That should work but you will need to attach the Request For RFQ packet as Exhibit A-1 as referenced in the whereas clause.

Mr. Crain-

Here is draft agreement. Please let me know if this will work. I inserted the **Whereas** clause that mentions the Pool of Engineers.

Please advise.

The whereas clauses are incorrect as they do not reference the "pool".

Mr. Crain-

Per our conversation, attached, is **revised format** for referenced agreement # **C-16-218-05-17-L&G Engineering-Pct 2**. Per our discussion, I went ahead and used the same format previously reviewed and approved for Pct 4.

Let me know if this one will work as I believe this will be placed on next weeks CC agenda for final approval.

Please advise.

Thanks.
