Re: CONTRACT-C-16-012-01-26 –Sign Language Interpreting Services for Hearing Impaired (Non Courtroom & Courtroom) – Hidalgo County – (AS NEEDED BASIS)

Dear Mr. Scandiffio:

Hidalgo County entered into a contract with AllWorld Language Consultants, Inc. on February 5, 2016. To date Hidalgo County has solicited services from other vendors as calls and emails to you for your company's services remain unanswered. It has become apparent to us that you are unable or unwilling to provide contracted services for the last sixty (60) days. Hidalgo County awarded this contract on an "as needed basis" and not on if and when you can find interpreters.

Thus, Hidalgo County Commissioners' Court will take action on Tuesday, April 5, 2016 to exercise its sole option to send a thirty (30) day notice of termination.

Respectfully,

Martha L. Salazar
Hidalgo County Purchasing Dept.
