

Hidalgo County Head Start Program

Policy Council Regular Agenda

DATE: May 16, 2016

SUBJECT: Discussion/Approval to Include High Income Children in the Palacios Head Start Center

RATIONALE/NEED: All classrooms in our Pharr-San Juan-Alamo Independent School District (PSJA ISD) partnership at Palacios Elementary are designated Head Start classrooms because of the high incidence of qualified children and the assignment of a full time district teacher. A handful of children are high income. Under the Head Start Standards we may serve 10% high income. We seek this approval to maximize district resources and fully implement the partnership in all nine (9) classrooms at this location only.

RECOMMENDATION: Administration recommends approval.
