valid form of identification to verify that the payers name agrees to the card being presented for payment may result in credit card fraud. In addition, taking over-the-phone credit card payments increases the risk of credit card disputes which may result in the loss of County funds.

**Recommendation:**
Management should refrain from processing over-the-phone credit card transactions. Individuals calling and requesting to pay their taxes should be notified that payments can be made online and referred to the Hidalgo County Tax Assessor and Collector website. Furthermore, management should implement procedures to ensure cashiers request identification when accepting credit card payments over the counter in order to verify the card belongs to the payer.

Please provide written management responses to the observations noted above by March 31, 2016.

In addition, procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. Location of cash collection points;
b. Types of collections made by each cash collection point;
c. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
d. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained;
    6. Computer hardware and software used; and
e. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by March 31, 2016.

Re: Cash Count
Report No. 2015-564

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Elsa Tax Office on October 20, 2015, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

**Scope:**
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Conclusion:**
Total cash on hand at the time of the cash count was $3,902.00. Based on the results of our review, we have concluded that total cash on hand generally did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
According to staff, when accepting checks as payment, cashiers are not required to ensure that the payer's name, address, driver's license number, date of birth, and phone number are pre-printed or recorded on the face of the check. Staff is only required to verify that a phone number and the payer's driver's license number are printed or written on the check; however, identification is not requested by the cashier to verify the information.

The County Auditor's Office requires that, prior to accepting a check for payment, the cashier must verify that the payer's name, address, driver's license number, date of birth, and phone number is pre-printed on the face of the check. If some of this information is not pre-printed on the face of the check, the cashier must request

this information and record it in on the face of the check. In addition, identification must be requested by the cashier to verify the information on the check.

Failure to ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check and verified against a valid form of identification may result in the loss or misuse of County funds.

**Recommendation:**
Management should ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check and verified against a valid form of identification.

**Observation No. 2:**
A notice stating "A $__ fee will be collected on all returned checks" was not posted in a conspicuous location for the public's view. According to staff, they were not provided with a sign by the Edinburg Office; however, the sign would be requested.

The County Auditor's Office requires that a notice stating "A $__ fee will be collected on all returned checks" be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that a notice stating "A $__ fee will be collected on all returned checks" is posted in a conspicuous location for the public's view.

**Observation No. 3:**
A schedule of fees and fines collected by the department was not posted in a conspicuous location for the public's view. According to staff, they were not provided with a sign by the Edinburg Office; however, the schedule would be requested.

The County Auditor's Office requires that a schedule of authorized fines and fees be posted in a conspicuous location for the public to see. The schedule sets forth those fines and fees to be charged by the County pursuant to state statutes and Commissioners Court approval.

Failure to post the required schedule increases the risk of loss or misuse of County funds.

**Recommendation:**
Management should ensure that a schedule of authorized fines and fees is posted in a conspicuous location for the public's view.

**Observation No. 4:**
During the cash count, we were informed that cashiers are allowed to process credit card payments from a person who is not the cardholder. The payer must be able to provide all the information required in order to process a credit card payment which includes the tax account, the card holder name, address where the credit card is billed, card type, credit card number, expiration date, phone number, and payment amount. Once the transaction is processed and approved, a receipt is printed and the payer must sign and provide a phone number. In addition, the substation accepts over-the phone credit card payments. In order to process over-the-phone credit card payments, the same information is obtained from the payer. According to staff, they are not required to verify the identity of the cardholder.

The County Auditor's Office requires that the cashier request identification from the payer when a credit card is presented as payment. The identification is required to verify that the card belongs to the payer.
After the card is swiped or processed and the transaction has been authorized, the cashier must obtain the payer's signature on the credit card receipt. Over-the-phone credit card payments should not be accepted due to the inability to verify the identity of the card user which is necessary to ensure proper credit card authorization.

Failure to ensure that cashiers request a valid form of identification to verify that the payer's name agrees to the card being presented for payment may result in credit card fraud. In addition, taking over-the-phone credit card payments increases the risk of credit card disputes which may result in the loss of County funds.

**Recommendation:**
Management should ensure that cashiers request a valid form of identification to verify that the payer's name agrees to the card being presented for payment. In addition, management should refrain from processing over-the-phone credit card transactions.

Please provide a written management response to the observations noted above by March 31, 2016.

In addition, please provide our office with copies of the procedures listed below and any updated procedures, if applicable, by March 31, 2016.
