Hello Ms Lulu,

We have initiated the attached agenda item requesting authority to advertise and approval of plans and specifications for the project: Hidalgo County Precinct No. 4 "Construction of Parking Lot at San Carlos CRC & Sunflower Park". The project procurement scheduled is included in the agenda.

We have given a title to the project. Review the project title and modify, if needed, to make sure it is according to your funding accounts description.

We will be sending front end documents to LeFevre Engineering to be incorporated to the RFB Specifications Booklet in order to have a complete packet to attach to agenda.

Please note that the Agenda has the date of March 22nd. Please contact Ms Monica Badillo at the Executive Office to request agenda item be moved for this coming Court meeting.

Appreciate your help.

Thank you.

Good Afternoon Moises,

As discussed the Precinct would like to bid out the parking lot for the San Carlos CRC and Sunflower Park as soon as possible.

I am emailing you the civil site plans for the park that have the parking lot paving details as per Le Fevre Engineering. (There will be another email because the PDF file is too large)

Le Fevre Engineering is the civil engineer for the project and will be responsible for distributing plans and specifications for this project as well as the front end documents.

Should you have any questions please let me know, thank you!

Lulu,

Please the attached plans for ONSITE Sunflower Park. The plans are larger than 5MB, so this is EMAIL 1 of 2 (Sheet 2.1 – 2.6) for a complete set.

Thanks,
