Mr. Garza,  
Can you please review the attached interlaocals?

- 1)One is for UTRGV which requires only their name and date to be changed.
- 2) The other is for the school districts that we have existing Interlocals that are currently outdated.  
Would it be possible to use the school district interlocal as a template for all the different school districts.?

I will be out of the office until next Thursday morning.

Thank you for your help,  
Nancy
