RE: Approvable Pending Adoption of the County of Hidalgo Local Mitigation Plan, DR-1999-022

Dear Judge Garcia:

Congratulations! FEMA has concluded the review of the Hidalgo County, Texas, local mitigation action plan, and the plan is found to be approvable pending adoption. In order for this plan to receive final FEMA approval, the jurisdiction(s) must adopt this plan and submit the complete adoption package to the state within 90 days. The plan update timeline will begin on the date of the FEMA approval letter. Please mail us the complete adoption package in the form of a CD containing the following:

- The final plan formatted as a single document
 - Plan must be dated to match the date of the first adoption
 - Remove track changes, strikethroughs and highlights
- All signed resolutions as a separate single document

The previous review tool may contain recommendations to be applied to your next update. DO NOT make any further changes to your plan until it has been approved.

The following participating governments in this plan are included in Attachment A.

If you have any questions concerning this procedure, please do not hesitate to contact me at Mitchell.Osburn@dps.texas.gov or 512-337-0043. We commend you for your commitment to mitigation.

Respectfully,
