Mr. Ramirez,

Please review and consider approval of this Xerox printer for our department. This is to replace an aging HP 4100 laser printer dedicated as our Purchase Order printer. I would like to purchase the printer and contract for the maintenance to include toner supplies. I did consider other printers such as the HP M604N and the Ricoh SP5210DN but they were more expensive and essentially had the same specs.

Thank You,

**Rudy Salinas**

Rudy

Good afternoon, attached is a quote for the Xerox Phaser 4622DT, with print speed of 65ppm, 2-550 Sheet Trays and 320GB Hard Disk. If you need one with 512 MB, but it prints at 50ppm, this is the Xerox Phaser 5550N. If you need this quote as well, please let me know. I didn't find a specific printer with those specs, let me know If you have a model #. Thank you
